ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

This Assignment of Intellectual Property Rights (“Assignment”) is between Y.G. NOOBAA LTD., an Israel corporation, with its principal place of business at 30 Shaham St., Petach Tikva, Israel 4951726 (“Assignor”), and Red Hat, Inc, a company organized under the laws of Delaware, with its principal place of business at 100 East Davie Street, Raleigh, NC 27601 (“Assignee”).

For good and valuable consideration, the receipt of which is hereby acknowledged, Assignor and Assignee agree to the following:

“Patents” means the patents and patent applications identified in the Patent Annex attached hereto, any patents directly or indirectly issuing from such applications, any foreign counterparts, continuations, continuations-in-part and divisionals of such applications, any reissues, reexaminations and extensions of the foregoing patents, any patents and patent applications claiming priority to or from any of the foregoing, any patents or patent applications terminally disclaimed to or from any of the foregoing, and all patent rights arising from any of the foregoing.

Assignor does hereby irrevocably sell, assign, transfer and convey unto Assignee, and Assignee hereby accepts, all of Assignor’s right, title, and interest in and to (i) the Patents, the same to be held and enjoyed by Assignee for its own use, and for the use of its successors, assigns, or other legal representatives to the end of the term or terms for which such Patents may be granted as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; and (ii) causes of action and enforcement rights for the Patents, including all rights to pursue damages, injunctive relief and other remedies for past and future infringement of the Patents.

Assignor does hereby irrevocably sell, assign, transfer and convey unto Assignee, and Assignee hereby accepts, all of Assignor’s right, title and interest in and to (i) the trademarks identified in the Trademark Annex attached hereto, (ii) all goodwill associated with all of the foregoing, (iii) any and all common law rights, title, and interest associated with the foregoing, and all causes of action, claims and demands and other rights for, or arising from, any infringement, including past infringements, of the foregoing.

This Assignment is binding upon and will inure to the benefit of the parties and their respective successors and assigns.

This Assignment is governed by, and is intended to be construed in accordance with, the laws of the United States in respect to patent and trademark issues and in all other respects by the laws of the State of Delaware, without giving effect to the conflict of laws rules thereof.

IN WITNESS WHEREOF, this Assignment has been executed by or on behalf of Assignor and Assignee by their respective duly authorized representatives as of the execution date indicated below.
