17. Set-off

17.1 Consolidation of accounts

In addition to any general lien or similar right which it may be entitled to exercise at any time under any contract or arrangement with the Charger or by operation of law, the Bank shall have the right at any time after this Debenture has become enforceable without notice to the Charger to combine or consolidate all or any of the Charger's then existing accounts opened pursuant to this Debenture or otherwise with the Bank with any liabilities of the Charger to the Bank and to set off or transfer any sum or sums standing to the credit of any one or more of such accounts in or towards satisfaction of any of the liabilities of the Charger to the Bank on any other such account or in any other respect. The liabilities referred to in this Clause 17.1 (*Consolidation of accounts*) may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this Clause may be denominated in any currency.

17.2 Set-off

In addition to any right which it may be entitled to exercise at any time under any contract or arrangement with the Charger or by operation of law, after this Debenture has become

enforceable the Bank may set off any Secured Obligations due and payable by the Charger against any obligation (whether or not matured) owed by the Bank to the Charger regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Bank may convert any obligation in the manner provided in Clause 19 (*Currency*).

18. Payments

18.1 Manner of payment

All payments to be made by the Charger under this Debenture shall be made in the same currency in which the relevant Secured Obligations are expressed to be payable.

18.2 Appropriation of payments

The Bank shall have an absolute and unfettered right to appropriate any payments received from the Charger to such indebtedness of the Charger under the Loan Documents as the Bank may determine, to the exclusion of any right on the part of the Charger to make an appropriation in respect of such payments.

19. Currency

19.1 Currency indemnity

If any sum due from the Charger under this Debenture (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

- (a) making or filing a claim or proof against the Charger; or
- (b) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Charger shall as an independent obligation, within three Business Days of demand, indemnify the Bank against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (i) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (ii) the rate or rates of exchange available to the Bank at the time of its receipt of that Sum.

19.2 Waiver

The Charger waives any right it may have in any jurisdiction to pay any amount under this Debenture in a currency other than that in which it is expressed to be payable.

20. Suspense account

For so long as any of Secured Obligations is outstanding, all monies received, recovered or realised by the Bank under this Debenture (including the proceeds of any conversion of currency) may in the discretion of the Bank be credited to an interest bearing suspense or impersonal account and may be held in such account for so long as the Bank may think fit.

21. The Bank's remedies

21.1 Effect of release

Any receipt, release or discharge of the security provided by, or of any liability arising under, this Debenture shall not release or discharge the Charger from any liability to the Bank for the same or any other liability which may exist independently of this Debenture.

21.2 Arrangements with third parties

The Bank may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Debenture (whether or not such person or persons are jointly liable with the Charger) in respect of any of the Secured Obligations or of any other security for, or guarantee in respect of, the Secured Obligations, without prejudice either to the security created by or pursuant to this Debenture or to the liability of the Charger for the Secured Obligations or the exercise by the Bank of any rights, remedies and privileges conferred upon it by this Debenture.

21.3 Rights cumulative

The rights, powers and remedies provided in this Debenture are cumulative and are not, nor are they to be construed as, exclusive of any rights, powers or remedies provided by law, or under any other document or agreement.

21.4 Waiver

No failure by the Bank to exercise, or delay in exercising, any right or remedy provided by this Debenture or by law, shall operate as a waiver of such right or remedy, nor shall any single or partial waiver of any right or remedy preclude any further or other exercise of that right or remedy or the exercise of any other such right or remedy.

21.5 Costs

All the costs, charges and expenses of the Bank properly incurred in relation to the negotiation, preparation, printing, execution, registration and perfection of this Debenture shall be reimbursed by the Charger to the Bank within five Business Days of demand on a full indemnity basis and unless so paid shall carry interest from the date incurred to the date of reimbursement at the Default Rate.

