## Trademark Assignment Agreement

This Trademark Assignment Agreement (“Trademark Assignment”), dated as of May 25, 2023, is made by Acumen Health Holdings, LLC, a limited liability company organized under the laws of Delaware (“Assignor”), in favor of PRN Physician Recommended Nutraceuticals, LLC, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor and Assignee are affiliates and Assignor wishes to transfer to Assignee all of its right, title, and interest in and to the registered trademarks of Assignor disclosed on Schedule 1 to this Trademark Assignment along with all goodwill connected with the use of, and symbolized by such trademarks (the “Assigned Trademarks”);

NOW THEREFORE, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably assigns, transfers, sells, and conveys to Assignee and its successors and assigns, and Assignee hereby accepts, all of Assignor’s entire right, title, and interest in and to the Assigned Trademarks, including any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office, and its counterpart in any other applicable jurisdiction throughout the world, to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.

3. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

4. Successors and Assigns. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law. This Assignment will be governed by and construed and enforced in accordance with the internal laws of the State of Delaware without reference to any choice of law rules that would result in the application of the laws of another jurisdiction.
