TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Assignment"), is made effective as June 19, 2023 (the "Effective Date"), by and between Nexgen Oilfield Chemicals, L.L.C, a Delaware limited liability company ("Assignor"), and Foremark Performance Chemicals, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of all right, title, and interest in and to the trademarks listed on the attached Schedule A (the "Marks"), together with the goodwill of the business symbolized by the Marks; and

WHEREAS, Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor, all right, title and interest in and to the Marks, including all goodwill related thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor's right, title and interest in and to the Marks, including all common law rights therein, together with the goodwill of the business symbolized thereby, and the right to sue for and to recover damages for any past, present and future infringements of the Marks, the same to be held and enjoyed by Assignee, its successors, assigns, and other legal representatives. The right, title and interest in the Marks is to be held and enjoyed exclusively by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

2. Assignee shall have the right to record this Assignment with the United States Patent and Trademark Office and all other applicable government authorities. In furtherance hereof, Assignor shall execute and deliver any and all instruments and documents and take such further actions as may be necessary or reasonably requested by Assignee to document and record with the appropriate authorities the aforesaid assignment and transfer of the Marks. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America, and any other applicable governmental authority, to issue or transfer the Marks to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

3. This Assignment may be executed and delivered in counterparts, each of which shall be deemed to be an original, but all of which shall be considered one and the same instrument. The exchange of a fully executed Assignment (in counterparts or otherwise) by facsimile or by electronic delivery in .pdf format shall be sufficient to bind the parties to the terms and conditions of this Assignment, as an original.

4. This Assignment shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.
