THE COURT HEREBY FINDS THAT:⁷

I. Jurisdiction, Final Order, and Statutory Predicates.

A. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(a). Venue is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief requested in the Sale Motion are sections 105(a), 363, and 365 of title 11 of the United States code (the “Bankruptcy Code”), and Rules 2002, 6004, 6006, 9007, and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Bankruptcy Rule 6004-1.

C. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court finds that there is no just reason for delay in

⁷ All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Sale Motion are hereby incorporated herein to the extent not inconsistent herewith.

the implementation of this Sale Order, waives any stay, and directs entry of judgment as set forth herein.

D. On November 14, 2022, the Court entered that certain *Order (I) Approving Bidding Procedures for the Potential Sale of Certain of the Debtors' Assets, (II) Scheduling Certain Dates with Respect Thereto, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Assumption and Assignment Procedures, and (V) Granting Related Relief* [ECF No. 77] (the "Bidding Procedures Order").

II. Notice of the Sale Motion

E. Notice of the Sale Hearing, the Sale (as defined in the Bidding Procedures Order), and the Sale was timely, proper, and reasonably calculated to provide interested parties with appropriate notice of the Sale and the Sale Hearing, and no other or further notice of the Sale Motion, the Sale, or the Sale Hearing is, or shall be, required [D.I. 78, 94 & 95]. The requirements of Bankruptcy Rule 6004(a) and all applicable Local Bankruptcy Rules are satisfied by such notice. The Debtors have complied with the notice procedures set forth in the Bidding Procedures Order in all respects.

F. A reasonable opportunity to object and be heard with respect to the Sale and the Sale Motion and the relief requested therein has been afforded to all interested persons and entities, including the Notice Parties. The disclosures made by the Debtors concerning the Agreement, the Sale, and the Sale Hearing were sufficient, complete, and adequate.

III. Good Faith of Purchaser.

G. The Agreement was negotiated, proposed, and entered into by the Debtors and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions.

H. Neither the Debtors nor the Purchaser has engaged in any conduct that would cause or permit the Agreement or the Sale to be avoided, consummation of the Sale to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code. All payments to be made by the Purchaser and other agreements or arrangements entered into by the Purchaser in connection with the Sale have been disclosed. The Purchaser is not an “insider” of any Debtor, as that term is defined in section 101(31) of the Bankruptcy Code. The Purchaser is purchasing the Assets in good faith and is a good-faith buyer within the meaning of, and is entitled to all of the protections afforded under, section 363(m) of the Bankruptcy Code.

IV. Highest or Otherwise Best Offer.

I. The Debtors’ marketing and Auction process, including the Debtors’ extensive prepetition marketing process, afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Assets. The Debtors and their representatives conducted the marketing process in accordance with the Bidding Procedures Order in all respects. Based on the record of these proceedings, all creditors and other parties in interest and all prospective purchasers have been afforded a reasonable and fair opportunity to bid for the Debtors’ assets, including the Assets.

J. The Debtors conducted a fair and open sale process in a manner reasonably calculated to produce the highest or otherwise best offer for the Assets in compliance with the Bidding Procedures Order. The sale process and Bidding Procedures were noncollusive, substantively and procedurally fair to all parties and to each person or entity entitled to participate in the Auction pursuant to the Bidding Procedures Order, and each person or entity entitled to participate in the Auction pursuant to the Bidding Procedures Order was afforded notice and a full, fair, and reasonable opportunity to make a higher or otherwise better offer for the Assets. The

Bidding Procedures, as they may have been amended or modified in accordance with their terms, have been complied with in all respects by the Debtors and the Purchaser.

K. The Agreement constitutes the highest or otherwise best offer for the Assets, and the Debtors' determination, in consultation with the Consultation Parties, that the Agreement constitutes the highest or otherwise best offer for the Assets constitutes a valid and sound exercise of the Debtors' business judgment consistent with their fiduciary duties and applicable law. The consideration provided by the Purchaser for the Assets provides fair and reasonable consideration to the Debtors for the sale of the Assets and the assumption of all Assumed Liabilities, and the performance of the other covenants set forth in the Agreement will provide a greater recovery for the Debtors' estates than would have been provided by any other available alternative.

L. Approval of the Sale Motion and the Agreement, and consummation of the transactions contemplated thereby, are in the best interests of the Debtors' estates, the Debtors' creditors, and other parties in interest. The Debtors have established that compelling circumstances exist for the Sale outside the ordinary course of business and a chapter 11 plan of reorganization, in that, among other things, the immediate consummation of the Sale is necessary and appropriate to preserve and maximize the value of the Debtors' estates and to adhere to the terms of the Milestones (as defined in the cash collateral orders). To maximize the value of the Assets, preserve the viability of the business to which the Assets relate, and adhere to the Milestones, it is essential the Sale occur promptly.

M. Each of Silicon Valley Bank ("SVB") and SVB Innovation Credit Fund VIII, L.P. ("SVB Capital") consent to entry of this Sale Order, the Sale, and the other transactions contemplated in connection therewith. The Debtors and each of SVB and SVB Capital acknowledge and agree that the Milestones shall be deemed satisfied so long as the Sale is

consummated and paydown of the SVB Loan Obligations occurs in accordance with the Sale Order on or before December 16, 2022.

V. No Successor Liability.

N. No sale, transfer or other disposition of the Assets pursuant to the Agreement, or entry into the Agreement, will subject the Purchaser to any liability for claims, obligations, or encumbrances asserted against the Debtors or the Debtors' interests in the Assets—other than the Permitted Encumbrances and Assumed Liabilities as and to the extent set forth in the Agreement—by reason of such transfer under any laws, including any bulk-transfer laws or any theory of successor or transferee liability, antitrust, environmental, product line, *de facto* merger, or substantial continuity or similar theories. By virtue of the consummation of the transactions contemplated under the Agreement, (i) the Purchaser is not a mere continuation of the Debtors or their estates and there is no continuity of enterprise between the Purchaser and the Debtors, (ii) the Purchaser is not holding itself out to the public as a continuation of the Debtors or their estates, including, but not limited to, any warranty or similar obligations, and (iii) the Sale does not amount to a consolidation, merger, or *de facto* merger of the Purchaser and the Debtors or the Debtors' estates. Accordingly, the Purchaser is not and shall not be deemed a successor to the Debtors or their estates by reason of any theory of law or equity, and, except with respect to any Permitted Encumbrances and Assumed Liabilities, the Purchaser's acquisition of the Assets shall be free and clear of any "successor liability" claims of any nature whatsoever. The Purchaser would not acquire the Assets but for the protections against any claims based upon "successor liability" theories.

VI. Validity of Transfer.

O. The Agreement was not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession, or the District of Columbia. None of the Debtors or the Purchaser is entering into the transactions contemplated by the Agreement fraudulently under applicable federal and state fraudulent conveyance and fraudulent transfer laws.

P. The Debtors are the sole and lawful owners of the Assets. The Assets constitute property of the Debtors' estates, and title to the Assets is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code. The Debtors have full corporate power and authority (i) to perform all of their obligations under the Agreement and the Transaction Documents and (ii) to consummate the Sale. Subject to the entry of this Sale Order, no further consents or approvals are required for the Debtors to consummate the Sale or otherwise perform their obligations under the Agreement or applicable Transaction Documents. As of the Closing, the transfer of the Assets to the Purchaser, including, without limitation, the assumption, assignment, and transfer of the Assumed Contracts, will be a legal, valid, and effective transfer thereof, and will vest the Purchaser with all right, title, and interest of the Debtors in and to the Assets, free and clear of all Interests (as defined below) accruing or arising any time prior to the Closing, except as expressly set forth in the Agreement.

Q. The transfer of each of the Assets to the Purchaser will be, as of the Closing Date, a legal, valid, and effective transfer of the Assets, which transfer vests or will vest the Purchaser with all right, title, and interest of the Debtors to the Assets free and clear of (a) all liens (including any liens as that term is defined in section 101(37) of the Bankruptcy Code) and encumbrances relating to, accruing, or arising at any time prior to the Closing Date (collectively, the "Liens") and

(b) all debts arising under, relating to, or in connection with any act of the Debtors or claims (as that term is defined in section 101(5) of the Bankruptcy Code), (collectively, as defined in this clause (b), “Claims”), relating to, accruing or arising at any time prior to entry of this Sale Order, with the exception of any such Liens or Claims that are expressly assumed by Purchaser or otherwise permitted under the Agreement (the “Permitted Encumbrances”), including, for the avoidance of doubt, monetary obligations under the Assumed Contracts (the “Cure Costs”) or any other obligations arising under the Assumed Contracts to the extent set forth in the Agreement.

R. Entry into the Agreement and the transactions contemplated thereby and hereby neither impermissibly restructure the rights of the Debtors’ creditors nor impermissibly dictate the terms of a chapter 11 plan. Entry into and performance under the Agreement and this Sale Order does not constitute a *sub rosa* chapter 11 plan.

VII. Section 363(f) Is Satisfied.

S. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full; therefore, the Debtors may sell the Assets free and clear of any interest in the property other than the Permitted Encumbrances.

T. The Purchaser would not have entered into the Agreement and would not consummate the transactions contemplated thereby if the sale of the Assets to the Purchaser were not free and clear of all Liens and Claims, other than Permitted Encumbrances, or if the Purchaser would, or in the future could, be liable for any of such Liens and Claims (other than the Permitted Encumbrances).

U. The Debtors may sell the Assets free and clear of all Liens and Claims against the Debtors, their estates, or any of the Assets (except the Permitted Encumbrances) because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has

been satisfied. Those holders of Liens or Claims against the Debtors, their estates, or any of the Assets who did not object, who withdrew their objections, or whose objections were overruled, to the Sale, or the Sale Motion are deemed to have consented, to the extent such holders received notice of the Sale, pursuant to section 363(f)(2) of the Bankruptcy Code. All other holders of Liens or Claims (except to the extent that such Liens or Claims are Permitted Encumbrances) are adequately protected by having their Liens or Claims, if any, in each instance against the Debtors, their estates, or any of the Assets, attach to the net cash proceeds of the Sale ultimately attributable to the Assets in which such creditor alleges a Lien or Claims, in the same order of priority, with the same validity, force, and effect that such Liens or Claims had prior to the Sale, subject to any claims and defenses the Debtors and their estates may possess with respect thereto.

VIII. Cure Costs and Adequate Assurance of Future Performance.

V. The assumption and assignment of the executory contracts and/or unexpired leases listed in the Agreement (the “Assumed Contracts”) pursuant to the terms of this Sale Order is integral to the Agreement and is in the best interests of the Debtors and their estates, their creditors, and all other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors. Subject to the terms and conditions of the Agreement, the Purchaser shall: (a) to the extent necessary, cure or provide adequate assurance of cure, of any default existing prior to the date hereof with respect to the Assumed Contracts, within the meaning of sections 365(b)(1)(A) and 365(f)(2)(A) of the Bankruptcy Code, and (b) to the extent necessary, provide adequate assurance to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof with respect to the Assumed Contracts, within the meaning of sections 365(b)(1)(B) and 365(f)(2)(A) of the Bankruptcy Code. The Purchaser’s obligation under the Agreement to pay the Cure Costs and to perform the obligations under the Assumed Contracts

shall constitute adequate assurance of future performance within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code.

IX. No Third-Party Beneficiaries.

W. Except as stated expressly in the Agreement or this Sale Order, nothing in the Agreement creates any third-party beneficiary rights in any entity not a party to the Agreement.

X. Compelling Circumstances for an Immediate Sale.

X. The Debtors have articulated good and sufficient reasons for approval of the Agreement and the Sale. The relief requested in the Sale Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest. The Debtors have demonstrated both (a) good, sufficient, and sound business purposes and justifications for approving the Agreement, and (b) compelling circumstances for consummating the Sale outside the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code, in that, among other things, the immediate consummation of the Sale to the Purchaser is necessary and appropriate to maximize the value of the Debtors' estates and the Sale will permit the Debtors to maximize distributions to creditors.

THE COURT HEREBY ORDERS THAT:

I. General Provisions.

1. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to these Chapter 11 Cases pursuant to Bankruptcy Rule 9014. To the extent that any findings of fact constitute conclusions of law, they are adopted as such. To the extent any conclusions of law constitute findings of fact, they are adopted as such.

