(the **Borrower**), Royal Bank of Canada, as administrative agent (the **Administrative Agent**), the Collateral Agent, and the lenders from time to time party thereto (the **Lenders**).

WITNESSETH:

WHEREAS, as required by the Credit Agreement, pursuant to an Amended and Restated Security Agreement dated as of December 11, 2019 between, inter alios, the Grantors party thereto and the Collateral Agent (the **GSA**), each Grantor has granted to the Collateral Agent a security interest in substantially all of such Grantor's property, including, without limitation, the Collateral (as defined below) referred to in Section 1 below; and

WHEREAS, pursuant to the Credit Agreement, each Grantor has agreed to execute this Agreement in respect of its Collateral for recording with the United States Patent and Trademark Office and any other office in which a security interest in the Collateral may be recorded under the laws of any other applicable jurisdiction.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements hereinafter set forth, each Grantor and the Collateral Agent agree as follows:

1 Grant of Security

Each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties, a security interest in and to all of such Grantor's right, title and interest in and to its Patents and Trademarks (each as defined below), whether or not such interest is joint or in common with one or more third parties or another Grantor, including the following (the **Collateral**):

- (a) all present and future United States of America and foreign patents, design patents and certificates of invention that may be developed or acquired by or on behalf of such Grantor, or similar industrial property rights, and applications for any of the foregoing, including, but not limited to, the patents set forth in Schedule A hereto opposite the name of such Grantor, as Schedule A may be supplemented from time to time by supplements to the Security and this Agreement which shall be executed and delivered by such Grantor to the Collateral Agent from time to time, and all reissues, divisions, continuations, continuations-in-part, renewals, extensions and re-examinations thereof and amendments thereto (the **Patents**);

applications for any of the foregoing including, but not limited to, the trademark and service mark registrations, applications, and licenses set forth in Schedule B hereto opposite the name of such Grantor, as Schedule B may be supplemented from time to time by supplements to the Security and this Agreement which shall be executed and delivered by such Grantor to the Collateral Agent from time to time, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof (the **Trademarks**);

- (c) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
- (d) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
- (e) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2 Security for Obligations

3 Scope of Security Interest

To the extent that the creation of the security interest would result in the termination of any agreement, license or permit of the Grantors or to the extent any such Patent or Trademark would otherwise constitute Excluded Collateral (each, a **Restricted Asset**), the security interest will not attach to the Restricted Asset for so long as it remains a Restricted Asset. Notwithstanding anything in this Section 3 to the contrary, each Grantor shall grant to the Collateral Agent a security interest in any Collateral that ceases to be a Restricted Asset as a result of obtaining the consent of the other party or otherwise.

Notwithstanding Section 1, no security interest is or will be granted pursuant hereto in any right, title or interest of any Grantor in, to or under any Excluded Collateral.

In addition to the preceding paragraph, the guarantee, security and perfection requirements under this Agreement shall be subject to the Agreed Security Principles.

4 Recordation

Each Grantor authorizes and agrees that it will, at its own expense, cause this Agreement, and any supplements or amendments thereto, to be recorded at the United States Trademark and Patent Office (and any successor office and any similar office in any United States state). Each Grantor authorizes the United States Commissioner for Patents, the United States Commissioner for Trademarks and any other government officials to record and register this Agreement.

5 Supplemental Security

This Agreement is in addition to and without prejudice to all other security now held or which may hereafter be held by the Collateral Agent.

6 Execution in Counterparts

This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

7 Grants, Rights and Remedies

This Agreement has been entered into in conjunction with the provisions of the Credit Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

8 Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflict of laws principles.

9 US Secured Obligations

Notwithstanding any other provision of this Agreement, the Obligations of each Grantor, to the extent that it is a Tax Excluded Subsidiary, shall not include the US Secured Obligations; provided that the US Borrower may, by notice to the Administrative Agent, provide that the Obligations of any such Grantor include all US Secured Obligations.

10 Intercreditor Agreement

Notwithstanding anything herein, the Liens and Security Interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the terms of the First Lien Intercreditor Agreement, dated as of December 11, 2019 (the "**Original Intercreditor Agreement**"), by and among the Administrative Agent, the Collateral Agent and Wilmington Trust, N.A. (in its capacities as agent and representative (the "**2023 Notes Agent**") pursuant to the Company's 9.750% Senior Secured Notes due 2023) and acknowledged by the Borrower and the other Grantors party thereto, as amended and supplemented by the Joinder No. 1 to First Lien Intercreditor Agreement, dated as of July 1, 2020 (the "**Joinder Agreement**" and the Original Intercreditor Agreement, as amended and supplemented by the Joinder Agreement, and as further amended, restated, amended and restated or otherwise modified from time to time, the "**First Lien Intercreditor Agreement**"), by Wilmington Trust, N.A. (in its capacities as agent and representative pursuant to the Company's 7.54% Senior Secured Notes due 2027) and acknowledged by the Administrative Agent, the Collateral Agent, the 2023 Notes Agent, the Borrower and the other Grantors party thereto. In the event of any conflict between the terms of the First Lien Intercreditor Agreement and this Agreement, the terms of the First Lien Intercreditor Agreement shall govern and control.

11 Conflict of Terms

In the event of any conflict between the provisions of this Agreement and the provisions of the Credit Agreement which cannot be resolved by both provisions being complied with, the provisions contained in the Credit Agreement will prevail to the extent of such conflict.

12 Defined Terms
