**WHEREAS**, Assignor and Assignee entered into that certain Asset Purchase Agreement (the “Agreement”) wherein Assignor transferred all rights, title, interest, in and to the trademarks and associated goodwill, copyright protected works of authorship, and any other intellectual property referenced in the Agreement throughout the world which include, but are not limited to, the marks identified in the attached Exhibit A (the “Marks”) and the copyright associated with the works identified in the attached Exhibit A (the “Works”); and

**WHEREAS**, the Parties desire to document the transfer of rights from Assignor to Assignee in a form acceptable for recordation with the appropriate governmental agencies.

**NOW, THEREFORE**, in consideration of the foregoing, which are incorporated into this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby agrees as follows:

1. Assignment of Marks and Works. Assignor hereby sells, assigns, and transfers to Assignee any and all of Assignor’s right, title, interest in and to the Marks throughout the world, including all rights of priority, together with any and all goodwill of the business embodied in the Marks. Assignor hereby sells, assigns, and transfers to Assignee, any and all of Assignor’s right, title, interest in and to the Works throughout the world. The foregoing assignments shall include all domestic and foreign Marks and Works, whether registered or not, and whether identified in the Exhibit or not, and shall include (A) any and all applications or registrations; (B) all rights to causes of action and remedies related thereto including, without limitation, the right to sue for past, present, or future infringement, misappropriation, or violation of any rights related to the foregoing; and (C) any other rights and interests arising out of, in connection with, or in relation to the Marks and Works.
2. Further Documentation. Assignor agrees it will make, execute and deliver any and all other instruments in writing including any and all further affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to it relating to the foregoing Marks and Works and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the Marks and Works, and associated rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended to be sold, assigned, or conveyed.
3. Power of Attorney. Assignor irrevocably appoints the Assignee to be its attorney in its name and on its behalf to execute all documents in Assignor’s name, use the Assignor’s name and do all things which the Assignee at its absolute discretion may consider necessary or desirable for the Assignee to obtain for itself or its nominee the full benefit of the Agreement and this Assignment, including delegating such power to Assignee’s attorneys, for the purpose of documenting and recording the transfer of the Marks and Works from Assignor to Assignee.