2. The relief requested in the Sale Motion, and the transactions contemplated thereby and by the Agreement, are approved as set forth in this Sale Order and on the record of the Sale Hearing, which is incorporated herein as if set forth fully in this Sale Order, and the Sale contemplated by the Agreement is approved.

3. Any objections to the Sale Motion or the relief requested therein that have not been withdrawn, waived, or settled as announced to the Court at the Sale Hearing or by stipulation filed with the Court, and all reservations of rights included in such objections or otherwise, are hereby denied and overruled on the merits with prejudice. To the extent such parties received notice of the Sale, those parties who did not object or withdrew their objections to the Sale Motion are deemed to have consented to the Sale under to section 363(f)(2) of the Bankruptcy Code.

II. Approval of the Agreement.

4. The Debtors are authorized to enter into and perform under the Agreement and all other ancillary documents.

5. Pursuant to sections 363(b) and (f) of the Bankruptcy Code, the Debtors are authorized and empowered to take any and all actions they deem necessary or appropriate in relation to (a) consummating the Sale pursuant to and in accordance with the terms and conditions of the Agreement and this Sale Order, and (b) executing and delivering, performing under, implementing, and fully closing the transactions contemplated under the Agreement, including the assumption and assignment to the Purchaser of the Assumed Contracts, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Agreement and the Sale.

6. This Sale Order shall be binding in all respects upon the Debtors, their estates, all creditors of and holders of equity interests in any Debtor, any holders of Liens, Claims, or other

interests (whether known or unknown) in, against, or on all or any portion of the Assets, all counterparties to any executory contract or unexpired lease of the Debtors, the Purchaser and all successors and assigns of the Purchaser, and any trustees, if any, subsequently appointed in any of the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code of any such case. This Sale Order and the Agreement shall inure to the benefit of the Debtors, their estates, the Purchaser, and the respective successors and assigns of each of the foregoing.

III. Transfer of the Assets.

7. Pursuant to sections 105(a), 363(b), 363(f), 365(b), and 365(f) of the Bankruptcy Code, the Debtors are authorized to transfer the Assets to the Purchaser in accordance with the terms of the Agreement, and such transfer shall constitute a legal, valid, binding, and effective transfer of such Assets. Such transfer shall vest Purchaser with title to the Assets and, other than the Permitted Encumbrances, shall be free and clear of all Liens, Claims, and other interests of any kind or nature whatsoever, with all such Liens, Claims, or other interests to attach to the net cash proceeds ultimately attributable to the property against or in which such Liens, Claims, or other interests are asserted, subject to the terms thereof, with the same validity, force, and effect, and in the same order of priority, which such Liens, Claims, or other interests had prior to the Sale, subject to any rights, claims, and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

8. The Debtors are hereby authorized to take any and all actions they deem necessary or appropriate to consummate the transactions contemplated under the Agreement and this Sale Order, including any act or omission that otherwise would require further approval by shareholders, members, or their boards of directors, as the case may be, without the need to obtain such approvals.

9. The transfer of the Assets to the Purchaser under the Agreement does not require any consents other than as specifically provided for in the Agreement. Each and every federal, state, and local governmental agency or department is hereby authorized to accept any and all documents and instruments necessary or appropriate to consummate the transactions contemplated by the Agreement. A certified copy of this Sale Order may be filed with the appropriate clerk or recorded with the recorder of any state, county, or local authority to act to cancel any of the Liens, Claims, and other encumbrances of record, except those assumed as Permitted Encumbrances.

10. If any person or entity that has filed statements or other documents or agreements evidencing Claims or Liens on, or interests in, all or any portion of the Assets (other than statements or documents with respect to Permitted Encumbrances) shall not have delivered to the Debtors, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements, and any other documents necessary for the purpose of documenting the release of all Claims, Liens, or interests which the person or entity has or may assert with respect to all or any portion of the Assets, the Debtors are hereby authorized, and the Purchaser is hereby authorized, on behalf of the Debtors and the Debtors' creditors, to execute and file such statements, instruments, releases and other documents on behalf of such person or entity with respect to the Assets. The Debtors and Purchaser are each authorized to file a copy of this Sale Order, which, upon filing, shall be conclusive evidence of the release and termination of such Claim, Lien, or interest.

11. This Sale Order is and shall be binding upon and govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other

persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing persons and entities is hereby authorized to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement. All entities or persons described in this paragraph are authorized to strike all recorded liens and encumbrances against the Assets (aside from the Permitted Encumbrances) from their records, official and otherwise.

12. All persons and entities that are presently, or on the Closing may be, in possession of some or all of the Assets to be sold, transferred or conveyed to the Purchaser under the Agreement are hereby directed to surrender possession of the Assets to the Purchaser on or immediately after the Closing Date. Subject to the terms, conditions, and provisions of this Sale Order, all persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Assets to the Purchaser in accordance with the terms of the Agreement and this Sale Order.

IV. Assumption and Assignment of Assumed Contracts.

13. The Debtors are hereby authorized and directed in accordance with sections 105(a), 363, and 365 of the Bankruptcy Code to (a) assume and assign to Purchaser, in accordance with the terms of the Agreement, the Assumed Contracts free and clear of all Liens, Claims, and other interests of any kind or nature whatsoever (other than the Permitted Encumbrances), and (b) execute and deliver to Purchaser such documents or other instruments as Purchaser reasonably deems necessary to assign and transfer the Assumed Contracts to Purchaser.

14. With respect to the Assumed Contracts: (a) the Debtors may assume each of the Assumed Contracts in accordance with section 365 of the Bankruptcy Code; (b) the Debtors may transfer and assign each Assumed Contract in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assumed Contract that prohibit or condition the transfer or assignment of such Assumed Contract or allow the party to such Assumed Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Contract, constitute unenforceable anti-assignment provisions which are void and of no force and effect; and (c) all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to Purchaser of each Assumed Contract have been satisfied. The Assumed Contracts shall be transferred and assigned to, and following the Closing of the Sale remain in full force and effect for the benefit of, Purchaser, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(c) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Assumed Contracts after such assumption and assignment to Purchaser.

15. Any defaults or other obligations of the Debtors under the Assumed Contracts arising or accruing prior to the closing of the Sale or required to be paid or performed pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assumed Contracts, shall be cured by the Purchaser.

16. Upon the Closing, in accordance with sections 363 and 365 of the Bankruptcy Code, the Purchaser shall be fully and irrevocably vested in all right, title and interest of each Assumed Contract. Each of the Assumed Contracts shall be assumed and assigned to the Purchaser

free and clear of all Liens, Claims, or other encumbrances (other than the Assumed Liabilities, the Permitted Encumbrances, or otherwise as set forth in the Agreement).

17. To the extent such party received notice of the Sale, each Assumed Contract counterparty is deemed to have consented to assumption and assignment and the Purchaser shall be deemed to have demonstrated adequate assurance of future performance with respect to such Assumed Contract pursuant to sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code.

18. Upon the Debtors' assignment of the Assumed Contracts to the Purchaser under the provisions of this Sale Order, any additional orders of this Court, and the payment of any Cure Costs pursuant to the terms hereof or the Agreement, no default shall exist under any Assumed Contract, and no counterparty to any Assumed Contract shall be permitted (a) to declare a default by the Purchaser under such Assumed Contract or (b) to otherwise take action against the Purchaser as a result of any Debtors' financial condition, bankruptcy, or failure to perform any of its obligations under the relevant Assumed Contract. Each non-Debtor party to an Assumed Contract hereby is also forever barred, estopped, and permanently enjoined from (i) asserting against the Debtors or Purchaser, or the property of any of them, any default or Claim arising out of any indemnity obligation or warranties for acts or occurrences arising prior to or existing as of the closing of the Sale, or, against Purchaser, any counterclaim, defense, setoff, or any other Claim asserted or assertable against the Debtors and (ii) imposing or charging against Purchaser or its affiliates any rent accelerations, assignment fees, increases, or any other fees as a result of the Debtors' assumption and assignments to Purchaser of the Assumed Contracts.

19. The Purchaser shall be deemed to be substituted for the Debtors as a party to the applicable Assumed Contracts, and pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability under the Assumed Contracts. Consistent with the

Bidding Procedures Order and the Agreement, to the extent a Cure Objection remains unresolved with respect to an Assumed Contract as of the Closing, such Assumed Contract may be conditionally assumed and assigned to the Purchaser at the Closing pending a resolution of the Cure Objection after notice and a hearing, and the Purchaser, with the prior written consent of the Debtors (which consent shall be deemed given so long as the Purchaser assumes any liabilities of the estate that arise as a result of such delay), shall have the right to designate such Assumed Contract as an Excluded Asset after Closing Date if the Cure Objection is not resolved on terms satisfactory to the Purchaser in its sole and absolute discretion. Any other unresolved objection to the proposed assumption and assignment of an Assumed Contract shall be continued until at least the earlier of the Closing Date, the date on which the Purchaser reclassifies such Assumed Contract as an Excluded Asset, or such other date as the Debtors may consent to in writing (which consent shall be deemed given so long as the Purchaser assumes any liabilities of the estate that arise as a result of such delay).

20. Notwithstanding anything to the contrary contained in the Agreement or in this Order, the lease of non-residential real property between the Debtors and the Goose Island Landlord, or any executory contract with Oracle, shall not be assumed or assumed and assigned unless and until a subsequent order of this Court approving such assumption or assumption and assignment, or an agreement between the Debtors, the Purchaser, Oracle, and the Goose Island Landlord, as applicable. For the avoidance of doubt, none of the findings of fact or conclusions of law contained in this Order shall be binding upon or otherwise applicable to the Goose Island Landlord or the underlying lease unless and until entry of a further order of this Court, or an agreement between the Debtors, the Purchaser, Oracle, and the Goose Island Landlord, as applicable.

21. All non-Debtor counterparties to the Assumed Contracts shall cooperate and expeditiously execute and deliver, upon the reasonable requests of the Purchaser, and shall not charge the Debtors or the Purchaser for any instruments, applications, consents, or other documents that may be required or requested by any public authority or other party or entity to effectuate the applicable transfers in connection with the sale of the Assets.

V. Prohibition of Actions against the Purchaser.

22. Except for the Permitted Encumbrances, or as otherwise expressly provided for in this Sale Order or the Agreement, the Purchaser shall not have any liability or other obligation of the Debtors arising under or related to any of the Assets. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein or in the Agreement, the Purchaser shall not be liable for any Claims or Liens against the Debtors or any of their predecessors or affiliates, and the Purchaser shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, under any theory of antitrust, environmental, successor, or transferee liability, labor law, *de facto* merger, mere continuation, or substantial continuity, whether known or unknown, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether liquidated or unliquidated, including, but not limited to, liabilities on account of warranties, intercompany loans, and receivables among the Debtors, and any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of any of the Assets prior to the closing of the Sale. The Purchaser has given substantial consideration under the Agreement for the benefit of the holders of any Liens or Claims. The consideration to be paid by the Purchaser shall constitute valid and valuable consideration for the releases of any potential claims of successor liability against the Purchaser,

which releases shall be deemed to have been given in favor of the Purchaser by all holders of Liens or Claims against or interests in the Debtors or any of the Assets.

23. Except with respect to Permitted Encumbrances, or as otherwise permitted by the Agreement or this Sale Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, litigation claimants, and other creditors, holding Liens, Claims, or other interests of any kind or nature whatsoever against or in all or any portion of the Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to the Debtors, the Assets, the operation of the Debtors' business prior to the Closing of the Sale, or the transfer of the Assets to the Purchaser, hereby are forever barred, estopped and permanently enjoined from asserting against the Purchaser, any of the Purchaser's affiliates, successors, or assigns, their property or the Assets, such persons' or entities' Liens, Claims, or interests in and to the Assets, including, without limitation, the following actions: (a) commencing or continuing in any manner any action or other proceeding against the Purchaser, its affiliates, its successors, assets or properties; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Purchaser, its affiliates, its successors, assets, or properties; (c) creating, perfecting, or enforcing any Lien or other Claim against the Purchaser, its affiliates, its successors, assets, or properties; (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Purchaser, its affiliates or its successors; (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Sale Order or other orders of the Court, or the agreements or actions contemplated or taken in respect thereof; or (f) revoking, terminating or failing or

refusing to transfer or renew any license, permit or authorization to operate any of the Assets or conduct any of the businesses operated with the Assets.

24. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Assets to the Purchaser in accordance with the terms of the Agreement and this Sale Order.

VI. Releases.

25. Except with respect to the obligations under this Sale Order and the Agreement, effective upon the Closing Date, each of the Purchaser, on the one hand, and the Debtors, on the other hand, on behalf of themselves and each of their Related Parties (as defined below), shall irrevocably and unconditionally release, remise, and forever discharge each other and each of their respective affiliates, subsidiaries, and successors, and all of their respective past, present and future shareholders, partners, members, board of directors and/or supervisors, managers, officers, employees, agents, representatives, attorneys, and advisors (collectively and solely in their capacities as such, their "Related Parties") from any and all suits, legal or administrative proceedings, Claims, demands, damages, losses, costs, liabilities, interest or causes of action whatsoever at law or in equity, known or unknown, which such releasing party might now or subsequently may have, based on, relating to, or arising out of the marketing process, the Agreement, the Sale, the ownership or use of the Assets, including breaches of statutory or implied warranties, nuisance or other tort actions, rights to punitive damages, common law rights of contribution; *provided, however*, that nothing herein shall release any claims or causes of action that the Purchaser or the Debtors may have to enforce the terms of the Agreement, this Sale Order, and any other order of the Court.

VII. Other Provisions.

26. The consideration provided by the Purchaser under the Agreement was negotiated in good faith and at arm's-length and constitutes reasonably equivalent value and fair consideration for the Assets under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, and under the laws of the United States, any state, territory, possession, or the District of Columbia. The terms and conditions set forth in the Agreement and all ancillary documents filed therewith or described therein are fair and reasonable under these circumstances and were not entered into with the intent to, nor for the purpose of, nor do they have the effect of, hindering, delaying, or defrauding the Debtors or their creditors under any applicable laws. Neither the Debtors nor the Purchaser is entering into the Agreement and any ancillary documents filed therewith or described therein or proposing to consummate the Sale fraudulently, for the purpose of statutory or common law fraudulent conveyance or fraudulent transfer claims, whether under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof, or the District of Columbia or any other applicable jurisdiction.

27. The Debtors and their respective officers, directors, employees, agents, advisors, attorneys, and other representatives actively participated in the marketing process and respectively acted in good faith. The transactions contemplated by the Agreement were negotiated and entered into based upon arm's-length bargaining, without collusion or fraud, and in good faith as that term is used in section 363(m) of the Bankruptcy Code. The Purchaser is entering into the Agreement in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and is a good faith purchaser for value within the meaning of section 363(m) of the Bankruptcy Code and the court decisions applying or interpreting such provision. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of

the Sale or the assumption and assignment of the Assumed Contracts, unless such authorization and such Sale are duly stayed pending such appeal. Neither the Debtors nor the Purchaser have engaged in any conduct that would cause or permit the Sale, the Agreement, or any related action or the transactions contemplated thereby to be avoided or subject to monetary damages under section 363(n) of the Bankruptcy Code, or that would prevent the application of section 363(m) of the Bankruptcy Code. The Purchaser is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code.

28. The automatic stay pursuant to section 362 of the Bankruptcy Code is lifted to the extent necessary, without further order of this Court, to allow the Purchaser and the Debtors to (a) deliver any notice provided in the Agreement and any ancillary documents, and (b) take any and all actions permitted under this Sale Order, the Agreement, and any ancillary documents in accordance with the terms and conditions thereof.

29. For cause shown, pursuant to Bankruptcy Rules 6004(h) and 7062(g), this Sale Order shall not be stayed, shall be effective immediately upon entry, and the Debtors and Purchaser are authorized to close the Sale immediately upon entry of this Sale Order.

30. The failure to specifically include any particular provision of the Agreement in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety; *provided* that this Sale Order shall govern if there is any inconsistency between the Agreement (including all ancillary documents executed in connection therewith) and this Sale Order.

31. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in accordance with the terms

thereof, without further order of the Court: *provided, however*, that any such modification, amendment or supplement that is material shall be subject to further order of the Court.

32. From time to time, as and when requested, all parties to the Sale shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as the requesting party may reasonably deem necessary or desirable to consummate the Sale, including such actions as may be necessary to vest, perfect or confirm or record or otherwise in the Purchaser, its right, title and interest in and to the Assets.

33. **Manufacturers Capital.** Manufacturers Capital, a division of Commercial Credit Group, Inc., submitted a credit bid of \$203,512.30 (the “CCG Credit Bid”) in respect of certain equipment upon which Manufacturers Capital asserts a first priority Lien (as more fully described in CCG’s Qualified Bid, the “Equipment”) that is in Asset. Because the Equipment is not subject to the Sale with the Purchaser, the Debtors have determined that Manufacturers Capital is the Successful Bidder for the Equipment and the CCG Credit Bid shall be deemed a successful bid for the Equipment in full and final satisfaction of any Claim that Manufacturers Capital has or may assert against the Debtors, the estates, or the Related Parties. Manufacturers Capital, or its designee, shall use commercially reasonable efforts to take possession of the Equipment by December 31, 2022, and the Debtors and Purchaser shall work cooperatively with Manufacturers Capital to facilitate same. CCG shall not be required to pay any costs associated with the Sale and the Equipment shall not be surcharged pursuant 11 U.S.C. § 506(c) or otherwise.

34. **SVB & SVB Capital.** Notwithstanding anything to the contrary herein, the Debtors are hereby authorized and directed to pay the proceeds of the Sale, after escrowing the investment banking sale fees (the “Collateral Proceeds”) to SVB on or before December 16, 2022,

or such other outside date agreed between the Debtors and SVB; *provided*, that, to the extent the SVB Loan Obligations (as defined in the Cash Collateral Orders) are indefeasibly paid in full in cash, any remaining Collateral Proceeds shall be treated as follows: (a) any amount necessary for the Debtors to have sufficient cash to fund the wind down budget described below shall be paid to the Debtors, and (b) (i) fifty percent of the remainder shall be held by the Debtors in escrow pending further order of the Court, and (ii) the other fifty percent shall be paid to SVB Capital, provided, that, to the extent the SVB Capital Loan Obligations (as defined in the Cash Collateral Orders) are indefeasibly paid in full in cash, any remaining proceeds shall be paid to the Debtors (the “Remaining Proceeds”). For purposes of subpart (b) of the preceding sentence, the Debtors anticipate, upon Closing, escrowing approximately \$2 million and paying to SVB Capital approximately \$2 million. Notwithstanding the foregoing, any amounts paid to SVB or SVB Capital pursuant to this paragraph shall be subject to disgorgement to the extent that there is a successful Challenge (as defined in the Cash Collateral Orders) that impacts SVB’s collateral position or SVB Capital’s collateral position, respectively.

35. Upon the satisfaction of the SVB Loan Obligations in full in cash, the Debtors shall be authorized to use all cash held by the Debtors, including the Remaining Proceeds, in accordance with (i) the Budget (as defined in the Cash Collateral Orders) plus incremental Debtor professional fees incurred during the auction process, and (ii) the wind down budget as agreed by the Debtors, SVB, and SVB Capital, in consultation with the Committee, provided that such budget, excluding any amounts owed as adequate protection to SVB or SVB Capital, shall not be less than \$550,000, comprised of \$250,000 of Debtor professional fees and \$300,000 in other administrative claims, plus any amount agreed to by the Debtors, SVB, SVB Capital, and the Committee (or otherwise ordered by the Court) on account of Committee professional fees.

36. The Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Sale Order and the Agreement, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which any Debtor is a party or which has been assigned by the Debtors to the Purchaser, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Sale, including, but not limited to, retaining jurisdiction to: (a) compel delivery of the Assets to the Purchaser; (b) interpret, implement, and enforce the provisions of this Sale Order; (c) protect Purchaser against any Liens, Claims, or other interest in or against the Sellers or the Assets of any kind or nature whatsoever, attaching to the proceeds of the Sale; and (d) enter any orders under sections 363 and 365 of the Bankruptcy Code with respect to the Assumed Contracts.

37. The provisions of this Sale Order are non-severable and mutually dependent.

ARTICLE 2

ACQUIRED ASSETS AND ASSUMPTION OF LIABILITIES

2.1 Assets to be Acquired. Subject to entry of the Sale Order, and the terms and conditions of this Agreement and the Sale Order, at the Closing, Sellers shall sell, assign, transfer and deliver to Buyer, and Buyer shall purchase and acquire from Sellers, all of Sellers' right, title and interest, free and clear (except for the Permitted Liens and Assumed Liabilities) of all Liens, Claims (as defined in the Sale Order) and interests, in each and all of the Acquired Assets. Notwithstanding anything to the contrary, Buyer shall only acquire the Acquired Assets and neither Buyer nor any Affiliate of Buyer shall acquire, and there shall be excluded from the definition of Acquired Assets, any and all Excluded Assets.

2.2 Liabilities to be Assumed by Buyer. Subject to the terms and conditions of this Agreement, at the Closing, Sellers shall assign to Buyer, and Buyer shall assume from Sellers and pay when due, perform and discharge, in due course, each of the Assumed Liabilities.

2.3 Excluded Liabilities. Notwithstanding anything in this Agreement to the contrary, Buyer shall not and does not assume, and shall not be obligated to pay, perform, discharge or in any other manner be liable or responsible for, any Excluded Liabilities.

2.4 Receipt of Misdirected Assets; Liabilities. If after the Closing (i) Buyer or any of its Affiliates holds any Excluded Assets or Excluded Liabilities or (ii) any Seller holds any Acquired Assets or Assumed Liabilities, Buyer or the applicable Seller, will promptly transfer (or cause to be transferred) such assets or assume (or cause to be assumed) such Liabilities to or from (as the case may be) the other Party. Prior to any such transfer, the Party receiving or possessing any such asset will hold it in trust for such other Party.

2.5 Assumption and Assignment of Contracts and Leases.

(a) Sellers shall assign all Contracts (which, for the avoidance of doubt, shall include all purchase orders or other agreements contemplated or governed by any of the listed Contracts) and Leases of the Sellers listed on Section 2.5(a) of the Disclosure Schedules to Buyer, effective on and as of the Closing (such Contracts, the "Assumed Contracts", and such Leases, the "Assumed Leases"); provided, however, Buyer may, in its sole and absolute discretion, at any time at least one (1) Business Day prior to the Closing, by written notice to Sellers, add or remove Assumed Contracts and Assumed Leases from Section 2.5(a) of the Disclosure Schedules. If any Contract is added to the list of Acquired Assets pursuant to the foregoing sentence, then the applicable Seller shall take such steps as are reasonably necessary to cause such Contract to be assigned to Buyer as promptly as possible at or following the Closing.

(b) At the Closing, Sellers shall, pursuant to the Sale Order, the Bill of Sale and Assignment and Assumption Agreement, and the IP Assignment Agreement, sell, and assign to Buyer (the consideration for which is included in the Purchase Price), all Assumed Contracts and Assumed Leases pursuant to sections 363 and 365 of the Bankruptcy Code, as applicable. At the

Closing, Buyer shall assume, and thereafter in due course and in accordance with its respective terms (as may be amended) pay, fully satisfy, discharge and perform when due all Cure Costs and obligations under each Assumed Contract and Assumed Lease that are Assumed Liabilities in accordance with the terms thereof, pursuant to section 365 of the Bankruptcy Code, as applicable.

