## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") made as of July 7, 2023, by CE RENTAL, INC., a Delaware corporation ("CE Rental"), and SKYLINE TENT COMPANY, a Delaware corporation ("Skyline"), and together with CE Rental, jointly and severally, "Grantors"), in favor of STONEHENGE OPPORTUNITY FUND V, LP, a Delaware limited partnership ("Purchaser").

### W I T N E S S E T H

WHEREAS, CE Rental, as the issuer ("Issuer"), Skyline, the other Note Parties from time to time party thereto, and Purchaser have entered into a certain Note Purchase Agreement dated as of the date hereof (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Note Purchase Agreement") providing for the purchase of the Note (as defined in the Note Purchase Agreement) by the Purchaser from the Issuer, subject to the terms and conditions set forth therein;

WHEREAS, in order to induce Purchaser to purchase the Note as provided for in the Note Purchase Agreement and in consideration of the foregoing and for other good and valuable consideration, Grantors, certain affiliates of Grantors and Purchaser have entered into a certain Guaranty and Security Agreement dated as of the date hereof (as the same may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"); and

WHEREAS, pursuant to the terms of the Security Agreement, Grantors have granted to Purchaser a security interest in substantially all of the assets of Grantors, including all right, title and interest of Grantors in, to and under all now owned and hereafter acquired or arising (collectively, "Trademarks", but excluding, in any event, Excluded Property): (a) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith (other than "intent to use" applications until a verified statement of use or an amendment to alleged use is filed with respect to such applications); (b) all renewals thereof; (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing, under licenses of any of the foregoing, or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing; (d) the right to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing, and all products and proceeds thereof, to secure the payment of all amounts owing by Grantors under the Note Purchase Agreement and the other Note Purchase Documents;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantors agree as follows:

1. Incorporation of Security Agreement. The Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Security Agreement and if not, in the Note Purchase Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, Grantors hereby grant to Purchaser and hereby reaffirm their prior grant pursuant to the Security Agreement of, a continuing security interest in Grantors' entire right, title and interest in and to the following, whether now owned or existing or hereafter created or acquired:

a) each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

b) all products and proceeds of the foregoing, including without limitation, any claim by Grantors against third parties for past, present or future (i) infringement or dilution of any Trademark, or (ii) injury to the goodwill associated with any Trademark.

Notwithstanding anything herein to the contrary, the Trademark shall exclude any Excluded Property and the security interests granted under this Agreement shall not extend to any Excluded Property.

3. Warranties and Representations. Grantors warrant and represent to Purchaser that:

a) except as otherwise disclosed or permitted in the Security Agreement, Grantors are the sole and exclusive owner of, or have the right to use, free from any Liens or other restrictions, claims, rights, encumbrances, licenses, covenants not to sue or burdens (other than Permitted Liens and any liens created pursuant to the Senior Loan Documents (as defined in the Note Purchase Agreement)), each Trademark;

b) As of the date hereof, Grantors have no notice of any suits or actions commenced or threatened with reference to any Trademark, except as could not reasonably be expected to have a Material Adverse Effect; and

c) Grantors have the corporate power and authority to execute and deliver this Agreement and perform its terms.

4. New Trademarks. Grantors represent and warrant that the Trademarks listed on Schedule 1 constitute all of the federally registered Trademarks and applications therefor now owned by Grantors as of the date hereof. If, before Payment in Full of Grantors' Obligations, Grantors shall become aware of any existing federally registered Trademarks, which do not constitute Excluded Property owned by Grantors, of which Grantors have not previously informed Purchaser in accordance with the terms of the Security Agreement, the provisions of this Agreement shall automatically apply thereto and Grantors shall give to Purchaser prompt written notice thereof.

Grantors hereby authorize Purchaser to modify this Agreement by amending Schedule 1 to include any such Trademarks.

5. Duties of Grantors. Grantors shall ensure that any material Trademarks are and remain enforceable. Any expenses incurred in connection with Grantors' obligations under this Section 5 shall be borne by Grantors.

6. Purchaser's Right to Sue. After the occurrence and during the continuance of an Event of Default, Purchaser shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Purchaser shall commence any such suit, Grantors shall, at the request of Purchaser, do any and all lawful acts and execute any and all proper documents reasonably required by Purchaser in aid of such enforcement and Grantors shall promptly reimburse and indemnify Purchaser for all reasonable out-of-pocket costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Purchaser in the exercise of its rights under this Section 6.

7. Cumulative Remedies; Power of Attorney. All of Purchaser's rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantors hereby authorize Purchaser upon the occurrence and during the continuance of an Event of Default beyond any applicable cure period to make, constitute and appoint any officer or agent of Purchaser as Purchaser may select, in its sole discretion, as Grantors' true and lawful attorney-in-fact, with power to (i) endorse Grantors' name on all applications, documents, papers and instruments necessary or desirable for Purchaser in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Purchaser deems to be in the best interest of Purchaser, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantors hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until Payment in Full. Grantors acknowledge and agree that this Agreement is not intended to limit or restrict in any way the rights and remedies of Purchaser under the Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies. Purchaser shall have in addition to all other rights and remedies given to it by the terms of this Agreement and the Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in New York. Grantors hereby further acknowledge and agree that the use by Grantors of the Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Purchaser to Grantors.

8. Release. If any of the Trademark shall be sold, transferred or otherwise disposed of by Grantors to a Person that is not a Note Party in a transaction expressly permitted by the Note Purchase Agreement, such Trademark shall be automatically released from the Liens created hereby, and Purchaser, at the request and sole expense of Grantors and following receipt of a certificate of Responsible Officer of Grantors certifying as to such sale, transfer or other disposition of property having been made in compliance with the Note Purchase Agreement, shall execute and deliver to Grantors all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on the Trademark.

9. Governing Law. THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, INCLUDING FOR SUCH PURPOSES SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK.

10. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but such counterparts shall together constitute but one and the same agreement.
