INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT is entered into as of April 6, 2023 (this “IP Security Agreement Supplement”), among the grantors set forth on the signature page hereto (each, a “Grantor”) and Jefferies Finance LLC, as collateral agent (in such capacity, the “Collateral Agent”) for the ratable benefit for the Secured Parties (as defined in the Credit Agreement described below).

Reference is made to that certain Pledge and Security Agreement, dated as of January 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “Security Agreement”), among the Grantors party thereto and the Collateral Agent. The Lenders (as defined below) have extended credit to the Borrower (as defined in Credit Agreement, dated as of January 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified and in effect on the date hereof, the “Credit Agreement”), among RealTruck Intermediate Holdings, Inc. (f/k/a Truck Acquisition, Inc.), a Delaware corporation, RealTruck Group, Inc. (f/k/a Truck Hero, Inc.), a Delaware corporation, the lenders from time to time party thereto (the “Lenders”) and Jefferies Finance LLC, as administrative agent and collateral agent). Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement, the Grantors and the Collateral Agent have entered into that certain Intellectual Property Security Agreement, dated as of January 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “IP Security Agreement”). Under the terms of the Security Agreement, the Grantor has granted to the Collateral Agent for the benefit of the Secured Parties a security interest in the Additional IP Collateral (as defined below) and have agreed, consistent with the requirements of Section 4.03(c) of the Security Agreement, to execute this IP Security Agreement Supplement. Now, therefore, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this IP Security Agreement Supplement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of its Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge and grant to the Collateral Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title or interest in, to or under all of the following assets, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor and regardless of where located (collectively, the “Additional IP Collateral”):

all Trademarks, including the Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto, and all goodwill of the business symbolized by the foregoing, but excluding any intent-to-use Trademark application prior to the filing and acceptance of a “Statement of Use”, “Declaration of Use”, “Amendment to Allege Use” or similar notice and/or filing with respect thereto, only to the extent, if any, that, and solely during the period if any, in which, the grant of such security interest may impair the validity or enforceability, or result in the voiding, of such intent-to-use Trademark application or any registration issuing therefrom under applicable Requirements of Law;

all reissues, divisions, continuations, continuations-in-part, renewals, and extensions thereof; all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including damages, claims, and payments for past and future infringements thereof; all rights to sue for past, present, and future infringements of the foregoing, including the right to settle

suits involving claims and demands for royalties owing; and all rights corresponding to any of the foregoing; and

all proceeds of the foregoing;

in each case to the extent the foregoing items constitute Collateral.

SECTION 3. **Security Agreement.** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Additional IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement Supplement and the Security Agreement, the terms of the Security Agreement shall govern.

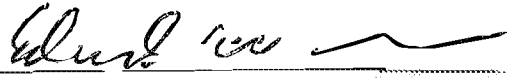

SECTION 4. **Governing Law.** This IP Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 5. **Counterparts and Electronic Signatures.** This IP Security Agreement Supplement may be executed by one or more of the parties hereto on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Signatures delivered by facsimile or PDF or other electronic means shall have the same force and effect as manual signatures delivered in person. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this IP Security Agreement Supplement or any document to be signed in connection with this IP Security Agreement Supplement and the transactions contemplated hereby shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.
