WHEREAS, pursuant to the terms of the Security Agreement and in furtherance thereof, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and continue making loans and other financial accommodations to the Borrowers pursuant to the Credit Agreement, each Grantor agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein, terms defined in the Credit Agreement or the Security Agreement and used herein shall have the meanings given to them in the Credit Agreement or the Security Agreement, as applicable.

SECTION 2. Grant of Security Interest. Each Grantor hereby pledges and grants a continuing security interest in all of each Grantor's right, title and interest in, to and under (a) all of its Trademarks and Trademark Licenses, including, without limitation, those listed on Schedule A hereto, (b) all renewals, reversions and extensions of the foregoing, and (c) all income, royalties, proceeds and related rights to payment at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment of any Trademark or any Trademark exclusively licensed under any Trademark Licenses, including the right to receive damages, or right to receive license fees, royalties and other compensation under any Trademark License, in each case, to the extent constituting Collateral (collectively, the "***Trademark Collateral***"), to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, to secure payment, performance and observance of the Secured Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Collateral Agent, for the benefit of the Secured Parties, in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Collateral Agent and the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent and the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Amendments. This Agreement may not be amended, modified or supplemented without the prior written consent of each of the parties hereto.

SECTION 6. Termination.
