EXECUTION VERSION

TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this “*Trademark Assignment*”) is made as of June 27, 2023, by and between Aegis Publications, LLC, a Pennsylvania limited liability company (the “*Assignor*”), and BroadcastMed, LLC, a Delaware limited liability company (the “*Assignee*”).

WITNESSETH:

WHEREAS, the Assignor owns the trademark listed on Schedule A hereto (the “*Trademark*”) and the application for registration thereof pending with the United States Patent and Trademark Office;

WHEREAS, pursuant to the Asset Purchase Agreement, dated as of August 12, 2022 the date hereof (the “*Purchase Agreement*”), by and among the Assignor, Dental Learning Systems LLC, a Delaware limited liability company, the Assignee and certain other parties thereto, the Assignor has agreed to convey and transfer certain Intellectual Property Rights, including, without limitation, the Trademark, to the Assignee; and

WHEREAS, the Assignee desires to acquire all rights, title and interests in, to and under the Trademark and the goodwill associated therewith.

NOW, THEREFORE, in consideration of the mutual promises set forth in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Assignor:

1. All capitalized words and terms used in this Trademark Assignment and not otherwise defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.

2. The Assignor hereby sells, assigns, and conveys to the Assignee, its successors and assigns, all rights, title and interests throughout the world in and to the Trademark the application for registration and any registration resulting therefrom, together with the goodwill of the Business connected with and symbolized by the Trademark and all rights and powers arising or accrued therefrom. The Assignor further sells, assigns and transfers to the Assignee any income, royalties, damages, or payment due or payable as of the date hereof or hereafter with respect to the Trademark, including, without limitation, any claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademark, with the right to sue for, and collect the same for the Assignee’s own use and enjoyment, and for the use and enjoyment of its successors and assigns.

3. The Assignor hereby authorizes the Commissioner (or other appropriate representative) of Trademark in the United States Patent and Trademark Office, to record and register this Trademark Assignment upon request by the Assignee. Following the date hereof, upon the Assignee’s reasonable request, and at the Assignee’s sole cost and expense, the Assignor shall take such steps and actions, and provide such cooperation and assistance to the Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as

may be reasonably necessary to effect, evidence, or perfect the assignment of the Trademark to the Assignee, or any assignee or successor thereto.

4. This Trademark Assignment is subject to all the terms and conditions of the Purchase Agreement and is intended only to assist with consummation of the transactions contemplated thereby with respect to the Trademark. No provision of this Trademark Assignment shall be deemed to enlarge, alter or amend the terms or provisions of the Purchase Agreement, and this Trademark Assignment shall not create any additional obligation or liability for the Assignor or the Assignee beyond those already specified in or contemplated by the Purchase Agreement. Notwithstanding anything to the contrary set forth herein, if there is any conflict between the terms and conditions of this Trademark Assignment and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall control.

5. This Trademark Assignment may be executed in multiple counterparts, each of which may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, *e.g.*, www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes and shall be deemed an original and all of which shall be deemed, collectively, as one agreement.

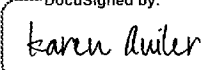

6. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without regard to the principles of conflicts of laws thereunder.

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned have caused their duly authorized officers to execute this Trademark Assignment on the day and year first above written.
