TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of May 31, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”), is made by ABB/CON-CISE OPTICAL GROUP, LLC, a Delaware limited liability company (“**Grantor**”) in favor of Owl Rock Capital Corporation, as Administrative Agent and Collateral Agent for the Secured Parties (in such capacities and together with its successors and permitted assigns, the “**Collateral Agent**”).

WHEREAS, Grantor is party to that certain Security Agreement, dated as of February 23, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among Grantor, the other grantors party thereto and the Collateral Agent pursuant to which Grantor granted a security interest to the Collateral Agent in the Trademark Collateral (as defined below) and is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. GRANT OF SECURITY INTEREST

Grantor, as security for the payment and performance in full of the Secured Obligations of Grantor (including, if Grantor is a Guarantor, the Secured Obligations of Grantor arising under the Guaranty), hereby grants and pledges to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a continuing security interest in all right, title and interest in or to any and all of the following assets and properties, wherever located and whether now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (i) all Trademarks, including those listed on Schedule A hereto,
- (ii) all rights to sue or otherwise recover for infringements, dilutions or other violations thereof, and
- (iii) to the extent not otherwise included, all Proceeds, products, accessions, rents and profits of any and all of the foregoing;

provided that the Trademark Collateral shall not include any Excluded Assets; *provided* further that if and when any of the foregoing property or assets cease to be Excluded Assets, a lien on and security interest in such property or asset shall immediately and automatically be deemed granted therein and such property or asset shall constitute and be a part of the “**Trademark Collateral**” and be subject to the terms hereof.

SECTION 2.1 CERTAIN LIMITED EXCLUSIONS

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2 hereof attach to any “intent-to-use” trademark application

prior to the filing and acceptance of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of, or void, such "intent-to-use" trademark application, or any registration that may issue therefrom, under applicable federal law.

SECTION 3. SECURITY AGREEMENT

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Security Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control. This Trademark Security Agreement constitutes a "Loan Document" under and as defined in the Credit Agreement and is subject to the terms and provisions therein regarding Loan Documents.

SECTION 4. RECORDATION

Grantor hereby authorizes and requests that the USPTO record this Trademark Security Agreement.

SECTION 5. TERMINATION

This Trademark Security Agreement shall terminate and the lien on and security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations in accordance with the Loan Documents. Upon the termination of this Trademark Security Agreement, the Collateral Agent shall execute all documents, make all filings, and take all other actions reasonably requested by Grantor, and at Grantor's sole cost and expense, to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein.

SECTION 6. GOVERNING LAW

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 7. COUNTERPARTS

This Trademark Security Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

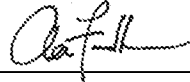

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
