THE LIENS AND SECURITY INTERESTS SECURING THE OBLIGATIONS AS EVIDENCED HEREBY ARE SUBJECT TO THE PROVISIONS OF THE AMENDED AND RESTATED INTERCREDITOR AGREEMENT DATED AS OF DECEMBER 29, 2022 (AS AMENDED OR MODIFIED FROM TIME TO TIME), BY AND AMONG PNC BANK, NATIONAL ASSOCIATION, AS ABL AGENT AND TCW ASSET MANAGEMENT COMPANY LLC, AS TERM AGENT. IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE AMENDED AND RESTATED INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE TERMS OF THE AMENDED AND RESTATED INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

### INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this “Agreement”) is made as of this 17th day of March, 2023, by FLAGHOUSE, LLC, a New York limited liability company (“Flaghouse”) and ROMPA LIMITED, a private limited company incorporated in England and Wales (“Rompa” and together with Flaghouse, the “Grantors” and each individually, a “Grantor”), in favor of PNC BANK, NATIONAL ASSOCIATION, in its capacity as agent for the Secured Parties defined below (in such capacity, together with its successors and assigns, “Agent”).

WHEREAS, pursuant to that certain Amended and Restated Revolving Credit, Term Loan and Security Agreement, dated as of December 29, 2022 (as the same may be further amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the “Credit Agreement”), by and among the Grantors, certain Affiliates and Subsidiaries of the Grantors (together with the Grantors and any Person joined thereto from time to time as a borrower, collectively the “Borrowers”), each Person party thereto as a guarantor from time to time (the “Guarantors”), the lenders from time to time party thereto (the “Lenders”), and Agent, the Lenders have agreed to make certain loans and provide certain financial accommodations to the Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Credit Agreement, each Grantor is required to execute and deliver to Agent, for the benefit of the Secured Parties, this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the Credit Agreement.

2. Grant and Reaffirmation of Security Interest. To secure the payment and performance of the Obligations, each Grantor hereby grants to Agent, for its benefit and the benefit of the Secured Parties, and hereby reaffirms its prior grant pursuant to the Credit Agreement of, a continuing security interest in and Lien on all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “IP Collateral”), with power of sale to the extent permitted by law:

(a) (a) all of each Grantor’s patents and patent applications (collectively, “Patents”), and all of the goodwill of the business connected with the use of, and symbolized by, each Patent, including without limitation those referred to on Schedule 1 hereto;

(b) (b) all of each Grantor's trademarks, trademark applications, service marks, trade names, mask works (collectively, "Trademarks"), and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including without limitation those referred to on Schedule 1 hereto;

(c) (c) all of each Grantor's copyrights and copyright applications (collectively, "Copyrights") and all of the goodwill of the business connected with the use of, and symbolized by, each Copyright, including without limitation those referred to on Schedule 1 hereto;

(d) (d) all reissues, continuations or extensions of the foregoing; and

(e) (e) all products and proceeds of the foregoing, including without limitation any claim by each Grantor against third parties for past, present or future infringement or dilution of any Patent, any Trademark or any Copyright.

Notwithstanding the foregoing, the IP Collateral shall not include any Excluded Property.

3. Security for Obligations. This Agreement and the security interest created hereby secure the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by any Grantor to Agent, the other Secured Parties or any of them pursuant to the Credit Agreement.

4. Credit Agreement. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Secured Parties, pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the IP Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. Representations, Warranties and Agreements. Each Grantor hereby represents and warrants to, and agrees with Agent and the other Secured Parties as follows: Schedule 1 hereto accurately lists all IP Collateral owned by Grantor and registered with the United States Patent and Trademark Office and the United States Copyright Office as of the date hereof.

6. Authorization to Supplement. If any Grantor shall obtain rights to any new IP Collateral, this Agreement shall automatically apply thereto. Each Grantor hereby authorizes Agent unilaterally to modify this Agreement by amending Schedule 1 to include any such new IP Collateral of such Grantor identified by an update to Schedule 5.9 to the Credit Agreement delivered in accordance with Section 9.17 of the Credit Agreement. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Agent's continuing security interest in all IP Collateral, whether or not listed on Schedule 1.

7. Governing Law. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be construed in accordance with

and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

8. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

9. Construction. Unless the context of this Agreement clearly requires otherwise, the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference herein to any Person shall be construed to include such Person’s successors and assigns.

*[signature page follows]*

Each of the parties has signed this Agreement as of the day and year first above written.