2.6 Assignment of Certain Acquired Assets. Notwithstanding any other provision of this Agreement to the contrary, this Agreement shall not constitute an agreement to assign or transfer any Acquired Asset or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment or transfer thereof, without the consent of a third party (including any Governmental Entity), would after giving effect to the Sale Order and the Bankruptcy Code, constitute a breach or other contravention thereof or a violation of Law or Order by the Bankruptcy Court, or be ineffective with respect to any party to a Contract concerning such Acquired Asset, in each case that cannot be excused or rendered ineffective by operation of the Bankruptcy Code (or the Sale Order) or applicable non-bankruptcy Law; provided, that nothing in this Section 2.6 shall modify any representation or warranty of the Sellers under this Agreement. If the Closing occurs and any such consent with respect to an Acquired Asset has not been obtained, following the Closing the Sellers and Buyer will comply with Section 6.5 and, until such consent is obtained, cooperate in a mutually agreeable arrangement (a) under which Buyer would, in compliance with Law or an Order of the Bankruptcy Court, obtain the benefits and assume the obligations and bear the economic burdens associated with such Acquired Asset, claim, right or benefit in accordance with this Agreement, including, for example (and without limitation of other similar arrangements being employed instead and in place thereof), by subcontracting, sublicensing or subleasing such Acquired Asset to Buyer or (b) under which the Sellers would enforce for the benefit (and at the expense) of Buyer any and all of the Sellers' rights against a third party associated with such Acquired Asset, claim, right or benefit, and the Sellers would promptly pay to Buyer when received all monies received by them under any such Acquired Asset, claim, right or benefit (net of the Sellers' expenses incurred in connection with any assignment or other performance contemplated by this Section 2.6). Upon obtaining any such consent applicable to such Acquired Asset after the Closing, such Acquired Asset shall promptly be transferred and assigned to Buyer in accordance with the terms of this Agreement.

ARTICLE 3 CLOSING; PURCHASE PRICE

3.1 Closing; Transfer of Possession; Certain Deliveries.

(a) The consummation of the Transactions (the "Closing") shall take place on the second (2nd) Business Day following the satisfaction or waiver of all of the conditions set forth in Article 7 or on such other date as the Parties hereto shall mutually agree. The Closing shall be held by electronic exchange of executed documents (or, if the Parties mutually agree in writing to hold a physical Closing, at the offices of DLA Piper LLP (US), at 10:00 a.m. Eastern Time, unless the Parties hereto otherwise agree in writing). (ii) a certificate signed by an authorized officer of each Seller, in form and substance reasonably satisfactory to the Buyer, certifying: (i) that attached thereto are true and complete copies of all resolutions adopted by the board of directors (or equivalent thereof) of each Seller authorizing the execution, delivery and performance of the Transaction Documents and the Transactions, (ii) that all such resolutions are in full force and effect, and (iii) the names, incumbency and signatures of the officers of each Seller authorized to sign the Transaction Documents to which such Seller is a party;

(iii) a duly executed counterpart to the Bill of Sale and Assignment and Assumption Agreement;

(iv) a duly executed counterpart to the IP Assignment Agreement;

(v) for each Seller, a properly completed and duly executed IRS Form W-9 or W-8, as applicable, (or in the case of any Seller that is a disregarded entity for U.S. federal and income tax purposes, the regarded owner of such Seller of U.S. federal income tax purposes)

(vi) a certified copy of the Sale Order, which shall be a Final Order; and

(vii) all other instruments of conveyance and transfer, in form and substance reasonably acceptable to Buyer, as may be necessary to convey the Acquired Assets to Buyer.

(c) At the Closing, Buyer shall deliver to Sellers:

(i) payment by wire transfer of immediately available funds to an account set forth by Sellers of an aggregate amount equal to (A) the Purchase Price, minus (B) Deposit.

(ii) an officer's certificate, dated as of the Closing Date, executed by a duly authorized officer of Buyer certifying that the conditions set forth in Section 7.2(a) and Section 7.2(b) have been satisfied;

(iii) a duly executed counterpart to the Bill of Sale and Assignment and Assumption Agreement; and

(iv) a duly executed counterpart to the IP Assignment Agreement.

3.2 Consideration.

(a) Purchase Price. The aggregate consideration for the Acquired Assets shall be (A) \$13,321,000 (the "Purchase Price"); and (B) Buyer's assumption of the Assumed Liabilities.

3.3 Deposit.

(a) Upon the execution of this Agreement, Buyer shall immediately deposit an aggregate amount equal to \$1,000,000 in cash into the Escrow Account (the “Deposit”). The Deposit shall be released and delivered (together with all accrued investment income thereon) by the Escrow Agent to either Buyer or Sellers, as applicable, as follows, in each case in accordance with the Escrow Agreement:

(i) if the Closing shall occur, the Deposit (and all accrued investment income thereon) shall be released to the Sellers and applied as a dollar-for-dollar reduction of the Purchase Price.

(ii) if this Agreement is terminated by Sellers pursuant to Section 8.1(g), the Deposit, together with all accrued investment income thereon, shall be released to Sellers within two (2) Business Days after such termination; or

(iii) if this Agreement is terminated for any reason (other than a termination pursuant to Section 8.1(g)), the Deposit, together with all accrued investment income thereon, shall be returned to Buyer within two (2) Business Days after such termination.

3.4 Allocation of Purchase Price. The sum of the Purchase Price, the amount of the Assumed Liabilities and any and other items treated as consideration for U.S. federal income Tax purposes (to the extent properly taken into account under the Code) shall be allocated (i) among Sellers and (ii) to the Acquired Assets sold by each such Seller in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (the “Allocation”). Buyer shall deliver the Allocation to Sellers within ninety (90) days after the Closing Date, and in determining the final Allocation shall consider in good faith any comments to the Allocation provided in writing by Sellers to Buyer within thirty (30) days after the date of receipt by Sellers of the draft of the Allocation. Buyer and Sellers shall file any Tax Returns on a basis consistent with the Allocation, unless otherwise required as a result of a final determination within the meaning of Section 1313(a) of the Code.

3.5 Withholding. Notwithstanding anything in this Agreement to the contrary, Buyer shall be entitled to deduct and withhold from any amount payable pursuant to this Agreement any amounts required to be deducted and withheld under applicable Law. To the extent that amounts are so deducted or withheld, such amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of whom such deduction or withholding was made. If Buyer determines that any payment hereunder is subject to deduction and/or withholding, then Buyer shall use commercially reasonable efforts to (i) provide notice to the person in respect of whom such deduction or withholding is to be made as soon as reasonably practicable after such determination and (ii) cooperate with such person to reduce or eliminate any such deduction and/or withholding, except, in each case, where Seller fails to deliver to Buyer a properly completed and duly executed IRS Form W-9 or W-8, as applicable (or in the case of any Seller that is a disregarded entity for U.S. federal and income tax purposes, its regarded owner).

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in (i) the reports, schedules, forms, statements and other documents (including exhibits and all information incorporated by reference) filed by the Company with the United States Securities and Exchange Commission (the “SEC”) or furnished by the Company to the SEC and publicly available prior to the Agreement Date (but without giving effect to any amendment to any such document filed on or after the Agreement Date), other than any information that is contained under the captions “Risk Factors” or “Forward Looking Statements” or other similar cautionary disclosures, or (ii) the Disclosure Schedules delivered by the Sellers to the Buyer on the Agreement Date, the Sellers hereby represent and warrant, on a joint and several basis, to Buyer as of the Agreement Date, and as of the Closing, as follows:

4.1 Organization. Each Seller is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and has, subject to the necessary authority from the Bankruptcy Court, all requisite corporate power and authority to own and hold its assets, rights and properties and to conduct its Business as now owned, held and conducted in its jurisdiction of organization and in the other jurisdictions in which it is required to register or qualify to do business, except where the failure to be in good standing would not reasonably be expected to have a Seller Material Adverse Effect.

4.2 Authorization of Transaction. Subject to the Bankruptcy Court’s entry of the Sale Order, each Seller has full power and authority (including full corporate power and authority) to execute and deliver this Agreement and all other Transaction Documents to which it is (or will become at Closing) a party and to perform its obligations hereunder and thereunder. The execution, delivery, and performance of this Agreement and all other Transaction Documents to which it is (or will become at Closing) a party have been duly authorized by such Seller. Upon execution hereof by each Seller, this Agreement (assuming due authorization and delivery by Buyer) shall constitute, subject to the Bankruptcy Court’s entry of the Sale Order, the valid and legally binding obligation of such Seller, enforceable against such Seller in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, moratorium, or other similar laws relating to creditors’ rights and general principles of equity.

4.3 Consents. Other than as required by, or pursuant to, the Bankruptcy Code, the Bidding Procedures Order or the Sale Order, no Seller is required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Entity or any other Person in order for the Parties to consummate the transactions contemplated by this Agreement or any Transaction Document, except where the failure to give notice, file or obtain such authorization, consent or approval would not, individually or in the aggregate, reasonably be expected to be material to the Business, taken as a whole, or prevent or materially impair or delay any Seller’s ability to consummate the transactions contemplated hereby or perform its obligations hereunder on a timely basis.

4.4 No Conflicts. Subject to the Sale Order having been entered by the Bankruptcy Court, the execution, delivery and performance by each Seller of any Transaction Document to which such Seller is (or will become at Closing) a party, and the consummation of the Transactions, does not and will not (a) conflict with or result in any breach of any provision of its certificate of

incorporation or bylaws or comparable governing documents, (b) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give rise to any right of termination, modification, acceleration or cancellation of any right or obligation or to a loss of any benefit, or require any payment under any provision of any Material Contracts and Leases or any Permit, (c) result in a violation of any Law or Order applicable to it or (d) result in the creation or imposition of any Lien on any Acquired Assets other than Permitted Liens, except, in the case of clauses (b), (c), and/or (d), as would not, individually or in the aggregate, be, or reasonably be expected to be material to the Business or the Sellers, taken as a whole.

4.5 Acquired Assets. Upon the terms and subject to the conditions contained in this Agreement and subject to requisite Bankruptcy Court approvals and the terms of the Sale Order, at the Closing, subject only to any Permitted Liens, Sellers will have good and valid title to, or the right to use, the tangible Acquired Assets. Pursuant, and subject, to the Sale Order, Buyer shall acquire such title to or rights to use, all of the tangible Acquired Assets, free and clear (except for the Permitted Liens and Assumed Liabilities) of all Liens, Claims (as defined in the Sale Order) and interests. The Acquired Assets, together with the Excluded Assets, constitute all of the assets necessary or beneficial to the operation of the Business as currently operated, or contemplated to be operated, as of the Agreement Date.

4.6 Litigation; Orders. Except for the Chapter 11 Cases and any adversary proceedings or contested motions commenced in connection therewith, there is no Claim, Proceeding or Order pending, outstanding or, to any Sellers' Knowledge, threatened against any Seller that seeks to restrain or prohibit or otherwise challenge the consummation, legality or validity of the transactions contemplated hereby or that otherwise involve the Acquired Assets or the Assumed Liabilities.

4.7 Employment Matters.

(a) No Employee is covered by, and no Seller is bound by, a collective bargaining or other labor-related agreement with any union or employee organization and, to Seller's Knowledge, there have been labor union organizing activities with respect to any employees of Seller in the past three (3) years. No Seller is a party to, or otherwise bound by, any Order, consent decree with, or citation by, any Governmental Entity relating to employees or employment practices.

(b) Section 4.7 of the Disclosure Schedules sets forth a true, complete and correct list of all material Seller Benefit Plans, and Sellers have delivered to Buyer copies of the plan documents and any amendments thereto with respect to each such Seller Benefit Plan and, to the extent relevant, the most recent IRS determination or opinion letter with respect to any such Seller Benefit Plan. Each Seller Benefit Plan has been operated in all material respects in accordance with its terms and applicable Law. The Sellers do not sponsor, maintain, contribute to or have any liability with respect to any employee benefit plan subject to Title IV of ERISA, and the Sellers have no obligation to provide post-employment welfare benefits to any current employee except as required by Section 4980B of the Code or similar Law.

(c) Except as would not reasonably be expected to be material to the Business, taken as a whole, Sellers have complied in all material respects with all applicable laws, agreements, contracts and policies relating to employment, employment practices, human rights, wages, hours, meals and rest period breaks, job classifications and terms and conditions of employment.

(d) Sellers have provided Buyer a true, complete and correct list, as of the Agreement Date, of the names and titles of all full time or part time employees and consultants of Business, together with the date of each employee's original hiring, base salary or base compensation, leave status and, as applicable, and the bonuses accrued for, and the vacation to which, each such person is entitled.

