## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of April 28, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “Agreement”), by Brennan Heating and Air Conditioning LLC, a Washington limited liability company, and Evergreen Gas, LLC, an Oregon limited liability company (each, a “Grantor”) in favor of Ares Capital Corporation, in its capacities as administrative agent for the Lenders (as defined in the Credit Agreement referred to in the Security Agreement referred to below) and as collateral agent for the Secured Parties (as defined in the Credit Agreement referred to in the Security Agreement referred to below) (in such capacities, together with its successors in such capacities, the “Agent”).

Reference is hereby made to that certain Pledge and Security Agreement, dated as of April 28, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among the Grantors, the other grantors party thereto and the Agent, pursuant to which the Grantors have granted a security interest to the Agent in the IP Collateral (as defined below) and are required to execute and deliver this Agreement. Consistent with the requirements set forth in Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings assigned to such terms (including by reference to other agreements) in the Security Agreement.

SECTION 2. Grant of Security Interest. As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, hereby grants to the Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of its right, title and interest in and to all of the following personal property, whether now owned by or owing to or hereafter acquired by or arising in favor of such Grantor, and regardless of where located (collectively, the “IP Collateral”):

- (a) all Trademarks listed on Schedule I hereto;
- (b) all rights to sue or otherwise recover for past, present and future misappropriations or infringements of any of the foregoing, including the right to settle suits involving claims and demands for royalties owing;
- (c) all income, royalties, damages, claims and payments now or hereafter due and/or payable with respect thereto, including, without limitation, damages, claims and payments for past and future misappropriations or infringements; and
- (d) all accessions to, substitutions and replacements for and Proceeds and products of the foregoing, together with all books and records, customer lists, credit files, computer files, programs, printouts and other computer materials and records related thereto and any General Intangibles at any time evidencing or relating to any of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

Notwithstanding the foregoing, the term “IP Collateral” (and any component definition thereof) shall not include any Excluded Asset; provided that, for the avoidance of doubt, any proceeds or receivables arising out of any Excluded Asset shall not constitute an Excluded Asset and shall be included within the IP Collateral unless such proceeds or receivables separately constitute an Excluded Asset. Notwithstanding anything to the contrary contained herein, immediately upon the ineffectiveness, lapse or termination of any restriction or condition set forth in the definition of “Excluded Assets” in the Credit

Agreement, the IP Collateral shall include, and the relevant Grantor shall be deemed to have automatically granted a security interest in, all relevant previously restricted or conditioned rights, interests or other assets, as the case may be, as if such restriction or condition had never been in effect.

SECTION 3. Security Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Governing Law. This Agreement and any claim, controversy or dispute arising under or related to this Agreement, whether in tort, contract (at law or in equity) or otherwise, shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

SECTION 5. Termination or Release.

(a) This Agreement shall continue in effect until the Termination Date, and the Liens granted by each relevant Grantor hereunder shall be automatically released and each relevant Grantor shall automatically be released from its obligations hereunder in the circumstances described in Article 8 or Section 9.22 of the Credit Agreement, as applicable.

(b) In connection with any termination or release pursuant to paragraph (a) above, the Agent shall promptly execute (if applicable) and deliver to any Grantor, at such Grantor's expense, all UCC termination statements and similar documents (including security interest termination and release agreements for filing with the United States Patent and Trademark Office) that such Grantor shall reasonably request (such release documentation to be in a form reasonably satisfactory to the Grantor) to evidence and/or effectuate such termination or release. Any execution and delivery of documents pursuant to this Section 5 shall be without recourse to or representation or warranty by the Agent or any Secured Party (other than as to the Agent's authority to execute and deliver such documents). Each Grantor shall reimburse the Agent for all costs and expenses, including any fees and expenses of counsel, incurred by it in connection with any action contemplated by this Section 5 pursuant to and to the extent required by Section 9.03(a) of the Credit Agreement.

(c) The Agent shall have no liability whatsoever to any other Secured Party as the result of any release of IP Collateral by it in accordance with (or which the Agent in good faith believes to be in accordance with) the terms of this Section 5.

SECTION 6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or by email as a ".pdf" or ".tif" attachment or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 7. INTERCREDITOR AGREEMENT GOVERNS. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIENS AND SECURITY INTERESTS GRANTED IN THE IP COLLATERAL TO THE AGENT FOR THE BENEFIT OF THE SECURED PARTIES PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE AGENT AND THE OTHER SECURED PARTIES WITH RESPECT TO ANY IP COLLATERAL

HEREUNDER ARE SUBJECT TO THE PROVISIONS OF EACH APPLICABLE ACCEPTABLE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT BETWEEN THE PROVISIONS OF ANY APPLICABLE ACCEPTABLE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF SUCH ACCEPTABLE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
