### WITNESSETH:

WHEREAS, Assignor and Assignee, entered into that certain Asset Purchase Agreement, dated April 17, 2023 (the "Asset Purchase Agreement"); and

WHEREAS, pursuant to the Asset Purchase Agreement, Assignee shall purchase and accept and Assignor shall transfer and assign to Assignee all of Assignor's right, title and interest in, to, and under Assignor's trademark, and any applications therefor, as well as registrations thereof, including the trademark listed in Schedule A attached hereto and made a part hereof, including all goodwill associated therewith (the "Trademark").

NOW, THEREFORE, in consideration of the promises and covenants set forth herein and in the Asset Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Section 1.1 Assignment. Assignor hereby sells, transfers, conveys, assigns and delivers to Assignee, and Assignee hereby purchases and accepts from Assignor, all of Assignor's right, title and interest in, to, and under the Trademark, including, but not limited to, the goodwill associated therewith and the exclusive rights to (a) bring actions, defend against or otherwise recover for infringements, and the right to the royalties, profits or damages due or accrued, arising out of or in connection with any and all past, present or future infringements of the Trademark, (b) apply for, make filings with respect to and maintain all registrations, renewals and extensions thereof, and (c) all other rights of any kind whatsoever of Assignor accruing thereunder.

Section 1.2 Acknowledgement. Assignor hereby acknowledges and agrees that from and after the date hereof, as between the Parties, Assignee shall be the exclusive owner of the Trademark and Assignor shall not have any rights in and to the Trademark or all similar variations of the Trademark.

Section 1.3 Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate government entity. At Assignee's sole cost and expense, Assignor shall execute and deliver such other documents and take all other actions which Assignee, its successors and/or assigns may reasonably request to affect the terms of this Assignment and to perfect Assignee's right, title and interest in, to and under the Trademark, including, without

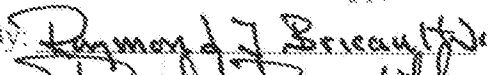

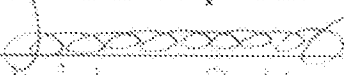

limitation, its recordation in relevant U.S. and foreign local, state and national trademark offices.

Section 1.4 General Provisions. This Assignment and the Asset Purchase Agreement between the Parties hereto, and dated as of the date hereof, constitute the entire understanding and agreement of the Parties hereto regarding the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the Parties hereto. Nothing contained in this Assignment supersedes, alters or modifies any of the obligations, agreements, covenants or warranties of Assignor or Assignee under the Asset Purchase Agreement. In the event of any conflict between the terms of this Assignment and the terms of the Asset Purchase Agreement, the terms of the Asset Purchase Agreement, as applicable, shall control. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by the Parties hereto. The failure of any Party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective Parties and their assigns, transferees and successors.

Section 1.5 Governing Law; Jurisdiction and Venue. This Assignment shall be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction.