4.8 Compliance with Laws; Permits. Sellers are, and for the past three (3) years have been, in compliance with all Laws applicable to the Business, except as resulting from the filing and pendency of the Chapter 11 Cases or where the failure to be in compliance would not be reasonably expected to be material to the Business, taken as a whole. Sellers have not received any written notice, or, to the Knowledge of the Sellers, oral notice, of or been charged with the violation of any Laws, except where such violation would not be reasonably expected to be material to the Business, taken as a whole. Sellers have all Permits, a true, complete and correct list of which is set forth on Section 4.8 of the Disclosure Schedules, which are required or otherwise used for the operation of the Business as presently conducted, except where such failure to have Permit would not reasonably be expected to be material to the Business, taken as a whole. Sellers are not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of any Permit to which they are parties, except where such default or violation would not be reasonably expected to be material to the Business, taken as a whole. All Liabilities associated with any violation of Law disclosed on Section 4.8 of the Disclosure Schedules shall constitute Excluded Liabilities.

4.9 Contracts and Leases.

(a) Section 4.9(a) of the Disclosure Schedules sets forth a true, correct and complete list of all executory Contracts (including licenses of Intellectual Property) and Leases of each Seller as of the Agreement Date that are material to the Business, and Sellers have delivered to Buyer true, correct and complete copies of all such Leases and Contracts (the "Material Contracts and Leases"), including, but not limited to:

- (i) Contracts between any Seller and any Affiliate of the Seller;
- (ii) except for any purchase orders or Contracts with Sellers' advisors related to the Chapter 11 Cases, Contracts that involve (A) the performance of services or the sale of products of an amount or value in excess of \$100,000 annually or (B) payments in excess of \$100,000 annually, unless, in the case of clauses (A) and (B), terminable by a Seller on not more than thirty (30) days' notice without Liability to any Seller;
- (iii) Contracts with a fixed term with a remaining duration in excess of two (2) following the Closing Date;

(iv) Contracts (A) for the acquisition or sale of assets involving aggregate consideration of \$100,000 or more (other than sales of inventory in the ordinary course of business consistent with past practice), or (B) for the grant to any Person of any preferential rights to purchase any asset;

(v) Contracts relating to loans or advances to (other than advances to employees in respect of travel and entertainment expenses in the ordinary course of business in amounts of \$1,000 or less to any individual on any date of determination), or investments in, any Person, or any Contracts involving a sharing of profits;

(vii) Contracts that contain "most favored nation" provisions, minimum annual purchase obligations (take or pay) or that contain penalties or repricing provisions (e.g., "retroactive discounts") if certain minimum quantities are not purchased;

(viii) Contracts under which any Seller is either lessor or lessee, including the Leases;

(ix) any agreements containing non-solicitation or non-hire provisions binding upon any Seller;

(x) Contracts relating to any settlements with any Person, or any settlements, consent decrees, conciliations, or similar agreements with any Governmental Entity;

(xi) Contracts with any Governmental Entity;

(xii) Contracts relating to any Intellectual Property (other than unmodified licenses for off-the-shelf computer software that is readily commercially available) and any other Contracts relating, in any material respect, to any proprietary rights, including any royalty, development, assignment, settlement, coexistence, indemnification agreement and any agreements containing covenants not to sue or that otherwise restrict the use, enforcement, registration or other exploitation of any proprietary rights; and

(xiii) any commitment to do any of the foregoing.

(b) Subject to entry of the Sale Order, each of the Material Contracts and Leases is a legal, valid and binding obligation of the Seller party thereto and, to the Knowledge of Sellers, each other party to such Material Contract and Lease, and is enforceable against the applicable Seller and, to the Knowledge of Sellers, each other party thereto, in accordance with its terms, subject, in each case, to applicable bankruptcy, insolvency, moratorium, or other similar laws relating to creditors' rights and general principles of equity. Other than with respect to the Chapter 11 Cases and filings and notices related thereto, no Seller has delivered any notice of any default or event that with notice or lapse of time or both would constitute a default under any of the Material Contracts and Leases, except for defaults that would not reasonably be expected to be

material to the Business, taken as a whole, and no Seller has received any such notice from any other party to any of the Material Contracts and Leases. Other than with respect to the Chapter 11 Cases and disclosure made therein, no Seller has any material dispute with any counterparty to any of the Material Contracts and Leases. Following entry of the Bidding Procedures Orders, Sellers properly served a cure notice in accordance with the procedures set forth therein.

(c) Section 4.9(c) of the Disclosure Schedules sets forth a true, complete, and correct list of the Cure Costs with respect to each Material Contract and Lease or other Assumed Contract and Assumed Lease as of the Agreement Date.

4.10 Real Property.

(a) No Seller owns any real property.

(b) Section 4.10(b) of the Disclosure Schedules sets forth a true, correct, and complete list of all Leases. A Seller has a valid leasehold estate (as lessee or sublessee) in all Leased Real Property governed by the Leases. A true, complete and correct copy of each Lease has been made available to Buyer. None of the Sellers' possession nor quiet enjoyment of the Leased Property under such Lease has been disturbed, and to the Knowledge of the Sellers, there are no disputes with respect to such Lease. No Seller has collaterally assigned or granted any other security interest in any Lease or any interest therein. All Leased Property is leased to a Seller pursuant to written leases, and no Seller has subleased, licensed or otherwise granted any Person (whether orally or in writing) the right to use or occupy any Leased Property. All facilities located on or comprising the Leased Property and required for the operation of the Business: (i) have received all material Permits required by Law in connection with the operation thereof, (ii) have been operated and maintained in all material respects in accordance with all applicable Laws, (iii) are supplied with utilities and other services reasonably necessary for the operation of such facilities, and (iv) are in good condition and the systems located therein are in good working order and condition, reasonable wear and tear excepted, such that they are suitable in all material respects for the purpose of conducting the Business. No Seller has received any written notice that any Leased Property is subject to any order to be sold, condemned, expropriated or otherwise taken by any Governmental Entity, with or without payment of compensation therefor. There are no brokerage or leasing commissions, or any similar charges or commissions, due in connection with any of the Leases.

4.11 Intellectual Property.

(a) Section 4.11(a) of the Disclosure Schedules sets forth a true, correct and complete list of all Intellectual Property owned or exclusively licensed by a Seller that is, as of the Agreement Date, issued, registered, or subject to an application for registration (the "Registered IP"). Sellers exclusively own all Registered IP free and clear of all Liens (other than Permitted Liens).

(b) Sellers own, or have a valid and enforceable right to use, all Intellectual Property used in or otherwise necessary for the operation of the Business (collectively, "Business IP"), free and clear of all Liens (other than Permitted Liens), and upon the consummation of the

Transactions, Buyer will own, or have a valid and enforceable right to use, all Business IP in the same manner and on the same terms as owned or used by Sellers as of the date hereof.

(c) The operation of the Business does not infringe, misappropriate or otherwise violate, and has not in the past three (3) years infringed, misappropriated or violated, any Intellectual Property of any other Person. To the Knowledge of Sellers, no Person is infringing, misappropriating or otherwise violating any Registered IP or any other Intellectual Property owned by Sellers.

(d) Sellers have taken commercially reasonable steps to protect and maintain all trade secrets included in the Business IP, and to the Knowledge of Sellers, there have been no material unauthorized uses or disclosures of any such trade secrets.

(e) No software that is part of the Business IP that is owned or purported to be owned by the Sellers ("Proprietary Software") is subject to any license that: (i) requires, or conditions the use or distribution of such Proprietary Software on the disclosure, licensing or distribution of any source code for any portion of such Proprietary Software; or (ii) otherwise imposes any limitation, restriction or condition on the right or ability of any Seller to use, transfer or distribute any such Proprietary Software.

(f) The Acquired Assets do not include any sensitive or personally identifiable data that is subject to any applicable Laws relating to privacy, data security, or the processing, storage, use or transfer of data ("Privacy Laws"), and the consummation of the Transactions will not result in any violation of any Privacy Laws.

4.12 Brokers' Fees and Commissions. Without in any way limiting the representations and warranties contained in this Article 4 (as modified by the Disclosure Schedules), Sellers are selling the Acquired Assets “as is where is” and disclaim all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Buyer or its Affiliates or Representatives (including any opinion, information, projection, or advice that may have been or may be provided to Buyer by any Representative of any Seller). The disclosure of any matter or item in any schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter would result in a Seller Material Adverse Effect.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Sellers, as of the Agreement Date, and as of the Closing, except as set forth on the Disclosure Schedules, as follows:

5.1 Organization. Buyer is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization. Buyer has all necessary limited liability company power and authority to own and operate its properties, to lease the property it operates under lease and to conduct its business.

5.2 Due Authorization, Execution and Delivery; Enforceability. Buyer has all requisite limited liability company power and authority to execute and deliver this Agreement and the other Transaction Documents to which it is (or will become at Closing) a party and to perform its obligations hereunder and thereunder. The execution, delivery and performance by Buyer of this Agreement and the other Transaction Documents to which it is (or will become at Closing) a party and the consummation of the Transactions have been duly and validly authorized by all requisite corporate action on the part of Buyer and no other corporate action on the part of Buyer is necessary to authorize this Agreement and such other Transaction Documents and to consummate the Transactions (subject, in the case of the obligation to consummate the Transactions, to the entry of the Sale Order). This Agreement and the other Transaction Documents to which Buyer is (or will become at Closing) party have been (or will be) duly and validly executed and delivered by Buyer and (assuming the due authorization, execution and delivery by all parties hereto and thereto, other than Buyer) constitute (or will constitute) valid and binding obligations of Buyer enforceable against Buyer in accordance with their terms (subject to the entry of the Sale Order),

subject to applicable bankruptcy, insolvency, moratorium, or other similar laws relating to creditors' rights and general principles of equity.

5.3 Consents. No notice to, consent, approval or authorization of or designation, declaration or filing with any Governmental Entity or any other Person is required by Buyer with respect to Buyer's execution and delivery of any Transaction Document to which it is (or will become at Closing) a party or the consummation of the Transactions, except (a) the Sale Order having been entered by the Bankruptcy Court and (b) any consent, approval or authorization of or designation, declaration or filing with any Governmental Entity the failure of which to be made or obtained would not, individually or in the aggregate, be reasonably expected to result in a Buyer Material Adverse Effect.

5.4 No Conflicts. The execution, delivery and performance by Buyer of any Transaction Document to which Buyer is (or will become at Closing) a party and the consummation of the Transactions, does not and will not (a) conflict with or result in any breach of any provision of its certificate of incorporation or bylaws or comparable governing documents, (b) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give rise to any right of termination, modification, acceleration or cancellation under, any material Contract of Buyer, or (c) result in a violation of any Law or Order applicable to it, except, in the case of clauses (b) and (c), as would not, individually or in the aggregate, result in a Buyer Material Adverse Effect.

5.5 Sufficiency of Funds. Buyer will have sufficient cash on hand on the Closing Date to enable it to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement in accordance with the terms set forth herein.

5.6 Adequate Assurances Regarding Executory Contracts. Buyer is and will be capable of satisfying the conditions contained in section 365 of the Bankruptcy Code with respect to the Assumed Contracts and Assumed Leases.

