## **ASSIGNMENT OF INTELLECTUAL PROPERTY**

This Assignment of Intellectual Property (this “Assignment”), effective as of June 16, 2023, is entered into by and among Y Bell Group Pty Limited, an Australian proprietary company (“YBell AU”), YBell Fitness, Inc., a Delaware corporation (“YBell US” and together with YBell AU, “Sellers” or “Assignors,” and each a “Seller” or “Assignor”), and JFXD TRX ACQ LLC, dba TRX®, a Florida limited liability company (“TRX” or “Assignee”).

**WHEREAS**, the Assignors entered concurrently herewith into an Asset Purchase Agreement (the “Purchase Agreement” or “APA”), dated the date hereof, for the sale of certain Purchased Assets by Sellers to TRX as defined and described at Section 2 of the APA;

**WHEREAS**, one of the Purchased Assets as described at Section 2.01(a) of the APA includes all of Sellers’ IP Rights defined as all IP Rights owned solely or co-owned and all IP Rights exclusively licensed or co-exclusively licensed by Sellers (said IP Rights are defined also at Exhibit A of the APA); and

**WHEREAS**, this Assignment is being delivered pursuant to Section 3.02(a) of the APA as the “Intellectual Property Assignments” duly executed by Sellers, transferring all of Sellers’ right, title and interest in an to the Seller IP Rights to TRX via assignment from the Assignors to the Assignee, pursuant to which, among other things, the Sellers agreed to assign all of their right, title and interest in certain IP Rights to the Assignee, including: those certain patents and patent applications identified on Schedule A attached hereto (the “Assigned Patents”); those certain trademark registrations and applications identified on Schedule B attached hereto (the “Assigned Trademarks”); those certain copyright registrations and applications identified on Schedule C attached hereto (the “Assigned Copyrights”); and those certain internet domain name registrations identified on Schedule D attached hereto (the “Assigned Domain Names” and, together with the Assigned Patents, the Assigned Trademarks and the Assigned Copyrights, the “Assigned Intellectual Property”).

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the mutual promises and the representations, warranties, covenants and agreements contained in this Assignment and the APA, and intending to be legally bound hereby, the parties hereto agree as follows:

1. Definitions. All capitalized terms not otherwise defined herein shall have the respective meanings ascribed to such terms in the APA.

2. Conveyance and Acceptance of Assigned Patents. The Sellers hereby sell, transfer, assign, convey and deliver to the Assignee, and the Assignee hereby purchases and acquires, all of the Sellers’ right, title and interest in and to the Assigned Patents, any and all patents and patent applications that claim priority to the Assigned Patents, including continuations, divisions, continuations-in-part, reissues and reexaminations thereof, all rights of action pertaining to the Assigned Patents, including the right to sue and recover for past, present and future infringement thereof, the right to secure registration of the Assigned Patents and of this Assignment, the right to initiate other proceedings before all governmental entities with respect to the Assigned Patents and the right to claim priority, file foreign counterparts and make applications for reissue and

reexamination with respect to the Assigned Patents both in the United States and around the world, and any and all Common Law rights (such as for example UK Design Patent Common Law rights) associated thereto including also for specificity any LA Hague or PCT international rights related thereto. Provided that any damages recovered for past infringements shall be accounted to by the Assignee to the Sellers.

3. Conveyance and Acceptance of Assigned Trademarks. The Sellers hereby sell, transfer, assign, convey and deliver to the Assignee, and the Assignee hereby purchases and acquires, all of the Sellers' right, title and interest in and to the Assigned Trademarks, the goodwill of the business connected with the use of and symbolized by the Assigned Trademarks, the right to sue and recover for past, present and future infringement thereof, the right to secure registration of the Assigned Trademarks and of this Assignment and the right to initiate other proceedings before all governmental entities with respect to the Assigned Trademarks. Sellers and Assignee acknowledge that with respect to the United States intent-to-use trademark applications included in the Assigned Trademarks, the transfer of such applications accompanies, pursuant to the Purchase Agreement, the transfer of Sellers' business, or that portion of the business to which the trademarks pertain, which business is ongoing and existing and any and all Common Law rights associated thereto, and also for specificity any Madrid Protocol international rights associated thereto. Provided that any damages recovered for past infringements shall be accounted to by the Assignee to the Sellers.

