Reference is made to that certain ABL Pledge and Security Agreement, dated as of January 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “Security Agreement”), among the Grantors party thereto and the Collateral Agent. The ABL Lenders (as defined below) have extended credit to the Borrower (as defined in ABL Credit Agreement, dated as of January 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified and in effect on the date hereof, the “Credit Agreement”), among RealTruck Intermediate Holdings, Inc. (f/k/a Truck Hero, Inc.), a Delaware corporation, the lenders and issuing banks from time to time party thereto (the “ABL Lenders”) and BofA, as administrative agent and collateral agent). Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement, the Grantors and the Collateral Agent have entered into that certain ABL Intellectual Property Security Agreement, dated as of January 29, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “IP Security Agreement”). Under the terms of the Security Agreement, the Grantor has granted to the Collateral Agent for the benefit of the Secured Parties a security interest in the Additional IP Collateral (as defined below) and have agreed, consistent with the requirements of Section 4.03(c) of the Security Agreement, to execute this IP Security Agreement Supplement. Now, therefore, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this IP Security Agreement Supplement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of its Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge and grant to the Collateral Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title or interest in, to or under all of the following assets, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor and regardless of where located (collectively, the “Additional IP Collateral”):

all Trademarks, including the Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto, and all goodwill of the business symbolized by the foregoing, but excluding any intent-to-use Trademark application prior to the filing and acceptance of a “Statement of Use”, “Declaration of Use”, “Amendment to Allege Use” or similar notice and/or filing with respect thereto, only to the extent, if any, that, and solely during the period if any, in which, the grant of such security interest may impair the validity or enforceability, or result in the voiding, of such intent-to-use Trademark application or any registration issuing therefrom under applicable Requirements of Law;

all reissues, divisions, continuations, continuations-in-part, renewals, and extensions thereof; all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including damages, claims, and payments for past and future infringements thereof; all rights to sue for past, present, and future infringements of the foregoing, including the right to settle

suits involving claims and demands for royalties owing; and all rights corresponding to any of the foregoing; and

SECTION 3. **Security Agreement.** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Additional IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement Supplement and the Security Agreement, the terms of the Security Agreement shall govern.
