TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("**Trademark Assignment**"), dated as of May 10, 2023, is made by FASTRAC ACQUISITION COMPANY, a Colorado corporation ("**Assignor**"), having a business address at 2700 N Freeway, Pueblo, Colorado, in favor of SERENITY ACQUISITION COMPANY, a Delaware Corporation ("**Assignee**"), having a business address at 4710 Northpark Drive, Suite 100, Colorado Springs, Colorado, 80918.

WHEREAS, Assignor desires to assign and transfer to Assignee the Assigned Trademarks (as defined below) and Assignor and Assignee have agreed to execute and deliver this Trademark Assignment evidencing said assignment and transfer.

NOW THEREFORE, Assignor agrees as follows:

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor's right, title, and interest in and to the following: (a) the trademarks and service marks, trademark and service mark registrations, trademark and service mark applications, trade names, domain names, logos, and other designations set forth on Schedule 1 hereto, and all issuances, extensions, and renewals thereof (the "**Assigned Trademarks**"), together with the goodwill of the business connected with the use of, and symbolized by, all of the Assigned Trademarks, and the common law rights in or to any of the Assigned Trademarks; provided that, with respect to any United States intent-to-use trademark applications set forth on hereto, the transfer of such applications accompanies the transfer of Assignor's business to which the trademark pertains, or that portion of the business to which the trademark pertains, and said business is ongoing and existing; (b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world; (c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and (d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

By virtue of this Assignment, all of the Assignor's interests in the foregoing properties are to be owned by said Assignee, its successors and assigns, as fully and entirely as would have been held and enjoyed by Assignor had this Assignment not been made.

The Assignor represents, warrants, covenants, and agrees that the Assignor has the full and unencumbered right to sell, assign, transfer, and convey the interests herein sold, assigned, transferred, and conveyed, and that the Assignor has not executed and will not execute any document or instrument in conflict herewith.

Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record and register this Trademark Assignment upon request by
