WHEREAS, Assignor owns the trademark registrations and trade names identified on the attached Schedule A; and

WHEREAS, Assignee wishes to acquire said trademark registrations and trade names identified on the attached Schedule A, Assignor agrees to sell, assign, convey and transfer to Assignee all right, title and interest in each such trademark registrations and trade names listed on Schedule A, all goodwill associated therewith and all related and corresponding rights (collectively, the "Marks").

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, each party hereto agrees as follows:

1. **Assignment.** Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns the entire worldwide right, title and interest in and to the Marks, the ongoing and existing business of Assignor to which the Marks pertain, the goodwill of the business symbolized by the Marks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights and copyright rights in the Marks worldwide, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Marks prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. **Authorization.** Assignor authorizes and requests the Commissioners of Patents and Trademarks and corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. **Further Assurances.** Assignor agrees that at any time and from time to time after the date hereof, at the reasonable request of Assignee and without further consideration, Assignor shall execute and deliver such other instruments and take such action as Assignee may reasonably request to transfer, convey and assign to Assignee, and to confirm Assignee's right, title and interest in and to the Marks and to assist Assignee in exercising all rights with respect thereto.

4. **No Conflicts.** Assignor hereby covenants and agrees that it has the full right to convey its entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.
