Trademark Assignment Agreement

This Assignment Agreement, effective as of the date written below, is hereby entered into by and between RealMed Corporation, a Delaware corporation (“**Assignor**”), and AGS Health LLC, a Delaware limited liability company (“**Assignee**”).

Recitals

WHEREAS, Assignor has adopted and used in the business U.S. Trademark Reg. No. 4729059 for the mark AUTHPAL (the “**Mark**”);

WHEREAS, Assignee desires to acquire any and all rights that Assignor may have in and to the Mark and any applications or registrations therefor, together with the goodwill of the business in connection with which the Marks are used and which are symbolized by the Marks, along with the right to recover damages and profits for past infringements thereof.

Agreement

NOW, THEREFORE, in consideration of the recitals, the terms and conditions herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Assignment. Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, all of its right, title and interest, in the United States of America and all other countries, in, to and under the Mark, including any and all goodwill associated therewith, all registrations and applications for registration therefor, all common law rights therein, any and all trademark and/or service mark rights related thereto, and all past, present and future income, royalties, fees, damages and payments now or hereafter due or payable in respect thereto, and in and to any and all past, present and future causes of action (either in law or in equity), and the right to enforce any rights and file any causes of action, including the right to recover damages, for any past, present or future infringement or misappropriation of the Mark.

2. Miscellaneous. Assignor hereby agrees to execute, acknowledge and deliver any and all documents as Assignee, in its discretion, deems desirable or necessary to make a record with any and all government agencies, authorities, courts, tribunals or third parties, of the fact that Assignee owns all right, title and interest in and to the Mark, and any and all goodwill associated therewith, and that Assignor no longer has any right, title or interest, of any kind or nature, in or to the Marks.
