ASSIGNMENT OF INTELLECTUAL PROPERTY

WHEREAS, Charles J. Ceccarelli, Rimco, Inc., Inventive Products, Inc., Andrew Walker, and/or possibly other inventors (collectively the "ASSIGNORS") own the following patents and trademarks and applications therefor recited in Exhibit A, and any legal equivalent thereof in a foreign country, including the right to claim priority in and to, all letters patent and trademarks and service marks to be obtained by the referenced applications, patents or registrations, and as to letters patents any continuation, division, renewal, or substitute thereof, or any reissue or re-examination thereof, and including the right to collect past, present and future damages thereon;

WHEREAS, it is the intention of the ASSIGNORS and Inventive, LLC (collectively the "Parties") that Inventive, LLC exclusively own all right, title and interest, free and clear of all liens and encumbrances, in all patents, trademarks, service marks, applications therefor, and any legal equivalent thereof in a foreign country, including the goodwill therein, and the right to claim priority in and to, all letters patent and trademarks and service marks to be obtained by the referenced applications, patents or registrations, and as to letters patent any continuation, division, renewal, or substitute thereof, or any reissue or re-examination thereof, and including the right to collect past, present and future damages thereon, that are held for use or used in Inventive, LLC's business as of the date hereof, such assets to include without limitation the items set forth in Exhibit A (collectively the "IP"); and

By and through this Assignment of IP, the ASSIGNORS hereby transfer all their respective interests in and to the IP to Inventive, LLC (the "ASSIGNEE"). If any of the IP is already owned by ASSIGNEE, this assignment is moot as to that IP.

Accordingly, in consideration of the payment by ASSIGNEE to ASSIGNORS of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, as the sole consideration:
