TRADEMARK REGISTRATION ASSIGNMENT

VirusShield, Inc., a California Corporation having a place of business at 8291 Santaluz Village Green North, San Diego, California 92127 (hereafter the "Assignor"), is the owner of the Trademark Registrations and Applications identified below (hereafter sometimes called the "Trademark Assets"). De Nova Technology Inc., a Nevada Corporation having a place of business at 4031 Alvis Court, Rocklin, California 95677 (hereafter the "Assignee"), desires to acquire all of the rights to the Trademark Assets and the good will symbolized by the Trademark Assets.

THEREFORE, for valuable consideration paid to it, and with an effective date of **June 13, 2023**, Assignor hereby sells and assigns to the Assignee the entire right, title and interest in the Trademark Assets identified below and the good will symbolized by the Trademark Assets, and the registration of the Trademark Assets, together with all income, royalties, and damages hereafter due or payable to Assignor with respect to the Trademark Assets, including without limitation damages and payments for past or future infringements and misappropriations of the Trademark Assets; and all rights to sue for past, present and future infringements or misappropriations of the Trademark Assets.

Assignor warrants that it is the legal owner of all right, title, and interest in the Trademark Assets; that the Trademark Assets have not been otherwise previously pledged, assigned, or encumbered; and that this assignment does not infringe on the rights of any person. Assignor agrees to cooperate with Assignee and to execute and deliver all papers, instruments and assignments as may be necessary to vest all right, title, and interest in and to the Trademark Assets, including, without limitation, recordation of the assignment in the United States Patent and Trademark Office.
