TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of **DECEMBER 22, 2022** (as amended, restated, supplemented or otherwise modified, this "Agreement"), among LUCCHESE, INC., a Delaware corporation ("Lucchese"), ARENA BRANDS, INC., a Delaware corporation ("Arena" and together with Lucchese, collectively "Grantors"), and TEXAS CAPITAL BANK, a Texas state bank ("Lender").

Reference is made to (a) the Credit Agreement, dated as of December 22, 2022, among Grantors and Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), and (b) the Pledge and Security Agreement, dated as of December 22, 2022, by and among Grantors and Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

Lender agreed to extend credit to the Grantors subject to the terms and conditions set forth in the Credit Agreement, and the Grantors have secured their obligations pursuant to the Security Agreement. The obligations of Lender to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement.

Accordingly, the parties hereto agree as follows:

1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement.

2. Grant of Security Interest. As security for the payment or performance, as applicable, in full when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to Lender (and its successors and assigns), a security interest in, all such Grantor's right, title and interest in, to or under any and all of the following assets now owned or at any time hereafter acquired (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, uniform resource locations (URL's), domain names, designs and general intangibles of like nature, now existing or hereafter adopted or acquired and all registrations and recordings thereof and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (including, without limitation, those described on *Schedule I*) (the "Trademarks"),

(b) all reissues, continuations, extensions and renewals thereof and amendments thereto,

(c) all goodwill associated therewith or symbolized by any of the foregoing,

(d) all income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, and

(e) all other assets, rights and interests that uniquely reflect or embody such goodwill.

3 Security Agreement. The security interests granted to Lender herein are granted in furtherance, and not in limitation of, the security interests granted to Lender pursuant to the Security

Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

4 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement.

5. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Texas (without regard to principles of conflicts of laws).

[Remainder of Page Intentionally Left Blank; Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Trademark Security Agreement as of the day and year first above written.
