TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 31, 2023, is between **THE TEACHING COMPANY, LLC**, a Delaware limited liability company (the “Grantor”), and **GOLUB CAPITAL LLC**, a Delaware limited liability company, as administrative agent (in such capacity, the “Grantee”), for the benefit of itself and the other Secured Parties. Capitalized terms used but not otherwise defined in this Trademark Security Agreement shall have the meanings assigned to such terms in the Credit Agreement (as hereinafter defined).

RECITALS

WHEREAS, Grantor owns the Trademark registrations and Trademark applications listed on **Schedule 1** annexed hereto; and

WHEREAS, Grantor entered into that certain Amended and Restated Credit Agreement dated as of July 6, 2018 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), with Grantee, the other Loan Parties party thereto from time to time, Grantor, as Borrower Representative, and the Lenders party thereto from time to time, providing for extensions of credit and other financial accommodations to be made to Borrowers thereunder, including the Grantor, by Lenders; and

WHEREAS, pursuant to the terms of a Security Agreement dated as of August 24, 2015 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by and among Grantor, Grantee, and the other Persons party thereto as “Grantors” thereunder, Grantor has granted to Grantee, for the benefit of itself and the other Secured Parties, a security interest in all of its Collateral, including all right, title and interest of Grantor in and to the Trademark Collateral (as hereinafter defined), to secure the payment of the Obligations.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee, to secure payment of the Obligations, a continuing security interest in all of Grantor’s right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the “Trademark Collateral”), whether now owned or hereafter acquired and whether presently existing or hereafter arising:

- (1) each Trademark registration and Trademark application owned by Grantor, set forth on **Schedule 1** annexed hereto;
- (2) all goodwill of the business associated with the use of, and symbolized by, each such Trademark; and
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement, misappropriation, dilution, violation or impairment of any Trademark registration referred to in **Schedule 1** annexed hereto, and the Trademark registrations issued with respect to the Trademark applications referred to in **Schedule 1** annexed hereto.

Notwithstanding anything to the contrary set forth in this Trademark Security Agreement, no security interest, lien or mortgage in and to, or right of setoff against, is granted in any "intent to use" Trademark applications for which a statement of use or an amendment to allege use has not been accepted (but only until such statement is accepted).

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between any provision of this Trademark Security Agreement and any provision of the Security Agreement, the Security Agreement will control.

This Trademark Security Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

[Remainder of page intentionally left blank; signature page follows.]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer as of the date first written above.
