TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT, dated as of March 30, 2023, is made by **MERION INVESTMENT PARTNERS III, L.P.**, a Delaware limited Partnership, in its capacity as a secured creditor under the Uniform Commercial Code (the "Assignor"), and **MEEST-AMERICA, INC.**, a New Jersey corporation, with an address at 600 Markley Street, Port Reading, New Jersey 07064 (the "Assignee").

WHEREAS, the assignment effected hereby is in connection with and contemplated by the "Asset Purchase Agreement" dated as of March 30, 2023 (the "Purchase Agreement"), by and among Assignor and Assignee, pursuant to which Assignor has agreed to sell, among other things, all of the right, title and interest of **POLONEZ PARCEL SERVICE, LLC** and **DOMA EXPORT COMPANY, LLC** (collectively, the "Debtors") in and to Debtors trademarks and trademark registrations listed on Appendix 1 attached hereto (the "Trademarks"); and

WHEREAS, Assignee is desirous of acquiring said Trademarks.

NOW, THEREFORE, in consideration of the foregoing premises and the covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties hereby agree as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns, the entire right, title and interest in and to the Trademarks, the goodwill of the business symbolized by the Trademarks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights in the Trademarks, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend, and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Trademarks prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Assignor acknowledges and agrees that upon the assignment of the Trademarks as contemplated hereunder, neither Assignor nor Debtors shall have any further rights, title or interest in and to the Trademarks.
2. Authorization. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States to record Assignee as owner of the Trademarks, as assignee of

the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Miscellaneous. This Agreement may not be supplemented, altered or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Agreement shall not waive any of its rights under such terms or provisions. This Agreement shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement.

IN TESTIMONY WHEREOF, Assignor and Assignee have executed this Assignment by their duly authorized officers.
