TRADEMARK SECURITY AGREEMENT NO. 2

This TRADEMARK SECURITY AGREEMENT, dated as of February 2, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “*Trademark Security Agreement*”), is made by the Persons listed on the signature pages hereof (collectively, the “*Grantors*”) in favor of WILMINGTON TRUST, NATIONAL ASSOCIATION, as collateral agent (the “*Collateral Agent*”) for the Secured Parties (as defined in the Credit Agreement referred to below).

Reference is made to (i) the Credit Agreement, dated as of March 20, 2019 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “*Credit Agreement*”), among Premier Brands Group Holdings LLC, Premier Brands Group Company Inc., the Lenders party thereto from time to time and Wilmington Trust, National Association, as Collateral Agent and Collateral Agent, (ii) each Secured Hedge Agreement and (iii) each agreement relating to Cash Management Services. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement, the Hedge Banks have agreed to enter into and/or maintain one or more Secured Hedge Agreements and the Cash Management Banks have agreed to enter into and/or maintain Cash Management Services, on the terms and conditions set forth in the Credit Agreement, in such Secured Hedge Agreements or agreements relating to Cash Management Services, as applicable.

Whereas, as a condition precedent to the Lenders extension of such credit, the obligation of the Hedge Banks to enter into and/or maintain such Secured Hedge Agreements and the obligation of the Cash Management Banks to enter into and/or maintain such Cash Management Services, each Grantor has executed and delivered that certain Security Agreement dated March 20, 2019, made by the Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Security Agreement*”).

Whereas, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Terms. Terms defined in the Credit Agreement and Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement and Security Agreement.

SECTION 2. Grant of Security. Each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties a continuing security interest in all of the Grantor’s right, title and interest in, to and under the Trademarks set forth on Schedule A attached hereto, but in any event excluding Excluded Assets.

SECTION 3. Security for Obligations. The grant of a security interest in the Trademarks by each Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer of the U.S. Patent and Trademark Office record this Trademark Security Agreement.

SECTION 5. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict or inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the undersigned have executed this Trademark Security Agreement as of the date first above written.
