Any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, and keep any such damages and relief without accounting to Assignors; and
  7. That portion of Assignors respective businesses to which such trademarks pertain, such businesses being ongoing and existing at the time of transfer.