21.6 Insolvency relation back

- (a) Any settlement or discharge between the Bank and the Charger shall be conditional upon no security of, or payment to, the Bank (whether by the Charger or otherwise) being avoided or reduced or required to be paid away by virtue of any requirement (whether or not having the force of law) or enactment, whether relating to bankruptcy, insolvency, liquidation, administration or otherwise, at any time in force or by virtue of any obligation to give effect to any preference or priority and the Bank shall be entitled to recover the value or amount of any such security or payment from the Charger as if such settlement or discharge had not occurred.
- (b) If the Bank reasonably considers that an amount paid by the Charger (or any other person) to the Bank under any contract or agreement giving rise to, concerning or securing the Secured Obligations is capable of being avoided or set aside on the winding-up or administration of the Charger or such other person or otherwise then that

amount shall not be considered to have been irrevocably paid for the purposes of this Debenture.

22. Provisions severable

Every provision contained in this Debenture shall be severable and distinct from every other provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected.

23. The Bank's discretion

Subject to any provision expressly to the contrary and subject to any duty imposed by general law, any power which may be exercised or any determination which may be made under this Debenture by the Bank may be exercised or made in the absolute and unfettered discretion of the Bank.

24. Certificates

Any certification or determination by the Bank of a rate or amount under this Debenture is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

25. Assignment

- (a) The Bank shall be entitled at any time, with prior written notice, but without the consent of the Charger, to assign all or any of its rights and benefits under this Debenture to any person to whom the rights and benefits of the Bank under the Loan Agreement are assigned or transferred in accordance with its terms and this Debenture shall remain in full force and effect after, and shall continue to secure the Secured Obligations after and resulting from, any such assignment or transfer.
- (b) The Charger shall enter into any documents specified by the Bank to be necessary to give effect to any assignment or transfer contemplated by paragraph (a) of this Clause 25 (*Assignment*).
- (c) Subject to compliance with applicable laws, the Bank may disclose such information about the Charger and the assets as the Bank thinks fit to a potential assignee or transferee of all or any part of its rights under this Debenture (provided, however, the Bank shall use commercially reasonable efforts to obtain such prospective transferee's or assignee's agreement to the terms of Clause 29 (*Confidentiality*) of the Loan Agreement), or to any person who may otherwise enter into contractual relations with the Bank in relation to any of the Secured Obligations, or to any person to whom, and to the extent that, information is required to be disclosed by any applicable law or regulation, or to any person at any time after the security created by this Debenture has become enforceable or the disclosure is in connection with the protection or enforcement of the Bank's rights under this Debenture.
- (d) The Charger may not assign or transfer all or any part of its rights and/or obligations under this Debenture.

26. Release

Upon the expiry of the Security Period (but not otherwise), the Bank will, at the request and reasonable cost of the Charger, take whatever action is necessary to release the Collateral from the security created by this Debenture.

27. Third party rights

Unless expressly provided to the contrary in this Debenture, a person who is not a party to this Debenture has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Debenture. Notwithstanding any provision of this Debenture, the consent of any person who is not a party to this Debenture is not required to rescind or vary this Debenture at any time.

28. Counterparts

This Debenture may be executed in any number of counterparts and by the different parties on separate counterparts and this will have the same effect as if the signatures on the counterparts were on a single copy of this Debenture and each such counterpart shall be treated as an original.

29. Notices

Any notice or other communication to be made under or in connection with this Debenture or by applicable law shall be made as provided in the Loan Agreement.

30. Governing law and jurisdiction

30.1 Governing law

This Debenture and any non-contractual obligations arising out of or in connection with it shall (save to the extent expressly stated to the contrary) be governed by English law, save for Clause 3.15 (*US credit balances*) which shall be governed by the law of the Relevant State.

30.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture (including a dispute relating to the existence, validity or termination of this Debenture or any non-contractual obligation arising out of or in connection with this Debenture) (a "**Dispute**").
- (b) The parties to this Debenture agree that the courts of England and Wales are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 30.2 (*Jurisdiction*) is for the benefit of the Bank only. As a result, the Bank shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Bank may take concurrent proceedings in any number of jurisdictions.
