WHEREAS, pursuant to the Credit Agreement, each Grantor is required to execute and deliver to Agent, for the benefit of the Lenders, this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT AND REAFFIRMATION OF SECURITY INTEREST. To secure the payment and performance of the Obligations under the Loan Agreement, each Grantor hereby grants to Agent for its benefit and the benefit of the Lenders, and hereby reaffirms its prior grant pursuant to the Credit Agreement of a continuing security interest in and Lien on all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “IP Collateral”), with power of sale to the extent permitted by law:

(a) all of such Grantor’s copyrights and copyright applications (collectively, “Copyrights”), including without limitation those referred to on Schedule 1 hereto;

(b) all of such Grantor’s issued patents and patent applications (collectively, “Patents”), including without limitation those referred to on Schedule 1 hereto;

(c) all of such Grantor’s trademarks and service marks, and any applications to register the foregoing (collectively, “Trademarks”), and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including without

limitation those referred to on Schedule 1 hereto (excluding, in all cases, any “intent to use” Trademark applications filed pursuant to Section 1(b) of the Lanham Act, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed);

(d) all reissues, continuations or extensions of the foregoing; and

(e) all income, proceeds, damages and royalties now or hereafter due or payable to any Grantor for any of the foregoing, including any damages payable for any claim by such Grantor against third parties for past, present or future infringement or dilution of any Copyright, any Patent, or any Trademark.

Notwithstanding the foregoing, IP Collateral shall not include any Excluded Property.

3. SECURITY FOR OBLIGATIONS. This Agreement and the security interest created hereby secure the payment and performance of all the Obligations under the Credit Agreement, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by any Grantor to Agent, the Lenders or any of them pursuant to the Credit Agreement.

4. CREDIT AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lenders, pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the IP Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. REPRESENTATIONS AND WARRANTIES. All Intellectual Property owned or utilized by Grantor that is subject to a current registration, issuance, or pending application thereof before a Governmental Body or a private domain name registrar is set forth on Schedule I hereto.

Each Grantor shall give prompt notice in writing to Agent with respect to any such new IP Collateral. Without limiting any Grantor’s obligations under this Section 6, each Grantor hereby authorizes Agent unilaterally to modify this Agreement by amending Schedule 1 solely to the extent necessary to include any such new IP Collateral of such Grantor identified in such written notice provided by such Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Agent’s continuing security interest in all IP Collateral, whether or not listed on Schedule 1.

7. GOVERNING LAW. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New

York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

8. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

9. CONSTRUCTION.
