Effective October 2, 2020, BabbleLabs has assigned and transferred, and Cisco received and accepted, all of BabbleLabs' rights, title and interest throughout the world in and to the BabbleLabs Marks and all the rights, claims and privileges pertaining to the BabbleLabs Marks, including without limitation: the registrations and applications pertaining thereto (except for BabbleLabs' Intent-to-Use US applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the US Patent and Trademark Office), together with all of the goodwill of the business associated with and symbolized by the BabbleLabs Marks; and the right to sue and recover damages for past, present and future infringements thereof and to stand in the place of BabbleLabs in all matters related thereto.