ARTICLE 6 COVENANTS OF THE PARTIES

6.1 Conduct of Business Pending the Closing. During the period from the Agreement Date and continuing until the earlier of (i) the termination of this Agreement in accordance with its terms and (ii) the Closing (the “Interim Period”), Sellers shall (i) carry on the Business in the Ordinary Course of Business, except to the extent otherwise agreed in writing by the Buyer, and (ii) use commercially reasonable efforts to maintain and preserve intact the current Business and Acquired Assets and preserve the rights, franchises, goodwill and relationships of its employees, customers, suppliers, regulators, and others having significant business relationships with the Business and the Acquired Assets. Without limiting the generality of the foregoing, during the Interim Period, except (w) as expressly permitted by this Agreement (x) as set forth on Section 6.1 of the Disclosure Schedules, (y) as required by applicable Law, or (z) with the prior written consent of the Buyer, Sellers shall not do any of the following:

(i) (A) modify, terminate, cancel or waive any material right under, any of the Material Contracts and Leases or (B) enter into any Contract that would have been a Material Contract and Lease had it been entered into prior to the Agreement Date;

(ii) except for sales of inventory in the Ordinary Course of Business, sell, lease, license, assign, transfer, abandon or otherwise dispose of or subject to any Lien (other than Permitted Liens) any assets or properties;

(iii) acquire any business, or Person, by merger or consolidation, purchase of substantial assets or equity securities, or by any other manner, in a single transaction or a series of related transactions;

(iv) make any loan, advance or capital contribution to, or investment in, any other Person;

(v) (A) increase the salary, bonus, compensation or benefits of any kind to any employee, (B) accelerate or commit to accelerate the funding, payment, or vesting of any compensation or benefits to any current or former employee, (C) establish, adopt, amend or terminate any Seller Benefit Plans, or (D) grant any bonus, severance, benefit or other direct or indirect compensation, or grant any equity or equity-based awards, in each case, to any current or former director, employee, independent contractor or consultant;

(vi) (A) hire or engage any new employee, or (B) terminate the services of any key employee or officer;

(vii) implement any employee layoffs or reduction in force that includes any Offered Employee,

(viii) settle, release, abandon, discharge or otherwise compromise any Proceeding;

(ix) effectuate any recapitalization, reclassification, stock split or like change in the capitalization of any Seller, or adopt a plan of complete or partial liquidation or dissolution;

(x) (A) issue, sell, purchase, redeem, retire or grant registration rights with respect to any of its equity interests or any other securities, including any securities convertible into, or options, warrants or rights to purchase or subscribe for, its equity interests or other securities or (B) enter into any Contract with respect to the issuance, sale, purchase or redemption of any of its equity interests or other securities;

(xi) make or change any Tax election, file any amended Tax Return, enter into any closing agreement, settle any Tax claim or assessment, surrender any right to claim a refund of Taxes, consent to any extension or waiver of the limitation period applicable to any Tax claim or assessment, incur any liability for Taxes outside the ordinary course of business, fail to pay any Tax that becomes due and payable (including any estimated Tax payments), prepare or file any Tax Return in a manner inconsistent with past practice, or adopt or change any Tax accounting method;

(xii) incur, assume, or otherwise become liable for any indebtedness for borrowed money, issue or sell any debt securities or warrants or other rights to acquire any debt securities of Sellers, guarantee any such indebtedness or any debt securities of another Person, or enter into any "keep well" or other agreement to maintain any financial statement condition of another Person, except (1) intercompany indebtedness solely between or among any Sellers, or (2) letters of credit, bank guarantees, security or performance bonds or similar credit support instruments, overdraft facilities, or cash management programs, in each case issued, made, or entered into in the Ordinary Course of Business; and

(xiii) agree or commit to take any of the actions described in the foregoing clauses (i) through (xiii).

Notwithstanding the foregoing, nothing contained in this Agreement is intended to give Buyer or its Affiliates, directly or indirectly, the right to control or direct the business of Sellers prior to the Closing.

6.2 Access. Subject to applicable Law, during the Interim Period, Sellers shall give Buyer and its Representatives reasonable access during normal business hours to the offices, properties, officers, employees, accountants, auditors, counsel and other representatives, data, books and records of Sellers to the extent relating to the Business, the Acquired Assets or Assumed Liabilities, as Buyer reasonably deems necessary in connection with effectuating the Transactions. It is acknowledged and understood that no investigation by Buyer or other information received by Buyer shall operate as a waiver or otherwise affect any representation, warranty or other agreement given or made by Sellers hereunder. Buyer agrees that any on-site inspections of any

of Acquired Assets, shall be conducted in the presence of Sellers or their Representatives. All inspections shall be conducted so as not to interfere unreasonably with the use of any of the Acquired Assets by Sellers, or operation of the Business, and shall not violate any applicable Law or confidentiality obligations of any Seller. Notwithstanding the foregoing, Buyer and its Representatives shall not be entitled to any records or information pursuant to this Section 6.2, or otherwise, that is subject to legal privilege or that would or could trigger a breach or violation of any obligations under any confidentiality or privacy provision or privacy rule, to which any Seller is subject, provided that Sellers shall use commercially reasonable efforts to provide records and information in a manner such that Buyer may review without violating any applicable privileges or obligations. On or before the Closing Date, Sellers shall provide Buyer a true, complete and correct list of the name (or employee identification number where no-name disclosure is required by Law) and site of employment of any and all employees of Sellers who have experienced, or will experience, an employment loss or layoff as defined by the WARN Act within ninety (90) days prior to the Closing Date. Sellers shall update this list up to and including the Closing Date.

6.3 Public Announcements. Buyer and Sellers will consult with each other before issuing, and provide each other the opportunity to review and comment upon, any press release or public announcement of this Agreement and the Transactions, but neither Buyer nor Sellers shall issue any press release without the prior written approval of the other Party, in each case except as may be required by Law, court process (including the filing of this Agreement with the Bankruptcy Court as an exhibit to the Sale Motion) or by obligations pursuant to any listing agreement with any national securities exchange, in which case the non-disclosing party will have the right to review and comment on such release, announcement or communication prior to publication. Buyer and Sellers shall cause their respective Affiliates and Representatives to comply with this Section 6.3. Nothing in this Section 6.3 shall prevent any Affiliate of the Buyer that is a private equity or other investment fund from making customary non-public disclosures regarding the material terms of the Transactions to its existing or prospective investors.

6.4 Tax Matters.

(a) All Transfer Taxes arising out of the transfer of the Acquired Assets pursuant to this Agreement shall be borne by Buyer. Sellers and Buyer shall cooperate to timely prepare and file any Tax Returns relating to such Transfer Taxes, including filing or otherwise seeking qualification for any reduction, exemption, exclusion or similar or analogous relief from the application or imposition of any Transfer Taxes. Each of Buyer and Sellers, as applicable, shall file all necessary documentation and Tax Returns with respect to such Transfer Taxes when due and will cooperate with each other in connection with such filings.

(b) Each of Buyer, on the one hand, and Sellers, on the other hand, shall use commercially reasonable efforts to cooperate fully, as and to the extent reasonably requested by the other party (and at the requesting party's expense), in connection with the preparation and filing of Tax Returns and any audit, litigation or other proceeding with respect to Taxes. Such cooperation shall include the retention and (upon the other party's request and expense) the provision of records and information which are reasonably relevant to any such audit, litigation or other proceeding and making employees reasonably available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder, including with respect to any Claim for exemption or exclusion from the application or imposition of any Taxes,

the preparation for any audit by any Tax Authority and the prosecution or defense of any Proceeding relating to any Tax Return. The parties agree to retain all books and records with respect to Tax matters pertinent to the Business, the Acquired Assets or the Assumed Liabilities relating to any Tax period beginning before the Closing Date until the expiration of the statute of limitations (and, to the extent notified by the Buyer, any extensions thereof) of the respective Tax periods, and to abide by all record retention agreements entered into with any Governmental Entity. Each party agrees to hold any confidential information so provided in confidence and to use such information only for the purposes described above.

(c) All Tax allocation, Tax indemnity, Tax receivable or Tax sharing agreements or similar or analogous Contracts or arrangements (express or implied), and any powers of attorney granted to any Person in respect of Taxes, with respect to or involving the Business, the Acquired Assets or the Assumed Liabilities shall be terminated as of the Closing and, after the Closing, none of the Business, the Acquired Assets or the Assumed Liabilities shall be bound thereby or have any liability thereunder.

6.5 Commercially Reasonable Efforts. Subject to the terms and conditions of this Agreement, each Party shall use its commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable under applicable Law to consummate and make effective the Transactions. Without limiting the generality of the foregoing, the Parties will use their respective reasonable best efforts to (i) take all actions necessary to transfer the Acquired Assets and obtain all consents and approvals necessary from any Person, including by facilitating any negotiations reasonably requested by Buyer in connection therewith, (ii) take all actions necessary to cause all conditions set forth in Article 7 to be satisfied as soon as practicable, (iii) lift or rescind any existing Order preventing, prohibiting or delaying the consummation of the Transactions, (iv) effect all necessary registration, applications, notices and other filings required by applicable Law, including, as applicable to Sellers, under the Bankruptcy Code, and (v) execute and deliver any additional instruments necessary to fully carry out the purposes of this Agreement. Buyer shall not take any action that would reasonably be expected to prevent or materially delay the approval of any Governmental Entity of any of the filings referred to in this Section 6.5.

6.6 Further Assurances. From and after the Closing, the Parties agree to (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Agreement and the Transaction Documents; provided that nothing in this Section 6.6 or this Agreement shall prohibit any Seller from ceasing operations or winding up their affairs following the Closing.

6.7 Bankruptcy Court Matters.

(a) Buyer and Sellers acknowledge that this Agreement and the Transactions contemplated hereby are subject to the Bidding Procedures and Bidding Procedures Order, and approval by the Bankruptcy Court and, as applicable, entry of the Sale Order. In the event of any discrepancy between this Agreement and the Bidding Procedures Order and the Sale Order, the Sale Order shall govern.

(b) Buyer and Sellers shall use their commercially reasonable efforts to have the Bankruptcy Court hold the Sale Hearing and enter the Sale Order on the earlier of (i) three (3) days after the conclusion of the Auction and (ii) December 12, 2022.

(c) From and after the date hereof, Sellers shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification, or staying of the Bidding Procedures Order or, if Buyer is the Successful Bidder at the Auction, the Sale Order. Buyer has not colluded in connection with its offer or negotiation of this Agreement. From and after the date hereof, Buyer shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification, or staying of the Bidding Procedures Order, or if Buyer is the Successful Bidder at the Auction, the Sale Order or consummation of the transactions contemplated hereby.

(d) Buyer agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry of the Sale Order, including providing adequate assurance of future performance and furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of demonstrating that Buyer is a “good faith” purchaser under section 363(m) of the Bankruptcy Code; provided, however, in no event shall Buyer or Sellers be required to agree to any amendment of this Agreement.

(e) If an Auction is conducted, and Buyer is not the Successful Bidder for the Acquired Assets, Buyer shall, in accordance with and subject to the Bidding Procedures, be required to serve as the back-up bidder if and only if Buyer is the next highest or otherwise best bidder for the Acquired Assets at the Auction (the party that is the next highest or otherwise best bidder at the Auction after the Successful Bidder, the “Back-Up Bidder”) and, if Buyer is the Back-Up Bidder, Buyer shall, notwithstanding Section 8.1(b)(ii) and Section 8.1(d)(i), be required to keep its bid to consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) open and irrevocable until thirty (30) days after the Sale Hearing (the “Back-Up Bidder Termination Date”) or this Agreement is otherwise terminated pursuant to Article 8. Following the Auction, if the Successful Bidder fails to consummate the applicable Alternative Transaction as a result of a breach or failure to perform on the part of such Successful Bidder, then Buyer, if and only if (i) Buyer is the Back-Up Bidder and (ii) Seller has provided notice to Buyer on or before the Back-Up Bidder Termination Date and this Agreement has not otherwise been terminated pursuant to Article 8, will be deemed to have the new prevailing bid, and Sellers may seek authority to consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) with the Back-Up Bidder. If Buyer has not been selected as the Successful Bidder following the Back-Up Bidder Termination Date, this Agreement shall automatically be deemed terminated and Buyer’s bid withdrawn without any further action by Buyer.

(f) Subject to the Sellers exercising their rights pursuant to Section 8.1(b)(ii), if Buyer is the prevailing bidder at the Auction, the Sellers shall not, and shall cause their Affiliates not to, take any action that is intended to result in, or fail to take any action that is intended to result in, the reversal, voiding, modification, or staying of the Sale Order. The Sellers shall, and shall cause their Affiliates to, comply with the Sale Order.

