INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, restated or otherwise modified from time to time, this “IP Security Agreement”), dated April 19, 2023, is made by Automated Retail Technologies, LLC, a Wyoming limited liability company (the “Company”), 24/7 Pizza Box, LLC (d/b/a Just Baked), a Florida limited liability company and wholly owned subsidiary of the Company, and Automated Soft Serve Systems LLC (f/k/a Genext Loan LLC), a Wyoming limited liability company and wholly owned subsidiary of the Company, on the one hand, and CPH Capital Fund I, L.P., a Delaware limited partnership (the “Secured Party”), on the other hand. All capitalized terms not otherwise defined herein shall have the meanings respectively ascribed thereto in the Security Agreement (as defined below).

WHEREAS, the Company and the Secured Party are parties to the Secured Convertible Note Purchase Agreement dated as of even date herewith (as amended, restated or otherwise modified from time to time, the “Purchase Agreement”), pursuant to which the Secured Party has advanced funds to the Company in exchange for the issuance to the Secured Party of one or more secured convertible promissory notes and one or more contingent interest notes (collectively, as amended, restated or otherwise modified from time to time, the “Notes”);

WHEREAS, the Purchase Agreement requires that the Company execute and deliver to the Secured Party that certain Pledge and Security Agreement dated as of even date herewith made by the Company to the Secured Party (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”); and

WHEREAS, under the terms of the Security Agreement, the Company has granted to the Secured Party a security interest in, among other property, certain intellectual property of the Company and its wholly owned subsidiaries signatory hereto and has agreed as a condition thereof to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities.

NOW, THEREFORE, in consideration of the premises and the agreements herein and in order to induce the Secured Party to perform under the Purchase Agreement, the parties agree as follows:

SECTION 1. Grant of Security. The Company, 24/7 Pizza Box, LLC and Automated Soft Serve Systems LLC (collectively, the “Grantors”) each hereby grants to the Secured Party a security interest in all of the Company’s right, title and interest in and to the following (the “Collateral”):

- (i) the Patents (including Patent applications) set forth in Schedule A hereto;
- (ii) the Trademarks (including applications therefor) set forth in Schedule A hereto, together with the goodwill symbolized thereby;
- (iii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of and as applicable to any of the

foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Grantors accruing thereunder or pertaining thereto;

(iv) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(v) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Grantors under this IP Security Agreement secures the payment of all obligations of the Company now or hereafter existing under or in respect of the Notes, the Security Agreement and the Purchase Agreement, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor hereby authorizes and requests that the Commissioner for Patents, the Commissioner for Trademarks and any other applicable government officer (and any state, foreign or other authority to which this IP Security Agreement is submitted) record this IP Security Agreement (and any corresponding or separate forms of such jurisdiction) in order to publicly reflect the interests of the Secured Party in the Collateral. All such recordations shall be at the expense of the Secured Party.

SECTION 4. Newly Registered Patents, Trademarks and Copyrights. The Company, on behalf of all of the Grantors, hereby agrees, upon the request of the Secured Party, to provide the Secured Party a schedule of newly registered Patents, Trademarks and Copyrights (if any), of the Grantors no more than four (4) times per calendar year.

SECTION 5. Authorization to Supplement. Each Grantor hereby authorizes the Secured Party to unilaterally modify Schedule A hereto to include references to any registered Patents and Trademarks (or application or license therefor) acquired by any Grantor after the execution hereof, or to delete any reference to any Collateral in which the Grantors no longer have or claim any right, title or interest (in the sole discretion of the Secured Party and without first obtaining the Grantors' approval thereof or signature thereto, but provided that promptly thereafter, the Secured Party provides notice of the same to the Company).

SECTION 6. Transaction Documents. This IP Security Agreement has been entered into in conjunction with the provisions of, and the security interest granted to the Secured Party under, the Security Agreement. The rights and remedies of the Grantors and the Secured Party with respect to the security interest granted herein are in addition and without prejudice to those set forth in the Security Agreement, all terms and provisions of which are hereby

incorporated herein by reference. In the event that any provisions of this IP Security Agreement are deemed to conflict with the Security Agreement, the Purchase Agreement or the Notes, the provisions of the Security Agreement, the Purchase Agreement or the Notes, as applicable, shall govern.

SECTION 7. Termination. Upon the payment in full of the Indebtedness and termination of the Security Agreement, the Secured Party shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Collateral under this IP Security Agreement. Further, the Secured Party hereby acknowledges and agrees that the security interest in the Collateral is not to be construed as an assignment of any underlying trademark, trademark application and/or trademark registration.

SECTION 8. Execution in Counterparts. This IP Security Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument, and any of the parties hereto may execute this Agreement by signing any such counterpart. This IP Security Agreement may be executed and delivered by facsimile, or by e-mail in portable document format (.pdf), and delivery of the signature page by such method will be deemed to have the same effect as if the original signature had been delivered to the other parties.

SECTION 9. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Company and the other Grantors do hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Secured Party with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 10. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[The remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be executed and delivered as of the date first written above.
