**Grant of Security Interest  
in United States Patents and Trademarks**

This **PATENT AND TRADEMARK SECURITY AGREEMENT**, dated as of June 22, 2023 (as it may be amended, restated, supplemented or otherwise modified from time to time, this "**Agreement**"), is made by the entities identified as grantors on the signature pages hereto (collectively, the "**Grantors**") in favor of HSBC UK BANK PLC, as Security Agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the "**Security Agent**").

**WHEREAS**, the Grantors are party to a Pledge and Security Agreement dated as of June 22, 2023 (the "**Pledge and Security Agreement**") between each of the Grantors and the other grantors party thereto and the Security Agent pursuant to which the Grantors granted a security interest to the Security Agent in the Patent and Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Security Agent as follows:

**SECTION. 1. Defined Terms**

Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

**SECTION 2. Grant of Security Interest**

Each Grantor hereby grants to the Security Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor's right, title and interest in, to and under the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (all of the following items or types of property, other than to the extent constituting an Excluded Asset, being herein collectively referred to as the "Patent and Trademark Collateral"):

- (i) each United States and foreign patent and patent application, including each Patent and Patent Application referred to on Schedule A hereto;
- (ii) each Patent License, including each Patent License listed on Schedule A hereto;
- (iii) each United States and foreign trademark, trademark registration and trademark application, and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, trademark registration and trademark application, including each Trademark, Trademark Registration and Trademark Application referred to in Schedule B hereto;
- (iv) each Trademark License, whether registered or not, including each Trademark License referred to in Schedule B hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and
- (v) all products and proceeds of the foregoing, including any claim by the Grantor against third parties for past, present or future infringement of any Patent, or past, present or future infringement or dilution of any Trademark or Trademark registration, including any Patent or Trademark listed on Schedule A or B hereto, or under any Patent or Trademark licensed under any Patent License or Trademark License, including any such License listed on Schedule A or B hereto, or for injury to the goodwill associated with any Trademark, Trademark registration or Trademark License.

**SECTION 3. Pledge and Security Agreement**

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Security Agent for the Secured Parties pursuant to the Pledge and Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Security Agent with respect to the security interest in the Patent and Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

**SECTION 4. Governing Law**

**THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE SUBJECT TO THE PROVISIONS REGARDING GOVERNING LAW, SUBMISSION TO JURISDICTION AND WAIVER OF JURY TRIAL SET FORTH IN SECTIONS 8.14, 8.15 AND 8.16 OF THE PLEDGE AND SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.**

**SECTION 5. Termination**

Upon the occurrence of the Senior Discharge Date and termination of the Pledge and Security Agreement, the Security Agent shall execute, acknowledge and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Patent and Trademark Collateral under this Agreement.

**SECTION 6. Counterparts**

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Signature Pages Follow]

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first written above.
