TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT dated as of January 9, 2023 is made by each of the entities listed on the signature pages hereof (each, a “Grantor”, and collectively, the “Grantors”), in favor of JPMorgan Chase Bank, National Association, as Administrative Agent for the benefit of the Secured Parties (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”).

WHEREAS, pursuant to the Term Loan Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”) among The Computing Technology Industry Association, Inc., a Connecticut nonprofit corporation (the “Borrower”), the other Loan Parties party thereto, the Lenders party thereto, and the Administrative Agent, the Lenders have agreed to make Term Loans to the Borrower on and subject to the terms and conditions set forth therein; and

WHEREAS, in connection with the Loan Agreement, all of the Grantors are party to a Pledge and Security Agreement dated as of the date hereof (as amended, supplemented or otherwise modified, renewed or replaced from time to time, the “Security Agreement”), pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, and to induce the Administrative Agent and the Lenders to enter into the Loan Agreement, to induce the Lenders to make their respective Term Loans to the Borrower thereunder, each Grantor hereby agrees with the Administrative Agent, for the benefit of the Secured Parties, as follows:

Section 1. Defined Terms. All uppercase terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges, collaterally assigns and transfers to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties, a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks and all Trademark Licenses providing for the grant by or to such Grantor of any right in, to or under any Trademark, including the U.S. Trademark registrations and U.S. Trademark applications referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, there shall be no security interest or Lien on any Trademark application that is filed on an “intent-to-use” basis (until such time as a statement of use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office).

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the Liens and security interests granted to the Administrative Agent for the benefit of the Secured Parties pursuant to the Security Agreement. Each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent and the obligations of each Grantor with respect to the Liens and security interests in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Security Agreement, the Security Agreement shall govern.

Section 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 5. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT AND THE VALIDITY, INTERPRETATION, CONSTRUCTION, AND PERFORMANCE HEREOF SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF ILLINOIS, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

Section 6. WAIVER OF JURY TRIAL; DISPUTE RESOLUTION; JURISDICTION; VENUE; SERVICE OF PROCESS. EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING (I) TO ENFORCE OR DEFEND ANY RIGHTS UNDER OR IN CONNECTION WITH THIS TRADEMARK SECURITY AGREEMENT, OR (II) ARISING FROM ANY DISPUTE OR CONTROVERSY IN CONNECTION WITH OR RELATED TO THIS TRADEMARK SECURITY AGREEMENT.

Section 7. Miscellaneous. The terms and provisions of Article VII of the Security Agreement is hereby incorporated herein by reference, and shall apply to this Trademark Security Agreement *mutatis mutandis* as if fully set forth herein. This Trademark Security Agreement shall constitute a “Loan Document” for all purposes of the Loan Agreement and the other Loan Documents.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed and delivered as of the date first above written.
