## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into effective as of December 16, 2021, by and between THE ZAPPA TRUST, a California trust (formerly known as THE ZAPPA FAMILY TRUST DESCENDANTS TRUST, a California trust, and successor-in-interest to THE ZAPPA FAMILY TRUST, THE ZAPPA FAMILY TRUST SURVIVORS TRUST, and THE ZAPPA FAMILY TRUST ADMINISTRATIVE TRUST, all California trusts) ("Assignor"), in favor of UMG RECORDINGS, INC. ("Assignee"), a Delaware corporation. Ahmet Zappa, an individual and United States citizen, and Diva Zappa, an individual and United States citizen, are the trustees of each of the aforementioned trusts, or were the trustees of such trusts upon dissolution.

### RECITALS

WHEREAS, Assignor owns all right, title, and interest in and to the Zappa Marks (as defined below);

WHEREAS, Assignor has agreed to assign to Assignee all of Assignor's right, title, and interest in and to such marks as part of the entire business to which the Zappa Marks pertain; and

WHEREAS, Assignee is the successor of the ongoing and existing business to which the Zappa Marks pertain and desires to acquire all of Assignor's right, title and interest in and to such marks.

### AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby mutually acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignment of Zappa Marks. Assignor hereby irrevocably sells, transfers, conveys, assigns, and delivers to Assignee all of Assignor's present and future right, title, and interest in and to the Zappa Marks, together with the goodwill of the business associated therewith throughout the universe and all common law and statutory right, title, and interest in and to the Zappa Marks, all rights of registration, maintenance, renewal, and protection thereof, and all rights of recovery and of legal action for past infringements and other causes of action related to the Zappa Marks (whether now known or unknown to Assignor or Assignee) and of opposition, interference, and/or cancellation proceedings for protection of the Zappa Marks, and all products, proceeds, and revenues arising from or relating to any and all of the foregoing, and all other rights in the Zappa Marks of any nature, whether or not now known, and any and all legal, beneficial, or equitable right to the use or ownership of the Zappa Marks in any and all fields of use now or hereafter existing, and by any means, technology, medium, or manner now known or hereafter developed throughout the universe, and to authorize others to do any or all of the foregoing. Assignor hereby authorizes Assignee, its successors, assigns, or other designees, to the fullest extent permitted by applicable law, to file in its own name applications

in connection with the Zappa Marks, and to secure in its own name the registrations granted thereon throughout the universe.

2. Marks, Defined. For the purposes of this Assignment, "Marks" shall mean all trademarks, service marks, collective marks, certification marks, trade dress, words, names, symbols, emblems, devices, designs, company names, trade names, business designations, assumed names, titles, and other names and designations, and combinations of the preceding items, used to identify or distinguish a business, good, group, person, product, or service or to indicate a form of certification, association, or membership, including, without limitation, logos, product designs, and product features, that are owned, controlled, and/or administered, in whole or in part, directly or indirectly, by Assignor or its affiliates and/or are, have been, or are anticipated to be utilized in connection with Assignor's business, and all rights and goodwill therein and thereto.

3. Zappa Marks, Defined. For the purposes of this Assignment, "Zappa Marks" shall mean all Marks associated with Frank Zappa and any derivatives or portions thereof, all applications and registrations therefor, including, without limitation, the applications and registrations shown in **Exhibit A** appended hereto, and all rights in, arising out of, or associated with such Marks in any jurisdiction, including without limitation: rights in, arising out of, or associated with works of authorship such as logos, whether copyrightable or not, including rights granted under the Copyright Act; rights in, arising out of, or associated with a person's name, voice, signature, photograph, or likeness, including without limitation rights of personality, privacy, and publicity; rights of attribution and integrity and other moral rights of an author; rights in, arising out of, or associated with domain names; and other proprietary or similar rights, including when framed under common law or theories of unfair competition or tortious interference so long as designed to protect intellectual property.

4. Further Acts. Assignor (including each trustee identified above) agrees to provide all assistance reasonably requested by Assignee in the establishment, recordation, and enforcement of Assignee's rights in and to the Zappa Marks. Without limiting the foregoing, Assignor further agrees to execute and deliver any additional assignments, instruments, agreements, certificates, or other documents, and take any further actions, necessary or reasonably requested by Assignee, to effect, perfect or evidence the assignments set forth herein ("**Supporting Documents**"). If Assignor fails or refuses to execute any Supporting Documents, or take such further actions, Assignor hereby authorizes and empowers Assignee to execute and deliver, in the name of Assignor and on Assignor's behalf as Assignor's attorney-in-fact, further Supporting Documents that Assignee, and Assignee's successors or assigns, may deem reasonably necessary or desirable to effectuate the assignment of the Zappa Marks to Assignee and to make appropriate disposition thereof, including, without limitation, filing and/or recording any such documents in appropriate governmental and/or administrative offices anywhere throughout the universe; such power is coupled with Assignee's interest in the Zappa Marks and is irrevocable. Without in any way limiting the foregoing, Assignee may, without further notice to or approval of Assignor, supplement this Assignment by preparing and annexing hereto additional documents for the purposes of clarifying and/or correcting the identification of the Zappa Marks, the owner thereof, and/or any registration or application numbers relating to the Zappa Marks.

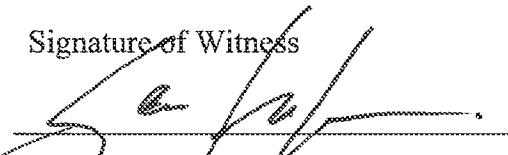

5. Entire Agreement. This Agreement is the entire agreement concerning the subject matter hereof. It supersedes all prior and contemporaneous agreements, assurances, representations, and communications between the parties except the Asset Purchase and Royalty Stream Buy-Out Agreement dated December 16, 2021, the terms of which are incorporated by reference herein and maintain their full force and effect.

IN WITNESS WHEREOF, Assignor and Assignee have executed and entered into this Assignment as of the date first written above.
