PATENT SECURITY AGREEMENT dated as of May 5, 2023 (this “Agreement”), among INVACARE CORPORATION, FREEDOM DESIGNS, INC. and MOTION CONCEPTS L.P. (each a “Grantor” and collectively the “Grantors”) and GLAS TRUST COMPANY LLC, as Collateral Agent (in such capacity, the “Collateral Agent”).

Reference is made to (a) the Indenture dated as of May 5, 2023 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Indenture”), among INVACARE HOLDINGS CORPORATION, a Delaware corporation (the “Company”), the Note Guarantors party thereto, and GLAS Trust Company LLC, as Trustee and Collateral Agent and (b) the U.S. Notes Collateral Agreement dated as of May 5, 2023 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “U.S. Notes Collateral Agreement”), among the Company, the other Grantors from time to time party thereto and the Collateral Agent. The Holders have agreed to extend credit to the Company subject to the terms and conditions set forth in the Indenture. Each Grantor is an Affiliate of the Company and is willing to execute and deliver this Agreement as consideration for Notes previously issued. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the U.S. Notes Collateral Agreement or the Indenture, as applicable. The rules of construction specified in Section 1.01(b) of the U.S. Notes Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under the United States Patents registrations and patent applications listed on Schedule I attached hereto (the “Patent Collateral”).

SECTION 3. U.S. Notes Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the U.S. Notes Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Patent Collateral are more fully set forth in the U.S. Notes Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the U.S. Notes Collateral Agreement, the terms of the U.S. Notes Collateral Agreement shall govern.

SECTION 4. Termination. Upon the occurrence of the Termination Date, the security interest granted herein shall terminate and the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Patent Collateral under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an

executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

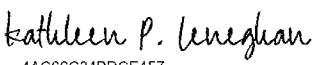

SECTION 6. Concerning the Collateral Agent. GLAS Trust Company LLC is entering this Agreement not in its individual capacity, but solely in its capacity as the Collateral Agent under the Indenture. In acting hereunder, the Collateral Agent shall be entitled to all of the rights, privileges, indemnities and immunities granted to the Collateral Agent in the Indenture and the U.S. Notes Collateral Agreement, as if such rights, privileges, indemnities and immunities were set forth herein.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
