NOTICE  
OF  
GRANT OF SECURITY INTEREST  
IN  
TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Security and Pledge Agreement dated as of April 14, 2023 (as the same may be amended, modified, restated or supplemented from time to time, the “Agreement”) by and among the Obligor from time to time party thereto (each an “Obligor” and collectively, the “Obligors”) and WELLS FARGO BANK, NATIONAL ASSOCIATION, as Administrative Agent (the “Administrative Agent”) for the holders of the Secured Obligations referenced therein, the undersigned Obligor has granted a continuing security interest in, and a right to set off against, the Trademarks and Trademark applications owned by such Obligor and set forth on Schedule 1 attached hereto to the Administrative Agent for the ratable benefit of the holders of the Secured Obligations.

The undersigned Obligor and the Administrative Agent, on behalf of the holders of the Secured Obligations, hereby acknowledge and agree that the security interest in the Trademarks and Trademark applications set forth on Schedule 1 attached hereto (i) may only be terminated in accordance with the terms of the Agreement, (ii) is not to be construed as an assignment of any Trademark or Trademark application, and (iii) shall not include any “intent to use” Trademark applications for which a statement of use has not been filed and accepted (but only until such statement of use is filed and accepted) (but only if the grant of security interest to such “intent to use” Trademark applications could result in the voiding, unenforceability, cancellation or invalidity of such Trademark applications pursuant to 15 U.S.C. § 1060). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Agreement.
