**TERMINATION AND RELEASE OF SECURITY INTEREST IN  
INTELLECTUAL PROPERTY**

**THIS TERMINATION AND RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY** dated as of May 26, 2023 (“Release”), is made by **WESTERN ALLIANCE BANK**, an Arizona corporation, in its capacity as administrative agent for the Lenders (together with its successors and assigns, in such capacity, the “Agent”), under that certain Confirmatory Grant of Security Interest in Intellectual Property dated as of February 10, 2023, by **ATLAS TECHNOLOGY SOLUTIONS INC.**, a Delaware corporation (“Company”), in favor of Agent, and recorded with the United States Patent and Trademark Office (“USPTO”) at reel/frame 7978/0487 on February 24, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the “IP Security Agreement”). Capitalized terms used but not defined herein shall have the meanings set forth in the IP Security Agreement.

**WHEREAS**, pursuant to the IP Security Agreement, Company granted, on behalf of and for the benefit of the Agent and the Lenders, a continuing security interest (and thereby confirmed its grant of a continuing security interest to Agent, on behalf of and for the benefit of itself and the Lenders under the Loan Agreement) in and to any and all of Company’s right, title and interest in and to the IP Collateral (as defined below).

**WHEREAS**, Agent has agreed to terminate and release its security interest in all of such IP Collateral.

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, Agent does hereby (for itself and for the Lenders) (a) terminate the liens and security interest created under the IP Security Agreement in the IP Collateral, (b) release its security interest in the IP Collateral, and (c) discharge any and all rights, title and interest it has in and the security interest granted to Agent in the following (collectively, the “IP Collateral”):

(i) patents and patent applications, including, without limitation, the inventions and improvements described and claimed therein, and those patents listed on Exhibit A attached hereto and hereby made a part hereof, and (a) all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (b) all income, royalties, damages, proceeds and payments now and hereafter due or payable under or with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (collectively, the “Patents”);

(ii) trademarks, trademark registrations, trademark applications, trade names, tradestyles, brand names, service marks, service mark registrations and service mark applications, including, without limitation, the trademarks, trade names, brand names, service marks and applications and registrations thereof listed on Exhibit B attached hereto and hereby made a part hereof, and (a) all renewals or extensions thereof, (b) the goodwill of the Company’s business connected and associated with and symbolized thereby, (c) all income, royalties, proceeds, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (d) the right to sue for past, present and future infringements thereof, and (e) all rights corresponding thereto throughout the world, if any, excluding any “intent to use” trademark applications for which a statement of use has not been filed with and accepted by the USPTO (but only until such statement is filed and has been accepted) (collectively, the “Trademarks”); and

(iii) copyrights, copyright registrations and copyright applications, used in the United States, including, without limitation, the copyright registrations and copyright applications listed on Exhibit C

attached hereto and made a part hereof, and (a) renewals or extensions thereof, (b) all income, royalties, proceeds, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (collectively, the "Copyrights").

Agent acknowledges that this Release may be filed along with other necessary documentation with the USPTO or any other governmental office to evidence the release granted herein.

Agent hereby reassigns and conveys to the Company, without any representation by Agent, any and all right, title and interest Agent may have (if any) in and to the IP Collateral.

[SIGNATURE PAGE FOLLOWS]

**IN WITNESS WHEREOF**, Agent has caused this Termination and Release of Security Interest in Intellectual Property to be duly executed as of the date first set forth above.

**WESTERN ALLIANCE BANK**
