ASSIGNMENT OF TRADEMARKS

WHEREAS, Paradigm Spine, LLC, a Delaware limited liability company (hereinafter "Assignor"), owns certain right, title and interest in and to the trademarks and service marks set forth on Schedule A ("Marks"), including, but not limited to, the registrations and applications for registration of certain of the Marks identified on Schedule A, and the goodwill associated therewith (the Marks, such applications and registrations and such goodwill, collectively, the "Trademarks"); and

WHEREAS, Surgalign SPV, Inc., a Delaware corporation (hereinafter "Assignee"), is desirous of acquiring the rights in Assignor's Marks as contemplated in the Contribution Agreement, dated as of February 28, 2023, by and among Surgalign Spine Technologies, Inc., Assignor, Paradigm Spine GmbH and Assignee (the "Contribution Agreement").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

1. Assignor does hereby sell, assign, transfer and set over to Assignee and Assignee hereby accepts Assignor's entire right, title and interest in and to the Trademarks, including the Marks and all applications and registrations identified on the attached Schedule A, and all goodwill of the business in connection with which the Marks are used and symbolized by the Marks, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment of Trademarks (this "Assignment") had not been made, together with all income, royalties or payments in respect of the Marks due or payable as of the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignor hereby authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office, or the analogous individual or agency responsible for trademarks, service marks, trade/assumed names in other countries referenced in Schedule A, to record and register this Assignment upon request by Assignee as owner of the Marks, including any variations thereof, for the sole use and enjoyment of assignee, its successors, assigns or other legal representatives.

3. Capitalized terms used but not defined in this Assignment shall have the meanings set forth in the Contribution Agreement.

4. Nothing contained in this Assignment shall be deemed to release either Assignor or Assignee in any way from any of their respective obligations under the Contribution Agreement, or to supersede, enlarge on or modify any of the obligations, agreements, covenants, representations or warranties of either Assignor or Assignee contained in the Contribution Agreement, all of which survive the execution and delivery of this Assignment as provided and subject to the limitations set forth in the Contribution Agreement. If any conflict exists between

the terms and provisions of this Assignment and the terms and provisions of the Contribution Agreement, then the terms and provisions of the Contribution Agreement shall govern and control.

5. This Assignment shall be governed, construed and enforced in accordance with the internal substantive laws of the State of Delaware (without regard to the laws of conflict that might otherwise apply) as to all matters, including matters of validity, construction, effect, performance and remedies.

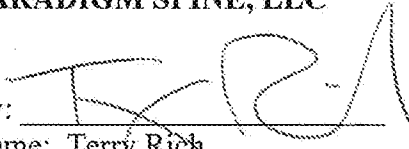

6. This Assignment may be executed in several counterparts (including by means of facsimile or electronic transmission in portable document format (PDF)), each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties; it being understood that all parties need not sign the same counterparts.

[Signature Page Follows]

IN WITNESS WHEREOF, each of the parties hereto has executed and delivered this Assignment of Trademarks as of the date first above written.