(g) The Sellers shall be responsible for making all necessary filings with the Bankruptcy Court, which material filings, including any amendments, supplements, or modifications thereto, shall be in form and substance reasonably acceptable to Buyer. The Sellers and Buyer shall consult with one another regarding substantive pleadings that any of them intends to file with the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court's approval or modification of, as applicable, the Sale Order. The Sellers shall provide (or shall cause their representatives to provide) Buyer with advance drafts of, and a reasonable opportunity to review and comment upon, the Sale Order, and any substantive pleadings, motions, applications, petitions, schedules and supporting papers prepared by the Sellers or their Affiliates to be filed with the Bankruptcy Court in furtherance of the Transactions as soon as reasonably practicable prior to the date the Sellers intend to file such motion, pleading or Bankruptcy Court filing, and the Sellers shall make any reasonable modifications of such documents requested by Buyer. Buyer shall provide (or shall cause its representatives to provide) the Sellers with advance drafts of, and a reasonable opportunity to review and comment upon substantive pleadings, motions, and supporting papers prepared by Buyer to be filed with the Bankruptcy Court in connection with the Transactions as soon as reasonably practicable prior to the date Buyer intends to file such motion, pleading or Bankruptcy Court filing, and Buyer shall make any reasonable modifications of such documents requested by the Sellers. In the event the entry of the Sale Order or any other Order of the Bankruptcy Court relating to this Agreement or the Transactions shall be appealed (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Sale Order or other such order), the Sellers and Buyer shall use their respective commercially reasonable efforts to defend such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

6.8 Cure Costs. Sellers shall sell, transfer and assign, all Assumed Contracts and Assumed Leases to Buyer, and Buyer shall purchase and assume all Assumed Contracts and Assumed Leases from Sellers, as of the Closing Date pursuant to sections 363 and 365 of the Bankruptcy Code and the Sale Order. In connection with debts incurred or the assignment and assumption of the Assumed Contracts and Assumed Leases, Buyer shall cure any monetary defaults of the debts incurred or under the Assumed Contracts and Assumed Leases by payment of any Cure Costs as determined in accordance with the Bidding Procedures Order and Sale Order. Buyer shall be responsible for demonstrating and establishing adequate assurance of future performance before the Bankruptcy Court with respect to the Assumed Contracts and Assumed Leases. In the event that the Cure Costs of any Material Contract and Lease or other Assumed Contract or Assumed Lease changes after the Agreement Date, Sellers shall promptly, and in no event later than one (1) Business Day, provide notice to Buyer of such change.

6.9 Preservation of Books and Records; Cooperation. For a period of three (3) years after the Closing Date, Buyer shall provide to Sellers and their respective Representatives, at the Sellers' sole cost and expense, (after reasonable notice and during normal business hours and without undue interference to the business operations of Buyer) reasonable access to, including the right to make copies of, all books and records included in and otherwise related to the Acquired Assets, solely to the extent necessary to permit Sellers to determine any matter relating to their rights and obligations hereunder or to any period ending on or before the Closing Date (for example, for purposes of any Tax or accounting audit, reporting requirements in the Chapter 11 Cases, or any claim or litigation matter, but not for any dispute or claim between Buyer and Sellers

in connection with this Agreement, the Transaction Documents or otherwise) or the liquidation and winding down of Sellers following the Closing, and shall preserve such books and records until the later of (i) the retention period required by applicable Law, (ii) the conclusion of all proceedings relating to the Chapter 11 Cases, or (iii) such three (3) year period. Such access shall include access to any information in electronic form to the extent reasonably available. Buyer acknowledges that Sellers have the right to retain copies of all of books and records included in or related to the Acquired Assets for periods prior to the Closing subject to Section 6.11.

6.10 Notification of Certain Matters. To the extent permitted by applicable Law, Sellers and Buyer will give prompt written notice to the other Parties of (a) the existence of any fact or circumstance, or the occurrence of any event, of which it has Knowledge that would reasonably be likely to cause a condition to a Party's obligations to consummate the Transactions set forth in Section 7.1, with respect to the Sellers, and Section 7.2, with respect to the Buyer, not to be satisfied as of any date prior to the Closing Date, or (b) the receipt of any notice or other communication from any Governmental Entity in connection with the Transactions; provided, however, that the delivery of any such notice pursuant to this Section 6.10 shall not be deemed to amend or supplement this Agreement and the failure to deliver any such notice shall not constitute a waiver of any right or condition to the consummation of the Transactions by any Party.

6.11 Confidentiality.

(a) From and after the Closing, Sellers shall keep confidential all non-public information regarding the Acquired Assets and the Assumed Liabilities, except for such public disclosure as Sellers and their counsel may reasonably determine to be required under any applicable Law, regulation, stock exchange requirement, SEC rules and regulations, or Order. Sellers shall provide Buyer the opportunity to review and comment upon, and Sellers shall consider such comments in good faith, all such disclosures.

(b) The Parties hereby acknowledge and agree that the Confidentiality Agreement is enforceable in accordance with its terms, it being understood and agreed, however, that such Confidentiality Agreement shall terminate automatically effective as of the Closing.

6.12 Employees.

(a) No later than 11:59 p.m. Eastern time on the Agreement Date, Buyer shall provide Sellers a list of any Employees that Buyer would like to make an offer of employment (which shall include a majority of all Employees (the "Offered Employees") and Buyer shall make commercially reasonable efforts to offer employment to all Offered Employees. Each Offered Employee who accepts such offer shall be deemed a "Transferred Employee". Any such offer of employment will be effective as of the Closing Date (or, for Qualified Leave Employees, upon their return to work, but only if such return to work is within six (6) months following the Closing Date) and contingent upon the Closing, and with respect to each of the Transferred Employees who is then employed by Sellers, Buyer shall make commercially reasonable efforts to keep such employment at the same location, and provide the Transferred Employees, in the aggregate, with compensation and benefit terms (excluding defined benefit pensions, post-employment welfare benefits, equity and other long-term incentives, and retention and change in control payments (the "Excluded Benefits")) that are not less favorable to the Transferred Employees than as in effect

for such Transferred Employees immediately prior to the Closing, including the aggregate applicable base salary, base wage or hourly rate and other employee benefits among the Transferred Employees which are substantially comparable in the aggregate (excluding the Excluded Benefits). With respect to any employee benefit plan maintained by Buyer or an Affiliate of Buyer for the benefit of any Transferred Employee, effective as of the Closing, Buyer shall, or shall cause its Affiliates to, recognize all service of the Transferred Employees with Seller, as if such service were with Buyer, for vesting, eligibility and accrual purposes; provided, however, such service shall not be recognized to the extent that (x) such recognition would result in a duplication of benefits, (y) such service was not recognized under the corresponding Seller Benefit Plan, or (z) for purposes of any defined benefit pension plan or post-employment welfare benefits. To the extent permitted by Law, at a time mutually agreed by the Parties, Sellers shall deliver a notice, which, at the option of Buyer, may be a joint notice by Buyer and Sellers, to each of the Transferred Employees in a form reasonably satisfactory to Buyer (i) informing such Transferred Employees about the sale of the Acquired Assets to Buyer, and (ii) terminating their employment with Sellers. Sellers shall permit Buyer to concurrently send a notice to each of the Transferred Employees in a form reasonably satisfactory to Sellers describing their offer of employment by Buyer, if any, and providing contact information for any questions.

(b) By written notice to the Sellers no later than two (2) Business Days prior to the Closing Date, the Buyer may assume the sponsorship of such Seller Benefit Plans as selected by the Buyer (as an “Assumed Plan”). With respect to each Assumed Plan, Sellers shall take all actions necessary to effect the transfer of such sponsorship and all underlying trusts, insurance contracts and agreements of such Assumed Plan. With respect to each Assumed Plan, the Buyer shall be responsible for all liabilities accruing after the Closing (but, for the avoidance of doubt, the Sellers shall remain responsible for all liabilities accruing on or prior to the Closing).

(c) Seller shall provide Buyer such information as it reasonably requests to effect the provisions of this Section 6.12.

6.13 Certain Accounts Receivable. Following the Closing, Buyer shall use its commercially reasonable efforts to pursue collection of the accounts receivable set forth by invoice on Section 6.13 of the Disclosure Schedules, which represents a summary of amounts due from customers prior to September 3, 2022; provided that Buyer shall not be required to initiate any Proceedings against a counterparty pursuant to this covenant. Promptly following Buyer’s receipt of any such accounts receivable (“Recovered AR”). Buyer shall distribute 50% of such Recovered AR to Seller, up to a maximum aggregate amount of \$450,000, in accordance with wire transfer instructions provided by Seller. Any such distributions shall be made on a weekly basis. Buyer shall provide Sellers with a weekly reconciliation of the Recovered AR. For purposes of this Section 6.13, any collections from customers with amounts due set forth on Section 6.13 of the Disclosure Schedules and with other accounts receivable as of the Closing Date, shall be applied first to the Recovered AR regardless of when such accounts receivable was due prior to Closing. For purposes or clarity, this Section 6.13 shall have no further force and effect from and after the time that Buyer has distributed to Seller an aggregate amount of Recovered AR equal to \$450,000.

ARTICLE 7
CONDITIONS TO OBLIGATIONS OF THE PARTIES

7.1 Conditions Precedent to Obligations of Buyer. The obligation of Buyer to consummate the Transactions is subject to the satisfaction (or written waiver by Buyer) at or prior to the Closing Date of each of the following conditions:

(a) Accuracy of Representations and Warranties. (i) the representations and warranties of Sellers set forth in Article 4 (other than Sections 4.1, 4.2, and 4.5) shall be true and correct (disregarding qualifications as to materiality or Seller Material Adverse Effect or words of similar import set forth therein), except where the failure of such representations or warranties to be true and correct would not reasonably be expected to have a Seller Material Adverse Effect, as of the Agreement Date and at and as of the Closing as though made at and as of the Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date) and (ii) the representations and warranties of Sellers set forth in Sections 4.1, 4.2, and 4.5, shall be true and correct in all respects as of the Agreement Date and at and as of the Closing as though made at and as of the Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date).

(b) Performance of Obligations. Sellers shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by them on or prior to the Closing Date, including all deliveries required under Section 3.1(b).

(c) No Seller Material Adverse Effect. Since the date of the Agreement, there has not been a Seller Material Adverse Effect.

(d) Sale Order. The Bankruptcy Court shall have entered the Sale Order in form and substance satisfactory to the Buyer in the Buyer's sole and absolute discretion, and such order shall be a Final Order.

(e) Officer's Certificate. Buyer shall have received a certificate, dated the Closing Date, of an executive officer of each Seller to the effect that the conditions specified in Section 7.1(a), Section 7.1(b), and Section 7.1(c) above have been fulfilled.

(f) No Order. No court or other Governmental Entity has issued, enacted, entered, promulgated or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn or overturned) restraining, enjoining or otherwise prohibiting the Transactions.

(g) Offered Employees. At least eighty (80%) of the Offered Employees offered employment shall have accepted, in writing, Buyer's offer of employment.

7.2 Conditions Precedent to the Obligations of Sellers. The obligation of Sellers to consummate the Transactions is subject to the satisfaction (or written waiver by Sellers) at or prior to the Closing Date of each of the following conditions:

(a) Accuracy of Representations and Warranties. The representations and warranties of Buyer set forth in Article 5 shall be true and correct, except where the failure of such

representations or warranties to be true and correct would not reasonably be expected to have a Buyer Material Adverse Effect, as of the Agreement Date and at and as of the Closing as though made at and as of the Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date).

(b) Performance of Obligations. Buyer shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by it on or prior to the Closing Date, including all deliveries required under Section 3.1(c).

(c) Sale Order. The Bankruptcy Court shall have entered the Sale Order, and no Order staying, reversing, modifying or amending such Sale Order shall be in effect on the Closing Date.

(d) Officer's Certificate. Sellers shall have received a certificate, dated the Closing Date, of an executive officer of Buyer to the effect that the conditions specified in Section 7.2(a) and Section 7.2(b) above have been fulfilled.

(e) No Order. No court or other Governmental Entity has issued, enacted, entered, promulgated or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn or overturned) restraining, enjoining or otherwise prohibiting the Transactions.

7.3 Frustration of Conditions Precedent

Neither Buyer nor Sellers may rely on the failure of any condition set forth in this Article 7, as applicable, to be satisfied if such failure was caused by the breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party.

ARTICLE 8 TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated and the Transactions abandoned at any time prior to the Closing:

(a) by written agreement of Sellers and Buyer;

(b) by either Sellers or Buyer:

(i) if there shall be any Law that makes consummation of the Transactions illegal or otherwise prohibited, or if any Order permanently restraining, prohibiting or enjoining Buyer or Sellers from consummating the Transactions is entered and such Order shall become final and non-appealable, provided, however, that no termination may be made by a Party under this Section 8.1(b)(i) if the issuance of such Order was caused by the material breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party (which, in the case of the Sellers, shall include each Seller); or

(ii) upon Sellers consummating an Alternative Transaction.

