WHEREAS, pursuant to the above referenced Grant of Security Interest in United States Trademarks dated as of July 17, 2018, entered into by Lender and Ease (the "Ease Trademark Security Agreement") which was recorded with the United States Patent and Trademark Office on October 2, 2018, at reel number 6487 and frame number 0591, Ease granted to Lender a security interest in (a) any trademark and servicemark rights, whether registered or not, applications to register (other than pending applications filed based on an intent to use a trademark or servicemark) and registrations of the same and like protections, including without limitation those set forth on Schedule A attached hereto (collectively, the "Marks"), (b) all proceeds and products of each Mark, (c) the goodwill of the businesses with which each Mark is associated, and (d) all causes of action arising prior to or after the date of the Ease Trademark Security Agreement for infringement of each Mark or unfair competition regarding the same (collectively, the "Trademark Collateral");
