INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of May 19, 2023 (as amended, restated, supplemented or otherwise modified from time to time, this “Intellectual Property Security Agreement”), is made by each of the signatories hereto (the “Grantor”) and Barclays Bank PLC, as Administrative Agent (in such capacity and together with its successors in such capacity, the “Administrative Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, Post Holdings, Inc., a Missouri corporation (the “Borrower”), has entered into the Second Amended and Restated Credit Agreement, dated as of March 18, 2020 (as further amended, restated, supplemented, replaced or otherwise modified from time to time, the “Credit Agreement”) with the banks and other financial institutions and entities from time to time party thereto, and the Administrative Agent.

WHEREAS, the Credit Agreement amends and restates the Borrower’s Amended and Restated Credit Agreement dated as of March 28, 2017 (which itself amended and restated the Borrower’s Credit Agreement dated as January 29, 2014 as it was amended, restated, supplemented, replaced or otherwise modified prior to March 28, 2017).

WHEREAS, the Administrative Agent, the Borrower and certain other grantors from time to time thereto were parties to that certain Amended and Restated Guarantee and Collateral Agreement, dated as of March 28, 2017, which amended and restated that certain Guarantee and Collateral Agreement dated as of January 29, 2014 as it was amended, restated, supplemented, replaced or otherwise modified prior to March 28, 2017 (collectively, the “Original GCA”).

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement that the Grantor shall have executed and delivered that certain Second Amended and Restated Guarantee and Collateral Agreement, dated as of March 18, 2020, in favor of the Administrative Agent (as further amended, restated, supplemented, replaced or otherwise modified from time to time, the “Guarantee and Collateral Agreement”), which amends and restates the Original GCA. Capitalized terms used and not defined herein have the meanings given to such terms in the Guarantee and Collateral Agreement.

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantor has granted a security interest in certain property, including, without limitation, the Intellectual Property Collateral (as defined below), to the Administrative Agent for the benefit of the Secured Parties, and have agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and the Canadian Intellectual Property Office, as applicable.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

1. Grant of Security. The Grantor hereby grants to the Administrative Agent for the benefit of the Secured Parties a security interest in and to all of Grantor’s right, title and interest in and to the following (the “Intellectual Property Collateral”), as collateral security for the prompt and complete

payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Grantor's Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof, including, without limitation, each registration and application identified in Schedule 1 attached hereto (however, not including any pending "intent-to-use" application for registration of a trademark or service mark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal Law), together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the foregoing, (ii) the right to sue or otherwise recover for any and all past, present and future infringements, dilutions and other violations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements, dilutions and other violations thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto;

(b) (i) all patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified in Schedule 1 attached hereto, (ii) all inventions and improvements described and claimed therein, (iii) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, reexaminations and extensions thereof, and all improvements thereon, (iv) the right to sue or otherwise recover for any and all past, present and future infringements and other violations thereof, (v) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements and other violations thereof), and (vi) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto;

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 1 attached hereto, (ii) the rights to print, publish and distribute any of the foregoing, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and other violations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements and other violations thereof), and (v) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto; and

(d) to the extent not otherwise included, any and all Proceeds of the foregoing.

2. Recordation. The Grantor authorizes and requests that, as applicable, the Register of Copyrights, the Commissioner for Patents, the Commissioner for Trademarks and any other applicable federal United States or federal Canadian government officer record this Intellectual Property Security Agreement.

3. Execution in Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts (including by facsimile or other electronic imaging means), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

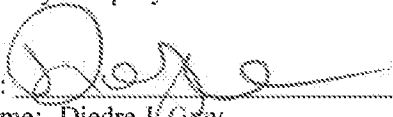

4. Governing Law. This Intellectual Property Security Agreement and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relate in any way hereto or the negotiation, execution or performance thereof or the transactions contemplated hereby, unless otherwise expressly set forth therein, shall be governed by, and construed in accordance with, the law of the state of New York.

5. Conflict Provision. The security interest granted pursuant to this Intellectual Property Security Agreement has been granted in conjunction with the security interest granted to the Administrative Agent for the benefit of the Secured Parties pursuant to the Guarantee and Collateral Agreement. The rights and remedies of the Administrative Agent with respect to the security interest granted herein are more fully set forth in the Guarantee and Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.
