ASSIGNMENT OF PATENTS AND TRADEMARKS

This Assignment of Patents and Trademark ("Assignment of Patents and Trademark"), is dated as of April 14, 2023, from Palix Medical, LLC, a New Jersey limited liability company (the "Assignor"), to Henry Schein, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor and Assignee have executed and delivered an Agreement of Purchase and Sale of Assets of even date herewith (the "Agreement"), providing for the transfer to Assignee of the Acquired Assets (as defined in Section 1.1. of the Agreement);

WHEREAS, Assignor is the owner of certain patents or patent applications particularly described in Schedule A hereto (the "Patents"), including all common law rights related thereto, and made a part hereof;

WHEREAS, Assignor is the owner of certain trademarks or trademark applications particularly described in Schedule B hereto (the "Trademark"), including all common law rights related thereto, and made a part hereof;

WHEREAS, Assignor wishes to convey all its right, title and interest in and to the Patent and Trademark to Assignee; and

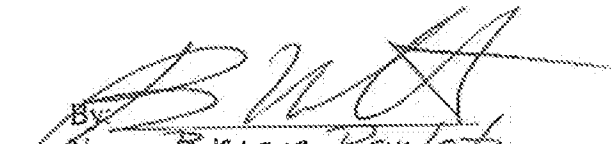

NOW, THEREFORE, for and in consideration of the promises and mutual covenants set forth herein and in the Agreement and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, Assignor does hereby sell, grant, assign, convey and transfer unto Assignee or its designees, all of Assignor's right, title and interest in and to the Patents and Trademark and all common law rights related thereto, together with the goodwill of the business connected with the use of, and symbolized by, such Patents and Trademark.

The terms of the Agreement, including but not limited to, Assignor's and Assignee's representations, warranties, covenants, agreements, and indemnities relating to the Patents and Trademark, are incorporated herein by reference. Each party acknowledges and agrees that the representations, warranties, covenants, agreements, and indemnities contained in the Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Agreement and the terms hereof, the terms of the Agreement shall govern. Assignor further agrees to (a) cooperate with the Assignee in the protection of the Patent and Trademark rights and prosecution, if any, of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including any patent or trademark applications and instruments of transfer; and (c) that it shall perform such other acts and execute all further documents Assignee lawfully may request and which are reasonably necessary to perfect Assignee's title to the Patents and Trademark.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, the Assignor has caused this Assignment of Patents and Trademark to be executed in its company name by its proper officer as of the day and year first written above. Delivery by the Assignor of a facsimile signature to this Assignment of Patents and Trademark shall constitute delivery of an original, binding signature hereto.
