TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of October 31, 2019, is made by the signatories listed below (collectively, the "Grantors" and each individually, a "Grantor"), in favor of White Oak Commercial Finance, LLC (the "Lender").

WITNESSETH:

WHEREAS, pursuant to the Loan, Security and Guaranty Agreement, dated as of the date hereof (as the same may be amended, restated, amended and restated, supplemented or modified from time to time, the "Loan Agreement"), by and among the Grantors, the other Loan Parties from time to time party thereto, and the Lender, the Lender has agreed to make an extension of credit to Penda Corporation, a Delaware corporation and Trienda Holdings, L.L.C., an Oklahoma limited liability company, upon the terms and subject to the conditions set forth therein; and

WHEREAS, pursuant to the terms of the Loan Agreement, the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, the Grantors agree as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. To secure the Secured Obligations, each Grantor hereby grants to Lender a continuing security interest in all of such Grantor's rights, titles and interests in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks set forth on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) subject to the Loan Agreement, all proceeds of the foregoing, including, without limitation, any claim by any Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

3. LOAN AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Lender, pursuant to the Loan Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any inconsistency, ambiguity or conflict between this Trademark Security Agreement and the Loan Agreement, the terms of the Loan Agreement shall control.

4. COUNTERPARTS; ELECTRONIC SIGNATURES. This Trademark Security Agreement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same Trademark Security Agreement. Any signature delivered by a party by facsimile or electronic transmission (including email transmission of a PDF image) shall be deemed to be an original signature hereto.

5. INCORPORATION BY REFERENCE. THIS PATENT SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING GOVERNING LAW SET FORTH IN SECTION 14.11 OF THE LOAN AGREEMENT, JURISDICTION, VENUE AND SERVICE OF PROCESS SET FORTH IN SECTION 14.12 OF THE LOAN AGREEMENT AND JURY TRIAL WAIVER SET FORTH IN SECTION 14.13 OF THE LOAN AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.

6. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademark application or issued trademark, the provisions of this Trademark Security Agreement shall automatically apply thereto. Each such Grantor shall give prompt notice in writing to Lender with respect to any such new trademark rights. Without limiting such Grantor's obligations under this Section 6, Grantor hereby authorizes Lender unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of such Grantor registered under the laws of the United States. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Lender's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

[Remainder of page left intentionally blank; signature pages follow.]

IN WITNESS WHEREOF, each signatory listed below is a Grantor and has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

DURAKON ACQUISITION CORP., a Michigan corporation
