TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (the “**Assignment**”) is effective as of July 1, 2023 (the “**Effective Date**”) by and between SecurityCo Solutions, Inc., a corporation of Delaware having an address of 8350 Sunlight Drive, Fishers, Indiana 46037, USA (“**Assignor**”), and Securitas Technology Corporation, a corporation of Delaware having an address of 8350 Sunlight Drive, Fishers, Indiana 46037, USA (“**Assignee**”), pursuant to the Asset Contribution Agreement between Assignor and Assignee dated as of the Effective Date (as amended, supplemented, or otherwise modified from time to time, the “**Asset Contribution Agreement**”).

WHEREAS, Assignor has adopted, and is the owner of certain trademarks and service marks, related intellectual property including but not limited to domain names, and all common-law rights pertaining thereto, identified in Schedule A attached hereto and incorporated herein by this reference, and the right, title, and interest thereto (the “**Trademarks**”);

WHEREAS, Assignor has acquired goodwill in the business associated with and symbolized by the Trademarks;

WHEREAS, under the terms of the Asset Contribution Agreement, Assignee is desirous of acquiring all rights, title, goodwill and interest in and to the Trademarks owned by Assignor listed in Schedule A; and

WHEREAS, under the terms of the Asset Contribution Agreement, Assignor is willing to assign to Assignee all rights, title, and interest as Assignor may possess throughout the world in and to the Trademarks listed in Schedule A;

NOW, THEREFORE, effective immediately after the July 1, 2023 trademark assignment between Securitas Electronic Security, Inc. and Assignor, but prior to the July 1, 2023 trademark assignment between Assignee and Securitas Healthcare, LLC, for good and adequate consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby irrevocably conveys, assigns, and transfers to Assignee, and Assignee hereby accepts, all rights, title, and interest as Assignor may possess in and to the Trademarks in Schedule A, together with the goodwill symbolized by said Trademarks, as well as any application, registration, renewal and enforcement interest in and to said Trademarks, provided that, with respect to any United States intent-to-use trademark applications, the transfer of such applications accompanies, pursuant to the Asset Contribution Agreement, the transfer of that portion of the business to which the trademark pertains, and that business is ongoing and existing.

Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee.

Assignor further agrees to execute all documents as may be necessary for Assignee to record the transfer of rights designated in this Assignment.

Assignor and Assignee acknowledge and agree that this Assignment is entered into pursuant to the Asset Contribution Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Security Assets (as defined in the Asset Contribution Agreement). In the event of any conflict or inconsistency between the terms of the Asset Contribution Agreement and the terms hereof, the terms and conditions of the Asset Contribution Agreement shall govern.

IN WITNESS WHEREOF, Assignor has duly executed and delivered this Trademark Assignment as of the Effective Date.

ASSIGNOR

SecurityCo Solutions, Inc.

By: Michael J. Blum
Name: Michael J. Blum
Title: Secretary

Agreed and Accepted by:

ASSIGNEE

Securitas Technology Corporation
