WHEREAS, to induce Lender to make Loans to Borrower under the Loan Agreement, Martinizing has agreed to grant Lender a security interest in all of Martinizing's intellectual property;

NOW, THEREFORE, based on these recitals, the mutual covenants, terms, and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. Definitions: Interpretation.

(a) Terms Defined in Loan Agreement or UCC: Construction. All capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings assigned to them in the Loan Agreement. Where applicable in the context of this Agreement and except as otherwise defined herein, terms used in this Agreement shall have the meanings assigned to them in the UCC. In this Agreement, the rules of construction and interpretation applicable to the Loan Agreement shall also be applicable to this Agreement and are incorporated herein by this reference.

(b) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

"Collateral" has the meaning set forth in Section 2.

"Copyright Office" means the United States Copyright Office.

"PTO" means the United States Patent and Trademark Office.

"UCC" means the Uniform Commercial Code as in effect in the State of Missouri.

SECTION 2. Security Interest.

(a) Grant of Security Interest. As security for the payment and performance of Borrower's obligation to Lender under the Loan Agreement and all other documents and instruments executed in connection therewith (the "Loan Documents"), Martinizing hereby grants to Lender a security interest in, and a mortgage upon, all of Martinizing's right, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which Martinizing now has or hereafter owns, acquires or develops an interest and wherever located (collectively, the "Collateral"):

(i) all patents and patent applications, domestic or foreign, all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such patents and patent applications as described in Schedule A), all rights to sue for past, present or future

infringement thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(ii) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names (including any such trademarks, service marks, or other marks or tradenames but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark or other mark), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names and applications as described in Schedule B), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(iii) all copyrights and other intellectual property;

(iv) the entire goodwill of or associated with the businesses now or hereafter conducted by Martinizing connected with and symbolized by any of the aforementioned properties and assets;

(v) all general intangibles and all intellectual or other intangible property of Martinizing of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

(vi) all cash and non-cash proceeds, replacements of, substitutions for and accessions of any and all of the foregoing Collateral (including license royalties, rights to payment, accounts receivable and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not Lender is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral.

SECTION 3. Supplement to Loan Agreement. This Agreement has been entered into in conjunction with the security interests granted to Lender under the Loan Agreement or other security documents referred to therein. SECTION 4. Further Acts. On a continuing basis, Martinizing shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be reasonably necessary or advisable or may be reasonably requested by Lender to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the first perfected security interest granted or purported to be granted hereby, to ensure Martinizing's compliance with this Agreement or to enable Lender to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with the PTO, the Copyright Office or any applicable office. Without limiting Martinizing's obligations under this Section, Martinizing authorizes Lender to modify this Agreement by amending the schedules hereto to include any such new patent, trademark rights, copyrights or applications therefor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend any Schedule shall in any way affect, invalidate or detract from Lender's continuing security interest in all Collateral, whether or not listed on a Schedule hereto.