4. Conveyance and Acceptance of Assigned Copyrights. The Sellers hereby sell, transfer, assign, convey and deliver to the Assignee, and the Assignee hereby purchases and acquires, all of the Sellers' right, title and interest in and to the Assigned Copyrights, the right to sue and recover for past, present and future infringement thereof, the right to secure registration of the Assigned Copyrights and of this Assignment and the right to initiate other proceedings before all governmental entities with respect to the Assigned Copyrights, and any associated rights under the Berne Convention on Copyrights and any local Copyright law. Provided that any damages recovered for past infringements shall be accounted to by the Assignee to the Sellers.

5. Conveyance and Acceptance of Assigned Domain Names & Other Rights. The Sellers hereby sells transfers assign, convey and deliver to the Assignee, and the Assignee hereby purchases and acquires, all of the Sellers' right, title and interest in and to the Assigned Domain Names, the goodwill of the business connected with the use of and symbolized by the Assigned Domain Names, the right to sue and recover for past, present and future infringement thereof, the right to secure registration of the Assigned Domain Names and of this Assignment and the right to initiate other proceedings before all Registering Authorities and governmental entities with respect to the Assigned Domain Names. Provided that any damages recovered for past infringements shall be accounted to by the Assignee to the Sellers.

6. Recordation.

a. Authorization. The Sellers hereby authorize and request that the Commissioner for Patents, the Commissioner for Trademarks, the Register of Copyrights and any other sovereign official holding a corresponding position of authority in any other jurisdiction record this Assignment. The Sellers will, at the Assignee's request, take any and all reasonable actions, including the execution, acknowledgment and delivery of any and all documents, that the

Assignee may reasonably request to record and perfect the Assignee's interest in and to the Assigned Patents, the Assigned Trademarks, the Assigned Copyrights, and the assigned Domain Names & Other Rights on the proviso that the Assignee pays the Seller reasonable legal fees for reviewing the said documents referred to herein if necessary..

b. Domain Names. The Sellers hereby authorize each internet domain name registrar (the "Registering Authority") of the Assigned Domain Names to transfer and record in the name of the Assignee ownership of and administrative contact for all of the Assigned Domain Names. The Sellers will, at the Assignee's request, take any and all reasonable actions, including the execution, acknowledgment and delivery of any and all documents, that the Assignee may reasonably request to record and perfect the Assignee's interest in and to the Assigned Domain Names on the proviso that the Assignee pays the Seller reasonable legal fees for reviewing the said documents referred to herein if necessary Without limiting the foregoing, at the Assignee's request, the Sellers will cooperate with the Assignee to (i) complete any registrant name change agreement or other form required by any applicable Registering Authority to effect or record the assignment contemplated by this Assignment; (ii) submit those registrant name change agreements or other forms to the Registering Authority in accordance with the Registering Authority's policies and rules; and (iii) take any further actions required by the Registering Authority's policies and rules to transfer the Assigned Domain Names to the Assignee.

7. Further Assurances. Without limiting the Sellers' obligations in Section 6, each party hereto shall do and perform all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party hereto may reasonably request in order to carry out and accomplish the purpose of this Assignment and all actions contemplated hereby.

8. Terms of the APA. The terms of the APA, including, but not limited to, the Sellers' and the Assignee's representations, warranties, covenants, agreements and indemnities, are incorporated herein by this reference. The provisions of this Assignment are subject to the terms and conditions of the APA. In the event of any conflict or inconsistency between the terms of the APA and the terms hereof, the terms of the APA shall govern, supersede and prevail.

9. Amendment; Modification. Neither this Assignment nor any of the terms hereof may be terminated, amended, supplemented or modified orally, but only by an instrument in writing signed by the Sellers and the Assignee.

10. Governing Law. This Assignment shall be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to any principles of conflicts of law. The parties agree that if any dispute arises out of or in connection with this Assignment or any of the documents executed hereunder or in connection herewith, the parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the federal courts of the United States of America located in the City and County of New York, Borough of Manhattan, for the resolution of any such claim or dispute. The parties hereto hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner

provided by law. In the event any such action, suit or proceeding is commenced, the parties hereto hereby agree and consent that service of process may be made, and personal jurisdiction over any party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the party at the address of such party set forth in the Purchase Agreement, unless another address has been designated by such party in a notice given to the other party in accordance with the provisions of the APA.

11. Counterparts. This Assignment may be executed in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Assignment shall become effective when counterparts have been signed by each of the parties and delivered by facsimile or other means to the other party. Signatures transmitted by facsimile or electronically shall be deemed to have the same force and effect as original signatures.
