PATENT AND TRADEMARK SECURITY AGREEMENT

This Patent and Trademark Security Agreement (“Agreement”) is dated as of June 28, 2023 by HR PHARMACEUTICALS INC., a corporation organized under the laws of the State of Delaware (“HR Pharma”), MEDICAL TECHNOLOGIES OF GEORGIA, LLC., a limited liability company formed under the laws of the State of Georgia (“MTG”) (HR Pharma and MTG, collectively “Borrowers”), WIESMAN CAPITAL & CO., LLC., a limited liability company formed under the laws of the Commonwealth of Pennsylvania (“Capital”), WIESMAN HOLDINGS, LLC, a limited liability company formed under the laws of the Commonwealth of Pennsylvania (“Holdings”), HR PHARMA PARTNERSHIP, LLC, a limited liability company formed under the laws of the Commonwealth of Pennsylvania (“HR Partners”), (Capital, Holdings and HR Partners, collectively, “Entity Guarantors”; together with the Borrowers, collectively, the “Loan Parties” and each, a “Loan Party”), and delivered to PNC Bank, National Association, with a place of business at 1600 Market Street, Philadelphia, PA 19103 (“Agent”).

Reference is made to that certain Revolving Credit, Term Loan and Security Agreement of even date herewith among the Loan Parties, the other Persons from time to time joined thereto as Loan Parties, the financial institutions from time to time party thereto (the “Lenders”) and Agent, as agent for the Lenders (as it may be amended, restated, supplemented or modified from time to time, the “Credit Agreement”). The obligation of Lenders to make Loans under the Credit Agreement is subject to the condition, among others, that the Grantor execute and deliver this Agreement. Each Grantor is a Loan Party and will derive substantial benefits from the extension of credit contemplated by the Credit Agreement and is willing to execute and deliver this Agreement in order to induce Lender to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement, as applicable. The rules of construction specified in Section 1.4 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Credit Agreement did, and hereby does, grant to Lender, its successors and assigns, a security interest in all right, title and interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by Grantor or in, to or under which Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the “Patent and Trademark Collateral”):

(a) all letters patent of the United States of America or the equivalent thereof in any other country or with any multinational body, all registrations and recordings thereof, and all applications for letters patent of the United States of America or the equivalent thereof in any other country or with any multinational body, including registrations, recordings and pending applications in the United States Patent and Trademark Office or any similar office worldwide, including those listed on Schedule I;

(b) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein;

(c) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all applications filed in connection therewith, including registrations and applications in the United States Patent and Trademark Office or any similar offices in any State of the United States of America or any other country or with any multinational body, and all extensions or renewals thereof, including those listed on Schedule II;

(d) all goodwill associated therewith or symbolized thereby;

(e) all other assets, rights and interests that uniquely reflect or embody such goodwill;
and

(f) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation or other violation or impairment of any of the foregoing, including the right to receive all proceeds therefrom, including without limitation license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto, and all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

Notwithstanding the forgoing, the Patent and Trademark Collateral shall not include any Excluded Property.

SECTION 3. Credit Agreement. The security interests granted to Agent herein are granted in furtherance, and not in limitation of, the security interests granted to Agent pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Patent and Trademark Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Credit Agreement, the terms of the Credit Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
