WORLDWIDE ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

This assignment agreement ("Agreement") is entered into as of March 15, 2023 ("Effective Date") by and between id Software LLC, a Delaware limited liability company with a place of business at 1500 North Greenville Avenue, Suite 700, Richardson, Texas 75081, United States of America ("Assignor") and ZeniMax Media Inc., a Delaware corporation with a place of business at 1370 Piccard Drive, Rockville, Maryland 20850, United States of America ("Assignee") (each a "Party," and collectively, the "Parties").

For good and valuable consideration of one hundred United States Dollars (\$100.00), the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

- 1. Assignment.** Assignor owns common law intellectual property rights in various trademarks and copyrights, as well as the specific applications and registrations shown in Exhibit A (collectively, these rights shall be referred to as the "IP"). Assignor sells, assigns, and transfers to Assignee all worldwide rights, title, and interest in and to all IP currently owned by Assignor, and the goodwill and common law rights appurtenant thereto, and the portion of the business associated therewith, along with the right to recover for damages and profits for any past, present, and future infringements thereof, and Assignee does hereby accept this assignment. To the extent Assignee ever needs a moral rights waiver, release, or assignment related to the IP, such as without limitation a waiver under the Visual Artists Rights Act of 1990 ("Moral Rights Waiver"), Assignor acknowledges that this Agreement also constitutes a Moral Rights Waiver.
- 2. Further Acts.** Assignor agrees to execute all instruments and documents and do such additional acts as Assignee may deem necessary or desirable to effect, evidence, record, and perfect the assignment and recordation of the rights being assigned hereunder. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document it is entitled to under this Agreement, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as its attorneys-in-fact, with full power of substitution to act for and on their behalf and instead of Assignor to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.
- 3. Miscellaneous.** The Parties may execute this Agreement in counterparts, each of which together shall be deemed the complete and fully executed agreement. This Agreement shall inure to the benefit of and be binding upon Assignee and Assignor and their respective heirs, successors, and assigns.
