WHEREAS, pursuant to a loan agreement (“**Loan Agreement**”) among Grantor and Secured Party thereto, Grantor executed and delivered to Secured Party a trademark security agreement by and between Grantor and Secured Party (“**Trademark Security Agreement**”);

WHEREAS, pursuant to the Trademark Security Agreement, Grantor pledged and granted to Secured Party for the ratable benefit of the Secured Party a security interest in and to all of the right, title and interest of such Grantor in, to and under the Trademark Collateral (as defined below);

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office at Reel 2612, Frame 0574 on October 28th, 2002; and

WHEREAS, Grantor has requested that Secured Party enter into this Release in order to effectuate, evidence and record the release and reassignment to Grantor of any and all right, title and interest Secured Party may have in the Trademark Collateral pursuant to the Trademark Security Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Secured Party hereby states as follows:

1. Release of Security Interest. Secured Party, their successors, legal representatives and assigns, hereby terminates the Trademark Security Agreement and terminates, releases and discharges any and all security interests that it has pursuant to the Trademark Security Agreement in any and all right, title and interest of Grantor, and reassigns to Grantor any and all right, title and interest that it may have, in, to and under the following (collectively, “**Trademark Collateral**”):

(a) any and all trademarks, service marks, trade names, brand names, logos, trade dress, design rights and other similar designations of source, whether registered or unregistered, including the trademark registrations and applications set forth in **Schedule 1** hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof (“**Trademarks**”);

(b) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

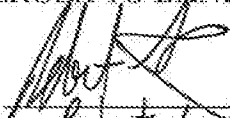

2. Further Assurances. Secured Party agrees to take all further actions, and provide to Grantor and its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as Grantor and its successors, assigns and legal representatives may reasonably request in order to confirm, effectuate or record this Release.
