Assignment of Trademarks in Connection with Asset Purchase Agreement

This Assignment of Trademarks (this "Assignment") is made on February 18, 2022 by CSC Events, LLC, d/b/a Cannabis Science Conference, a Maryland limited liability company ("Assignee") and MJH Acquisitions, LLC, a New Jersey limited liability company with a place of business at 2 Clarke Drive, Cranbury, New Jersey 08512 ("Assignor").

Whereas, Assignor is entering into an Asset Purchase and Sale Agreement (the "Purchase Agreement") contemporaneously with the execution of this Assignment; and

Whereas, among the assets to be transferred by Assignor to Assignee under the Purchase Agreement are the trademark and trade dress associate with said trademark set forth in Schedule A attached to this Assignment, hereinafter called the "Marks"; and

Whereas, Assignor warrants that it owns all rights, title and interests in the Marks and Assignor desires to assign all rights, title, and interests in and to the Marks to Assignee ("All Rights in the Marks"); and

Whereas, Assignee desires to accept Assignment of All Rights in the Marks, including the following:

1. U.S. trademark registrations listed in the attached Schedule A;
2. U.S. trade dress used in connection with the Marks listed in the attached Schedule A;
3. All of the goodwill associated with the use of the Marks in Schedule A; and
4. All other rights, including common-law rights, relating to the Marks to the extent such rights exist.

Now, therefore, for and in consideration of the mutual covenants contained in this Agreement, and other good and valuable consideration, the parties agree as follows:

1. **Purchase and Sale of Trademark.** Assignor does now hereby agrees to sell, convey, transfer, and assign to Assignee, and Assignee hereby agrees to purchase from Assignor, upon the terms and conditions of this Agreement all of Assignor's rights, title, and interest in the Marks, including, but not limited to, all goodwill associated with the Marks, the Registrations and all other rights or claims of every type and nature and whenever situated, real, personal, tangible, intangible, or contingent. The rights of Assignee at common law and to the end of the term or terms of which registration of the Marks may be granted or renewed are to be held and enjoyed by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; including all claims for royalties for licensing of the Marks and damages by reason of past infringements of the Marks, with the right to sue for and collect the same for its own use and benefit, for the use, benefit and on behalf of its successors, assigns and other legal representatives.

2. **Execution of Documents.** Assignor will (i) execute such additional documents as are necessary to defend, register, or otherwise give full effect to and perfect the rights of Assignee to the

Marks; and (ii) take such further actions as Assignee may reasonably request in order to register and record this Assignment at the appropriate registries to demonstrate Assignee's title to the Marks.

3. **Trademark Warranties.** Assignor represents and warrants that: (a) it is the legal owner of the Marks; (b) it possesses the legal right and authority to enter into this Agreement and to transfer the ownership of the Marks to the Assignee; (c) the Marks are not the subject of a cancellation proceeding in the United States Patent and Trademark Office and no such proceeding has been threatened; (d) the Marks are currently in full force and effect; and (e) it has not granted any licenses for the Marks to any third parties. Assignor further represents and warrants that: (a) it has not been threatened with, and is not currently a party to, any legal or administrative action alleging that the Assignor's use of the Marks infringes on the rights of another party or challenging ownership over the Marks; and (b) neither Assignor nor any parent, subsidiary, or affiliated company of Assignor has been notified that use of the Marks by Assignor or any parent, subsidiary, or affiliated company of Assignor violates the trademark or other rights of any third party.

4. **Discontinuance.** Immediately upon execution of this Agreement, Assignor will discontinue all use of the Marks.

5. **Successors and Assigns.** This Assignment shall be binding upon the successors and assigns of Assignors and Assignee.

6. **Governing Law.** The validity, interpretation, and performance of this Agreement shall be determined in accordance with the laws of the State of New Jersey without regard to its conflicts of law principle. Any controversy or dispute arising out of this Agreement, the interpretation of any of provision hereof, or the action or inaction of any party hereunder shall be submitted to JAMS for arbitration in Middlesex County, New Jersey under the commercial arbitration rules then in force for that organization. The arbitration shall be conducted by a single arbitrator (the "Arbitrator") chosen pursuant to the procedures of JAMS. The Arbitrator shall issue a written opinion of his or her decision which shall be based on the substantive laws of the State of New Jersey. The arbitrator shall not be empowered to award special, consequential or punitive damages under any circumstances. Any award or decision obtained from any such arbitration proceeding shall be final and binding on the Parties, and judgment upon any award thus obtained may be entered in any court having jurisdiction thereof.

7. **Counterparts.** This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("**Trademark Assignment**"), dated as of October 6, 2021, is made by JCANNA, INC., a Maryland corporation, located at 206 South Patterson Park Avenue, Baltimore, Maryland 21231 ("**Assignor**"), in favor of CSC EVENTS, LLC, a Maryland limited liability company, located at 206 South Patterson Park Avenue, Baltimore, Maryland 21231 ("**Assignee**").

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in, to and under, among other assets, certain intellectual property of Assignor;

NOW THEREFORE, the parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following:

(a) the trademark registration set forth on Schedule 1 hereto and all issuances, extensions, and renewals thereof (the "**Assigned Trademark**"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademark;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as

may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.

3. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

4. Successors and Assigns. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law. This Trademark Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Trademark Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Maryland, without giving effect to any choice or conflict of law provision or rule (whether of the State of Maryland or any other jurisdiction).
