TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of August 9, 2023 (this “Agreement”), among CDK Data Services, Inc., CDK Global, LLC, Salty Dot, Inc., and Oceanus Automotive, LLC (individually, the “Grantor” and collectively, the “Grantors”) and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, as Notes Collateral Agent (in such capacity, the “Notes Collateral Agent”).

Reference is made to the Notes Collateral Agreement dated as of August 9, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Grantors, the other grantors from time to time party thereto and the Notes Collateral Agent, pursuant to which the Grantors granted to the Notes Collateral Agent, for the benefit of the Notes Secured Parties, a security interest in the Trademark Collateral (as defined herein). Pursuant to the Collateral Agreement, the Grantors agreed to execute and deliver this Agreement in order to record the security interest granted to the Notes Collateral Agent with the USPTO. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified (including specified by reference) in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Notes Obligations, the Grantors hereby grant to the Notes Collateral Agent, its successors and permitted assigns, for the benefit of the Notes Secured Parties, a security interest (the “Security Interest”) in all of such Grantors’ right, title and interest in, to and under the United States Trademark registrations and Trademark applications listed on Schedule I attached hereto, but excluding any intent-to-use Trademark application prior to the filing and acceptance of a “Statement of Use” and issuance of a “Certificate of Registration” or an accepted filing of an “Amendment to Allege to Use” whereby such intent-to-use application is converted to a “use in commerce” application with respect thereto, as applicable, together with (a) all renewals or extensions thereof, (b) any and all goodwill associated with, connected with the use of or symbolized by any of the foregoing, (c) the right to sue or otherwise recover for any past, present and future infringement, dilution, or other violation or impairment thereof, and (d) all Proceeds of the foregoing, including without limitation license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto (the “Trademark Collateral”). This Agreement is not to be construed as an assignment of any Trademark Collateral.

SECTION 3. Collateral Agreement. The Security Interest granted to the Notes Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Notes Collateral Agent pursuant to the Collateral Agreement. The Grantors hereby acknowledge and affirm that the rights and remedies of the Notes Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Termination. Upon the occurrence of the Termination Date or the release of the Grantors from its obligations and/or release of the Trademark Collateral under the Collateral Agreement pursuant to Section 5.13 of the Collateral Agreement, the security interest granted herein shall automatically terminate and the Notes Collateral Agent shall, at the Grantors’ expense, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien, and security interest in the Trademark Collateral under this Agreement.

Any execution and delivery of documents by the Notes Collateral Agent pursuant to this Section shall be without recourse to or warranty by the Notes Collateral Agent.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with applicable Requirement of Law (including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement.

SECTION 6. Governing Law. This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

SECTION 7. Recordation. The Grantors authorizes and requests that the Commissioner for Trademarks record this Agreement with the United States Patent and Trademark Office.

SECTION 8. Intercreditor Agreements Govern. Without limitation of the foregoing, the Notes Collateral Agent and each other Notes Secured Party hereby acknowledge and agree to be (and that they are) subject to and bound by the provisions of the First Lien Intercreditor Agreement, and each other applicable Intercreditor Agreement entered into after the Issue Date, in its capacity as a Notes Secured Party and holder of Notes Obligations.