(c) by Buyer by giving written notice to each Seller if there has been a breach by any Seller of any representation, warranty, covenant, or agreement contained in this Agreement that would prevent the satisfaction of the conditions to the obligations of Buyer at Closing set forth in Section 7.1(a), Section 7.1(b), or Section 7.1(c), and such breach has not been waived by Buyer, or, if such breach is curable, cured by such Seller prior to the earlier to occur of (A) fourteen (14) days after receipt of Buyer's notice of such breach, and (B) the Outside Date; provided, that Buyer shall not have a right of termination pursuant to this Section 8.1(c) if Sellers could, at such time, terminate this Agreement pursuant to Section 8.1(g);

(d) by Buyer if (i) Sellers consummate an Alternative Transaction, or (ii) there is an Auction and Buyer is not designated as the Successful Bidder or the Back-Up Bidder immediately following the Auction;

(e) by Buyer if the Sale Order is not entered by the Bankruptcy Court on or before December 12, 2022;

(f) by Buyer or Sellers if the Closing shall not have occurred on or before the Outside Date (or such later date as provided in Section 6.7(e) to the extent applicable), provided, however, that no termination may be made a Party under this Section 8.1(f) if the failure to close on or before the Outside Date (or such later date as provided in Section 6.7(e) to the extent applicable) was caused by the material breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party (which, in the case of the Sellers, shall include each Seller);

(g) by Sellers by giving written notice to Buyer if there has been a breach by any Buyer of any representation, warranty, covenant, or agreement contained in this Agreement that would prevent the satisfaction of the conditions to the obligations of Sellers at Closing set forth in Section 7.2(a) or Section 7.2(b), and such breach has not been waived by Sellers, or, if such breach is curable, cured by such Buyer prior to the earlier to occur of (A) fourteen (14) days after receipt of Sellers' notice of such breach, and (B) the Outside Date; provided, that Sellers shall not have a right of termination pursuant to this Section 8.1(g) if Buyer could, at such time, terminate this Agreement pursuant to Section 8.1(c); or

(h) by written notice of either Buyer or Sellers, if the Chapter 11 Cases are dismissed or converted to cases under chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the financial affairs or reorganization of Sellers is appointed in the Chapter 11 Cases.

8.2 Consequences of Termination. In the event of any termination of this Agreement by either or both of Buyer and Sellers pursuant to Section 8.1, written Notice thereof shall be given by the terminating Party to the other Parties hereto, specifying the provision hereof pursuant to which such termination is made, this Agreement shall thereupon terminate and become void and of no further force and effect (other than Section 3.3 (*Deposit*), Section 6.3 (*Public Announcements*), Section 6.7(f), this Section 8.2 (*Consequences of Termination*) and Article 9 (*Miscellaneous*) and to the extent applicable in respect of such Sections and Article, Article 1 (*Definitions*)), and the Transactions shall be abandoned without further action or Liability of any

of the Parties hereto, except that such termination shall not relieve any Party of any Liability for Fraud or willful and material breach of this Agreement prior to such termination.

ARTICLE 9 MISCELLANEOUS

9.1 Expenses. Except as set forth in this Agreement and whether or not the Transactions are consummated, each Party hereto shall bear all costs and expenses incurred or to be incurred by such Party in connection with this Agreement and the consummation of the Transactions.

9.2 Assignment. Neither this Agreement nor any of the rights or obligations hereunder may be assigned by Sellers without the prior written consent of Buyer, or by Buyer without the prior written consent of Sellers; provided, that Buyer may, without the consent of any other Party, assign this Agreement and its rights and obligations hereunder in whole or in part to any Affiliate of Buyer; provided further, that Buyer shall remain jointly and severally liable with such Affiliates for Buyer's and such Affiliates' obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns, including any liquidating trustee, responsible Person or similar representative for Sellers or Sellers' estate appointed in connection with the Chapter 11 Cases.

9.3 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of Sellers (and their estate), Buyer and their respective successors or permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement except as expressly set forth herein.

9.4 Notices. All notices, demands, requests, consents, approvals or other communications (collectively, "Notices") required or permitted to be given hereunder or that are given with respect to this Agreement shall be in writing and shall be personally served, delivered by a nationally recognized overnight delivery service with charges prepaid, or transmitted by hand delivery, or facsimile or electronic mail, addressed as set forth below, or to such other address as such Party shall have specified most recently by written Notice. Notice shall be deemed given on the date of service or transmission if personally served or transmitted by facsimile or electronic mail with confirmation of delivery, which may be electronic (provided, however, that the sender does not receive any "bounceback" notification or other notice of non-delivery); provided, that if delivered or transmitted on a day other than a Business Day or after 5:00 p.m. EDT, notice shall be deemed given on the next Business Day. Notice otherwise sent as provided herein shall be deemed given on the next Business Day following timely deposit of such Notice with an overnight delivery service:

Rejection of or refusal to accept any Notice, or the inability to deliver any Notice because of changed address of which no Notice was given, shall be deemed to be receipt of the Notice as of the date of such rejection, refusal or inability to deliver.

9.5 Choice of Law. Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Claim or Proceeding that may be based upon, arise out of or relate or be incidental to this Agreement, the Transactions, the negotiation, execution, performance

or consummation of the foregoing or the inducement of any Party to enter into the foregoing, whether now existing or hereafter arising shall be construed and interpreted, and the rights of the Parties shall be determined, in accordance with the Laws of the State of Delaware, without giving effect to any provision thereof that would require or permit the application of the substantive laws of any other jurisdiction.

9.6 Entire Agreement; Amendments and Waivers. This Agreement (including the Disclosure Schedules), the Sale Order, and all Transaction Documents and all certificates and instruments delivered pursuant hereto and thereto constitute the entire agreement among the Parties pertaining to the subject matter hereof and supersede all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties. To the extent any terms and provisions of this Agreement are in any way inconsistent with or in conflict with any term, condition or provision of another Transaction Document (which, for the avoidance of doubt, excludes any Sale Order), this Agreement will govern and control. This Agreement or any document delivered pursuant to this Agreement may be amended, supplemented or modified, and any of the terms, covenants, representations, warranties or conditions may be waived, only by a written instrument executed by Buyer and Sellers, or in the case of a waiver, by the Party waiving compliance. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), and no such waiver shall constitute a continuing waiver unless otherwise expressly provided. No failure on the part of any Party to exercise, and no delay in exercising any right, power or remedy under this Agreement shall operate as a waiver thereof, nor shall any single partial exercise of such right, power or remedy by such Party preclude any other or future exercise thereof or the exercise of any other right, power or remedy.

9.7 Counterparts; Facsimile and Electronic Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Counterparts to this Agreement may be executed via physical or electronic signature and delivered via facsimile, electronic mail, or other means of electronic transmission. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the Party against whom enforcement is sought.

9.8 Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be illegal, invalid or unenforceable, such provisions shall be limited or eliminated only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect.

9.9 Headings. The table of contents and the headings of the Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of, or to affect the meaning or interpretation of, this Agreement.

9.10 Exclusive Jurisdiction; Specific Performance; Remedies.

(a) Subject to Section 9.10(b), without limiting any Party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all Proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive Notices at such locations as indicated in Section 9.4. For the avoidance of doubt, this Section 9.10 shall not apply to any Claims that Buyer or its Affiliates may have against any third party following the Closing.

(b) Notwithstanding anything herein to the contrary, in the event the Chapter 11 Cases of Sellers are closed or dismissed, the Parties hereby agree that all Claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, shall be heard and determined exclusively in any federal court sitting in the District of Delaware or, if that court does not have subject matter jurisdiction, in any state court located in Delaware (and, in each case, any appellate court thereof), and the Parties hereby (i) consent to and submit to the jurisdiction and venue of such courts, (ii) agree that venue would be proper in such courts, and waive any objection that they may now or hereafter have that any such court is an improper or inconvenient forum for the resolution of any Claim or Proceeding, and (iii) agrees providing Notice to the Persons and in the manner listed in Section 9.4 or any other process required or permitted by any such court, will be effective service of process; provided that nothing herein will be deemed to prevent a Party from making service of process by any means authorized by the Laws of the State of Delaware. The foregoing consent to jurisdiction will not constitute submission to jurisdiction or general consent to service of process in the State of Delaware for any purpose except with respect to any Claim or Proceeding.

(c) Each Party acknowledges that the other Parties would be damaged irreparably in the event that the terms of this Agreement are not performed by such Party in accordance with its specific terms or are otherwise breached or such Party fails to consummate the Closing when required pursuant to the terms of this Agreement and that, in addition to any other remedy that each Party may have under law or equity, each Party shall be entitled to seek injunctive relief to prevent breaches of the terms of this Agreement and to seek to enforce specifically the terms and provisions hereof that are required to be performed by the other Parties. Each Party further agrees that the other Parties shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.10, and irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

(d) Except to the extent set forth otherwise in this Agreement, all remedies under this Agreement expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

9.11 WAIVER OF RIGHT TO TRIAL BY JURY. SELLERS AND BUYER HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT

THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). FOR THE AVOIDANCE OF DOUBT, THIS SECTION 9.11 SHALL NOT APPLY TO ANY CLAIMS THAT BUYER OR ITS AFFILIATES MAY HAVE AGAINST ANY THIRD PARTY FOLLOWING THE CLOSING.

9.12 Survival. Each and every representation and warranty contained in this Agreement shall expire and be of no further force and effect as of the Closing. Each and every covenant and agreement contained in this Agreement (other than the covenants contained in this Agreement which by their terms are to be performed (in whole or in part) by the Parties following the Closing (each, a “Post-Closing Covenant”)) shall expire and be of no further force and effect as of the Closing. Each Post-Closing Covenant shall survive the Closing until the earlier of performance of such Post-Closing Covenant in accordance with this Agreement.

9.13 Non-Recourse. No past, present or future director, manager, officer, employee, incorporator, member, partner or equity holder of Buyer or Sellers shall have any Liability for any Liabilities of Buyer or Sellers, respectively, under this Agreement or for any Claim based on, in respect of, or by reason of the Transactions. To the maximum extent permitted by Law, the Buyer and Sellers hereby waive and release all such Liabilities against any such past, present or future director, manager, officer, employee, incorporator, member, partner or equity holder of Buyer or Sellers. This Agreement may only be enforced against, and any Claim, action (including in the Chapter 11 Case), suit, Proceeding or investigation based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement.

9.14 Disclosure Schedules. Except as set forth in this Agreement, the inclusion of any information (including dollar amounts) in Disclosure Schedules shall not be deemed to be an admission or acknowledgment by any Party that such information is required to be listed on such section of the relevant schedule or is material to or outside the Ordinary Course of Business of any Person. The information contained in this Agreement, the exhibits hereto and the Disclosure Schedules is disclosed solely for purposes of this Agreement, and no information contained herein or therein shall be deemed to be an admission by any Party to any third party of any matter whatsoever (including any violation of any Law or breach of contract). Unless the context otherwise requires, all capitalized terms used in the Disclosure Schedules shall have the respective meanings assigned in this Agreement. The Disclosure Schedules set forth items of disclosure with specific reference to the particular Section or subsection of this Agreement to which the information in the Disclosure Schedules relates; provided, however, that any information set forth in one Section of the Disclosure Schedules will be deemed to apply to each other section or subsection thereof to which its relevance is reasonably apparent on its face. Except as provided in Section 2.5(a), or as otherwise expressly provided in this Agreement, the Disclosure Schedules cannot be amended or modified without the mutual consent of the Parties, in writing.

9.15 Mutual Drafting. This Agreement is the result of the joint efforts of Buyer and Sellers, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the Parties and there is to be no construction against any Party based on any presumption of that Party’s involvement in the drafting thereof. Prior drafts of this Agreement or

any ancillary agreements, schedules or exhibits thereto or the fact that any clauses have been added, deleted or otherwise modified from any prior drafts of this Agreement or any ancillary agreements, schedules or exhibits thereto shall not be used as an aide of construction or otherwise constitute evidence of the intent of the Parties.

9.16 Fiduciary Obligations. Nothing in this Agreement, or any document related to the Transactions, will require Sellers or any of its governing bodies, directors, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law.
