TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Trademark Security Agreement*”) dated July 7, 2023 is made by the Persons listed on the signature pages hereof (collectively, the “*Grantors*”) in favor of PNC BANK, NATIONAL ASSOCIATION, as Agent (as defined in the Credit Agreement referred to below).

WHEREAS, TECOSTAR HOLDINGS, INC., a Delaware corporation (the “*Borrowing Agent*”), as a Borrower, the other Borrowers party thereto from time to time, CB TITAN MIDCO HOLDINGS, INC., a Delaware corporation (“*Holdings*”), the other Loan Parties party thereto from time to time, the Lenders party thereto from time to time and PNC BANK, NATIONAL ASSOCIATION, as Agent have entered into that certain Revolving Credit and Security Agreement, dated as of July 7, 2023 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “*Credit Agreement*”) pursuant to which, the Lenders have agreed to extend credit to the Borrowing Agent and the other Borrowers subject to the terms and conditions set forth therein.

WHEREAS, under the terms of the Credit Agreement, the Grantors have granted to the Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Terms. Terms defined in the Credit Agreement not otherwise defined herein are used herein as defined in the Credit Agreement.

SECTION 2. Grant of Security. Each Grantor hereby collaterally assigns, pledges and grants to the Agent, its successors and assigns, for the benefit of the Secured Parties a continuing security interest in all of such Grantor’s right, title and interest in and to the following, whether now owned or existing or hereafter acquired or arising by such Grantor (collectively, the “Trademark Collateral”):

(a) all trademarks, trademark applications, service marks, domain names, trade dress, logos, designs, slogans, trade names, business names, corporate names and other source identifiers, whether registered or unregistered (provided that no security interest shall be granted in United States intent-to-use trademark applications prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law), together, in each case, with the goodwill symbolized thereby;

(b) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(c) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(d) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Trademark Collateral of or arising from any of the foregoing.

SECTION 3. Security for Obligations. The grant of a security interest in the Trademark Collateral by each Grantor under this Trademark Security Agreement secures the payment or performance, as the case may be, in full of the Obligations. Without limiting the generality of the foregoing, this Trademark Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations that would be owed by such Grantor to any Secured Party under the Other Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, or reorganization or similar proceeding involving a Loan Party.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 5. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Credit Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Agent with respect to the Trademark Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

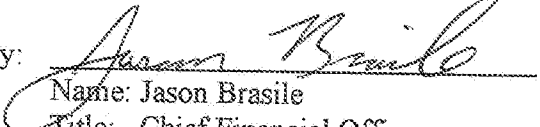

SECTION 7. Governing Law; Waiver of Jury Trial, Etc. Article XII and Section 16.1 of the Credit Agreement are hereby incorporated by reference, *mutatis mutandis*.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the undersigned have executed this Trademark Security Agreement as of the date first above written.

TECOMET INC.,  
SYMMETRY MEDICAL MANUFACTURING  
INC., and  
HARWOOD DESIGN, INC.,
