Unregistered Mark

RIPL

Assignor represents that the unregistered mark RIPL, like the registered design mark, has been in continuous use by Assignor or an authorized entity in interstate commerce since at least as early as August 3, 2015 and as of the date of assignment. Its use is in International Class 9 as integrity management software, namely, computer software for developing, maintaining, analyzing, and reporting on the integrity of pipeline systems, and computer software to assist oil and gas pipelines with compliance with industry regulations. Its use is also in International Class 42 as consulting

services for the configuration and use of integrity management software, and consulting services related to oil and gas regulatory compliance.

This transfer includes all income, royalties, and damages that may be due to Assignor on and after the Effective Date, including damages for past infringements and misappropriations, and the right to sue for past, present, and future infringements and misappropriations.

This Assignment is exclusive. Assignor may not make any further use of the Works or derivatives thereof without written consent and license from the Assignee.

3. **Effective Date:** This Assignment is effective as of June 30, 2022.

IN WITNESS WHEREOF, Ed Kruff, President of Assignor American Innovations, Ltd., hereby executes this Assignment at Austin, Texas this 24 day of May, 2023.
